BUSY WEEK COMING UP

Next week will be one of the busiest weeks of the year. The week starts out with the election of the Student Council President. UMP students should consider carefully the qualities of each candidate before casting their votes. Remember, the Student Council represents YOU.

Next on the agenda is Maine Day. This day has been planned to provide fun for everyone. Besides getting a lot of exercise, you'll find out who your new Student Council President will be and also who will be next year’s Owls and Eagles.

So, UMP, enjoy yourself next Wednesday before it’s time to hit the books for final exams.

STUDENT COUNCIL PRESIDENT ELECTIONS

Campaigns for the office of UMP’s Student Council President began Monday afternoon. Ed Gorham, a sophomore, and Bob Silva, a junior, will be campaigning this week and will give speeches on Friday, May 1, at 12:30 in the cafeteria.

Frank Blanchard and Don Hoffman are in charge of the election committee.

Voting will take place Monday, May 4, from 9:00 a.m. to 4:00 p.m., outside the library. The results will be announced on Maine Day during lunch in the cafeteria.

A FEW WORDS FROM THE CANDIDATES

The office of President of the Student Council is one of the most important and vigorously sought after position available to UMP students.

The requirements for this position are firm leadership qualities, the ability to organize people’s activities, and a strong desire to have an organization succeed through complete satisfaction of the students.

Any person who can meet these qualifications should be President of the Student Council.

R. Silva

The upcoming election, which will decide the "fate" of our Student Council, is a most important one.

The student body has the responsibility of supporting a leader who can best represent it in matters that are of the utmost importance to the University. The future President must always have the interests of the students in mind.

When you, the students, go to the polls on Monday, May 4, elect the best representative of the students as President of your Student Council.

Ed Gorham

REPORT ON EAGLES' BANQUET FROM PEGGY MARTIN

I never realized how receptive northern Eagles are! Why they just flapped their wings and "irked" with excitement as their counterparts from the UMP nest (Peggy Horton, Anita Nason, and Peggy Martin) found their way to a feast given by the Orono Eagles.

Hope all you new "birds" will keep up the acquaintance with your "friends from the north."

DON'T FORGET TO PRE-REGISTER FOR NEXT FALL!!!

STUDENT COUNCIL MINUTES APRIL 23

The meeting was called to order at 4:10 p.m. In Judy DeRocher's absence, Peggy Martin read the Secretary's Report.

Don Hoffman stated that the Senior Class will purchase one of the paintings for the cafeteria.

Peggy also read the Treasurer's Report; the balance to date was $613.72.

Dick Grotton said that the tickets for the Serendipity Singers are on sale in the Dean's office at 50¢ off the regular price. They will only be available until Monday, April 27.

Tom Smaha, of the Circle K, asked the Council if they could borrow $30. He stated that the club would repay the loan, if possible, by the end of the semester. Don moved that we lend them the money, George Morrill seconded it, and it passed.

George checked with the Athletic Department about having the gym available for basketball. When the gym is cleared of current athletic activities, the problem will be discussed again.

Frank Blanchard, of the Council President Committee, said there were two candidates running for the office: Ed Gorham and Bob Silva. Frank will meet with them to outline campaign requirements and limitations.

Dave Steele went over the plans for Maine Day. Don Hoffman will check the price of lobsters for making them available to the students at cost.

Ed Gorham will look into using the Cousin Island Beach for Maine Day's evening activities. He suggested that a few guitars would be better than a band at the beach party.

The library will be open on Saturdays and Sundays beginning May 16.

Ed Gorham reported that it will not be possible to purchase a turntable for the school at this time.

Paula Gibson reported that the material for the Machigonne Review is coming in well, and she requested an additional $32 loan to pay for 4 more pages of typewritten material to be added to the present 16. The Review will be sold for 50¢ a copy. Bob Silva motioned that the Council grant them the $32 on the same basis as the previous grant. Dick Grotton seconded the motion and it passed.

Don Hoffman brought up the Council's giving the Senior Class $32 for the cost of invitations for Commencement Exercises which is not provided for by the school. Frank made the request in the form of a motion, Ed seconded it, and it passed.

