FROM ORONO-- THE NEWS ON HOMECOMING

Well, the mile wide campus, once so formidable to new newcomers is finally dwindled to a knowable area - a self-sufficient city unto itself. Classes, short-cuts, and quiet study corners have been found and a kind of campus routine has finally been established.

Life at such a place is not all classes and quiet study corners, however, and campus sports and social life is in full swing. Right now football just naturally brings to mind Homecoming, which is the weekend of Oct. 15th this year. On Sat. the 15th at 11:30 p.m. the Maine line will face the University of Conn. That night, at what we are confident will be a victory celebration, the Four Freshmen will be in concert at the Memorial Gym.

Homecoming festivities also include a post-game coffee sponsored by the All-Maine Women and Senior Skulls and an alumni dance at the Penobscot Country Club Sat. night from 8 - 12, and an alumni luncheon at West Commons at 11:45, also Saturday. For those who have friends at the campus and intend to come up for the weekend, remember that reservations have to be in the Tuesday before. Cots, linen and towels are two dollars per night unless someone has gone home for the weekend (a rarity at Homecoming) and left permission for you to use his bed.

Maine is looking forward to Homecoming for an added reason this year. The word is our new president Dr. Edwin Young, from the University of Wisconsin might arrive somewhere near the fifteenth.

That's about it from here at Mecca. Keep smiling -- there's only eight more months.

THE SPORTS SCENE
by Chris Carland

UMP'S great and powerful Cross Country team was all set to defeat Gorham State College last Friday, except for one small detail, somebody forgot to tell the weatherman. The rain started, but the meet did not.

Coach Casavola, assistant-coach Tom Martin, and the team were all ready to go regardless of the small hurricane going on outside, but the Gorham coach wanted to cancel and have it some other day. There was a rumor in the locker room that Carroll Rines's column in the Portland paper the night before might have had something to do with Gorham's decision. The column described ULP's present team.

Things have been cleared with the weatherman for Saturday, and if everything else goes well, the Cross Country team will open its season with New England College at Henniker, N.H.

CROSS COUNTRY
10/5 New England, 1:30, at Henniker, N.H.
10/13 Husson, 3:30, here
10/20 New England, 1:30, here

10/29 Husson, at Bangor
11/13 State Meet, at Castine

Look in next week's UMPus for Chris Carland's intramural football forecast and team schedule. Intramurals are one of ULP's most spirited pastimes—look for the scoop.

Mr. Owen Hall is the placement coordinator on the Portland campus and will keep you informed of dates and places of interviews. The bulletin board on the first floor of Payson Smith Hall will contain notices concerning placement so all seniors are urged to check this board frequently.

CED SPECIAL SHORT COURSES AND BUSINESS SEMINARS NOW STARTING

Special interest groups of executives and other business people are starting to visit UMP for intensive one-day seminars and short-term evening courses.

Next Tuesday is the date for a seminar, running from 8:45 a.m. to 4:40 p.m., at which Dr. Don Schoeller will conduct a series of sessions on "The Key to Dynamic Personal Management Development." About 40 local business executives have registered for this series of lectures and discussions.

A short course for professional purchasing agents has just started on Tuesday evenings, and another program for supervisors on Thursdays.

PLEASANT MOUNTAIN IN LIVING COLOR

At the site of Pleasant Mountain, Bridgton on Sunday Oct. 10, from the 10th hour in the a.m. to the sixth hour in the p.m., the Student Senate will sponsor Mountain Day, an opportunity to meet the candidates for class offices and to get acquainted with the student body.

What goes on? Eating! BLT sandwiches, boiled eggs, cookies, and whatever else you bring on picnics; (the Student Senate will furnish chips and apples), play football, soccer, and generally enjoy the, ahem... great outdoors.

Of course, one cannot ignore said mountain, and the Student Senate has arranged it so the chair lift (not T-bar) will be in operation. You can ride up the mountain and then roll down.

The Student Senate will be selling tickets Wed., Thurs., and Fri. for 85¢ to cover the cost of the chair lift. So look for the ticket booth inside the cafeteria, and keep out-side the library.

And, now, if your car battery is dead, or the front tire on your bicycle is flat, or if your little brother took your red wagon and ran away from home, don't panic. A bus will make the trip along route 302. Tickets may be purchased Wed. and Thurs. for 41¢ in Mr. Van Amburg's office.

So, wear your warm clothes, bring your football or your skis with roller skates and get out and meet the candidates!

Most UMP students are catching on to the proper procedure used in operating those metal monsters in the caf. There are those among us, however, who are ever slow—-to wit: Basketball star Crayfish cooked a cheese sandwich in the small oven beside the vending machines. Upon removing it he wondered if it were done. Whereupon his senior "buddy" stuck his hand into the oven and announced "It's not even hot in there -- put it in again." Crayfish, all wide-eyed and innocent, immediately placed the sandwich again into the fiery furnace and announced "It's not even hot in there -- put it in again." accepted with more yet to be heard. It is hoped a large number will help to build up a sizable chorus. Membership in the organization, a credit course, is open to anyone enrolled in the University of Maine in Portland.

Rehearsals will be held Tuesday and Wednesday afternoons 4 to 5 pm in the Music Classroom, room 524, Luther Memary Hall. See Mr. Bryant Tuesday or Thursday mornings 11 to 12 in 524 during office hours after the class in Music Understanding, before rehearsal time, or by appointment.

Due to an overwhelming demand for a weekly newspaper, Student Publications will resume publication of the weekly paper, the UMPus. News for the UMPus must be submitted by 4 p.m. on Monday of each week. Smells of tomato, oregano, and pepperoni are in the air. You think we're at Ang., don't you? People's stomachs are rolling. You still think we're at Ang., don't you? Here and there nervous boys and girls are biting their fingernails. Well, it could be because they're hungry, or because they're eagerly awaiting the returns of the class elections at the Student Senate sponsored Election Returns-Night Pizza Party.

This could be the setting on Friday Oct. 15, at 5:30. People are comfortably sprawled all over the Union, burning their mouths on pizza and washing it down with free cider, provided by the Owls and Eagles --- who will also take the orders for the pizza on Oct. 11, 12, and 13. Entertainment will be furnished by Bob and Jick, two folk singers, who come from Michigan and Kentucky, respectively.

About 7:32 a dramatic hush will sweep over the crowd as student senate president Estelle Watson steps to the microphone. "The senior class president is ---." A few cries of surprise clap, clap, and down on through.
