INSIDE SPORTS by Walt Abbott

Yesterday's Maine Day Track Meet was a sad disappointment for the upperclassmen while providing a clear picture of the emphasis on college sports. Every year it seems that the Freshmen win this track meet, but in the next year, as upperclassmen, these same athletes are decidedly out of shape. This was exemplified especially in the running events yesterday. Perhaps it's because the Frosh haven't quite become oriented to the "evils" of college socializing, wouldn't you say, Larry? The Frosh took first places in every event except the high jump, one of the reasons being that none of their entrants showed up. The final score was Freshmen 80 and Upperclassmen 31. Individual winners in order are as follows:

High Jump - Dyer, Shaw, Cavallero
Broad Jump - Burner, Solomon, Lowell
100 yd. Dash - Marco, Mitchell, Solomon
Shot Put - Watts, Capozza, Eastman
Discus - Marco, Ginn, Ivers
220 yd. Low Hurdles - Lowell, Ivers, Gorham
Javelin - Maloney, Ivers, Capozza
880 yd. Run - Carey, Dyer, Bagne
½ Mile Relay - Freshmen took this going away!

Thus the old cliche: "Wait till next year!"

Other Maine Day sports events were the ping-pong tournament and the various soft ball games. Bob Goldberg was declared the winner of the ping-pong, but word has reached this deck that he won it rather by default. Seems Bob wasn't at the starting place at the 9:30 starting time but did show up at 11:30 when everybody was gone. Aw, heck, I don't think I could have won it anyway!

Behind the stout pitching of Peggy Horton (that's the pitching not Peggy) Dr. Cole's team won the morning softball game at the Stadium. Peggy gave up 16 runs on 23½ hits. The way the pitching of the baseball team has been going, a spot might be found for Peggy! No, that wouldn't work; seems there's an inter­collegiate rule that the sex on any athletic team has to be similar. I don't think that you would match, Peggy.

Last Saturday, May 2, the Baseball Team opened its season against the Maine Frosh at the Oaks. K. Weatherbie started for UMF and was very strong for five innings. He was throwing a good curve, fair fast ball, but an excellent change-up. With two out in the third inning, Captain Pat Feury slammed a booming triple to left but was stranded at third. The dam broke in the 6, 7, and 8 innings as the Frosh scored 13 runs. G. Morrill tried to stop the flow, but he had trouble finding the hole in the dike. The Vikings' inability to field bunts proved to be their downfall as was the fact that K. Weatherbie doesn't appear to have the stamina to go nine innings. Toward the end of the game Judy DeRocher turned to me and asked, "Who's that up to bat now?" I told her it was D. Webber, the left fielder. She replied, "I don't know him. What does he look like without his uniform on?" This was the second laugh of the day; the first one was the game itself.

On Maine Day UMF bowed to MWTI 10-9. Coach Sturgeon shifted his line-up excellently as he inserted D. Lent at first and moved H. Moulton to second, benching B. Bicknell. He put J. Trecartin in the outfield and moved D. Webber in at third. This proved to be excellent strategy as Trecartin slammed out two hits and Lent handled first base magnificently. UMF jumped out to a 2-0 lead as Trecartin singled and Webber tripled him home, scoring on an error on the throw to the plate. J. Murray couldn't hold the lead as it sawed throughout the game. D. Webber continued to hit, as did H. Moulton, with J. Trecartin picking up two stolen bases. Trecartin is exceptionally fast and could
conceivably steal quite a few bases this year. With the score 10-8, UMP made a last gasp try in the ninth. With runners on first and second, D. Emerson clipped a single to left. Third-base coach Weatherbie (who was steaming mad when Webber ran through his stop sign in the first inning) sent the runner home but a fine throw cut down G. Morrill by ten feet. You can't win them all, Cat! A run scored later, but H. Moulton looked at a beautiful outside-corner fastball for the third out.

UMP’s Golf Team has jumped off to a roaring start winning all their matches. Doug Hall appears to be a promising golfer.

Let's have a good showing at the baseball game Saturday, May 9, in hopes of getting UMP's first victory.

Mr. Lane, who played a major part in helping Portland University acquire the building now occupied by our School of Law, has helped in most of the developments which have improved the lot of the common man in the Portland area recently. His most notable contributions occurred when he served as Chairman of the Portland City Council, which accomplished much for the progress of Portland under his leadership.