Respectfully,
R. Silva

IIII STUDENTS III

On Tuesday, May 5, in Room 100 of the Student Union, from 1:00 to 4:00, the PROFESSIONAL BUSINESSMEN'S FRATERNITY OF UMP is sponsoring a Seminar Program for the benefit of students in the College of Business Administration.

The major fields to be discussed will include Accounting, Finance, Marketing, and Management.

Participants will include members of our faculty and outside businessmen from the Greater Portland area.

INSIDE SPORTS by Walt Abbott

The tennis team, coached by Dr. Cole, has just concluded elimination matches in order to determine the six members of the team plus the two alternates. The racquet-swatchers participating were: W. Prince, C. Coleman, B. Goldberg, R. Gin, J. Lancaster, J. Coty, D. Ivers, C. Collins, R. Clark, Browne, Shapiro, Beaudoin. The team's first contest is against the Bowdoin Frosh Friday, May 1, at the Oaks. Assuming good weather, students and interested parties are urged to support the team.

The baseball team opens the season this Saturday at the Oaks against the usually strong Maine Frosh. Every student should make a sincere effort to view this game. No matter what some players tell you, they do indeed notice the size of the crowd. Most of my baseball preview was accurate. However, I was told that I overrated H. Moulton and underrated D. Emerson. These Points will be answered for sure on Saturday. I'm afraid some people on the team have a misconception as to the "why" of
Brian Bicknell. Few realize that he is a nerve-racking bench jockey. Make no mistake, this isn't "mouthing off," but is instead a fine art to be mastered. Brian does upset his victims which are the exact ones who don't understand that he has succeeded in his intentions by getting them mad. He does this in practice as well as in games.

A fine turnout has been received by the Maine Day Track Committee. The rosters of the Freshmen and the Upperclassmen have been turned in and are now in the process of being compiled and arranged. Dave Ivers has lined up the "cream of the crop" upperclassmen while Dave Lowell and D. Capozza have been doing the same for the Freshmen. It has the makings of a fine contest. I'll make no predictions, but loyalty says upperclassmen while overwhelming odds say Freshmen. "Fun Day" will tell.

Some students have come to me and asked me if we had anything in the form of a club for varsity athletes. To my knowledge nothing of this sort is in existence here at UMP, but it certainly is a good idea. All athletes who have earned their varsity letter would be eligible to join. It's a little late to form any action now, but it is a thought for previewing next fall.

THURSDAY NOON PROGRAMS CONTINUE

The speaker at the Thursday noon discussion in the small dining room off the cafeteria will be Dr. Lawrence Crane, physician to the American Olympic Team. Dr. Crane will tell about his experiences and answer questions about the Olympics.

Tentatively scheduled for the following Thursday, May 7, is Mr. J. Weston Walsh, the well-known member of the Portland City Council, for many years a prominent member of the faculty of Portland High School, now a publisher of books used by teachers and debating coaches throughout the country.

THE PROFESSIONAL BUSINESSMEN'S FRATERNITY

On Tuesday, May 5, from 1:00 to 4:00 p.m., the Businessmen's Fraternity will sponsor a Seminar Program for the benefit of the students in the College of Business Administration. This program will be of primary interest to those underclassmen in Business Administration and any students who might be interested in enrolling in this college. The purpose of the program is to acquaint the students with the majors that are offered here at UMF in Business Administration.

The speakers at this program will be: Prof. Harry Waters, who will act as moderator; Prof. Owen Hall; and Director John Blake, who will speak on the majors offered at UMF. In addition, Mr. Joseph C. Jordan, President of Jordan's Ready-to-eat Seats, and Mr. John N. Daigle, Treasurer of the Casco Bank and Trust Company, will speak on the opportunities in business for UMF's graduates in Maine and the Greater Portland Area.

This program sounds very interesting and students should make an effort to attend this Seminar.

Any students who are interested in joining the Businessmen's Fraternity next year should plan to attend the meeting on May 11, at 7:00 p.m. in the small dining room. Election of officers and discussion of plans for next year will be the main topics.
