STUDENT CALENDAR

THURSDAY, October 6
9:00 a.m. - Senate Elections -
12:00 noon - Business Club meeting,
Student Union
12:00 noon - Outing Club meeting,
North Hall
2:00 p.m. - Young G.O.P. Club,
Student Union

FRIDAY, October 7
9:00 a.m. - Senate Elections -
10:00 a.m. - Information booth, LBH
1:30 p.m. - Spanish Club, Student
Union
2:30 p.m. - "Waiting for Godot"
L.B. Auditorium
5:30 p.m. - Pizza Party and elec­
tion returns, Gym
8:15 p.m. - "Waiting for Godot"
L.B. Auditorium

SATURDAY, October 8
8:00 p.m. - Boxing Club dance,
with "Grand Prix", Gym

MONDAY, October 10
1:00 p.m. - Peter Kyros speaks in
L.B. Auditorium
7:00 p.m. - Circle K meeting,
Student Union

TUESDAY, October 11
12:00 noon - A.W.S. meeting L. B.
Auditorium

THURSDAY, October 13
12:00 noon - Business Club meeting
Student Union
2:00 p.m. - Young G.O.P. Club
meeting, Student Union
4:00 p.m. - French Club meeting,
room 300, North Hall
8:15 p.m. - Community Concert
Sorles, Andre Watts -
Planiot, Portland City
Hall Auditorium

CALENDAR BRIEFS
Wanda Storer - Calendar Editor
Donna Sorenson - Assistant

The purpose of this part of the UMPus
is to inform you of the student events
scheduled for this week. I hope you will
take advantage of the many club meetings
lectures and social functions. Consider
this your official invitation to attend.
Remember you get out of college just what
you put into it; studying is not the only
pathway to knowledge.

OUTING CLUB

The first meeting of the Outing
Club will be held Thursday, October 6
(today) in North Hall. The Outing Club
plans bi-monthly outings such as moun­
tain climbing, bike riding, horseback
riding and various other one-day activi­
ties. To add to the excitement a
couple of week-end events may also
be planned. (Did you hear about last
year's ski trip?) So grab your hot dog
and run over to North Hall and get in
on the fun.

"WAITING FOR GODOT"

The first cultural event of the
season at UMP will be held Friday,
October 7. The Boston Theatre Company's
production of "Waiting For Godot"
will be presented in Luther Bonney Hall at
2:00 p.m. and 8:15 p.m. This play,
written by Samuel Beckett has a great
impact on the modern theatre and should
be very interesting and cultural.

PIZZA PARTY

Come one, come all to the Pizza
Party on Friday from 5:30 to 7:00 p.m.
sponsored by the Owls and Eagles.
Election results will be announced at
6:00 p.m. An up and coming folk singing
group, The Devon Square Trio will provide
entertainment. Tickets will be sold
Thursday and Friday for fifty cents in
front of the cafeteria and in the lobby
of Luther Bonney.

KYROS TO SPEAK

The Young Democrats' Club will
sponsor Peter Kyros, Democratic candidate
for Congress, who will speak at Luther
Bonney Hall Auditorium on Monday, October
10, at 1:00 p.m. His topic will be
Viet Nam and Education, and he will
entertain questions.

Kyros, a Portland native, was
educated in Portland schools, attended
M.I.T., is a graduate of the U.S. Naval
Academy and Annapolis, and served ten
years in the U.S. Navy. He also
is also a
graduate of Harvard Law School and is a
practicing attorney in Portland.

He served as attorney for the Maine
Public Utilities Commission, as Demo­
cratic State Chairman 1964 - 1966, and
All girls are urged to attend the meeting of AW Tuesday, October 11 in the auditorium of Luther Bonney. This year’s plans call for establishment of some girls athletics (for those waistlines), community service projects, speakers and a first for UMP—a Spring formal. To get the ball rolling, Mrs. Hine from Pineland will be the speaker. This should be especially interesting to those of you who might wish to work as a volunteer at Pineland. Remember girls—Tuesday, October 11—LTH auditorium—there’s something for everyone!

COMMUNITY CONCERT SERIES

The Student Activities Board has purchased a limited number of tickets for the Community Concert Series which may be picked up free of charge at the Information Desk in the lobby of Luther Bonney Hall on Monday or Wednesday. The first concert will be held October 13, Thursday evening, at 8:15 p.m. in the Portland City Hall Auditorium.

THE SPORTING NEWS

Sports Editor:
Richard Bonaventura

Reporter:
Bruce Morse

Welcome sports followers to a year of increasing athletic achievement and, we hope, to an improving sports column. The upperclassmen know about last year’s second semester column and the less said about that, the better. This column will be different, and we hope an improvement. Please keep in mind that we are not expert writers nor do we claim to be. We would appreciate sports notes from anyone. The staff includes four highly capable athletes in their own respect. Bruce Morse won his freshman jacket by competing on last year’s stellar freshman basketball team and is a member of the track team. Linwood Arnold won his varsity letter from the track team of which he was honorary captain and holds two school track records. Robert Lapp won his varsity jacket by playing on the baseball team and he was a member of the freshman basketball team. Richard Bonaventura won his varsity letter in track and holds several school track records. He is on the cross country team and is captain of the winning football team. We will try to keep you abreast of the sports week-by-week.

"Morse code" on the intramural league—Well, gridiron fans, the intramural football season has arrived at UMP again. The league is dominated by mean, experienced monsters, and the line play this year promises to be ferocious. But there is a definite lack of the fast halfbacks that break a football game open.

For the next few weeks, we will be analyzing the teams and making our predictions on the outcome of important games. Here is the first of the predictions:

The Falcons, the only freshman team, are composed primarily of Triple-C athletes, who make up for their lack of football savvy by playing a hustling spirited brand of ball. Led by Terry and John Fillmore, the Falcons show a strong pass defense but lack the size to develop a sound blocking game or mount a good pass rush. This team could be a spoiler if they pick up a couple of big men and coordinate their offense.

The "Holly Rollers" are a group of large, experienced, mobile and extremely agile sophomores. Jack Burner and Paul Reynolds, a couple of fine multi-sport athletes, provide the "Holly Rollers" with a sound defensive secondary. Burly Bruce Livingston offers a rifle arm and suprising speed. Little Dave Lent, Tony Holt and John Connolly provide Livingston with a bevy of fine receivers. Stalwarts Craig Robinson, Frank Simpson and Bruce Morse are solid. (The preceding paragraph was an unpaid political announcement). Next week’s docket lists two good games including Monday, "Defenders" vs. "Cast-offs" and Tuesday, "Dubs" vs. "Holly Rollers."

The cross country team opened its season at Manchester, N.H., against St. Anselms. The team had the minimum of the five men needed to score in a meet, and ran perhaps the toughest course in New England. The water was ankle deep in places and the fields were full of potholes. But, our predominately freshman team ran on through the downpour. St. Anselms barely defeated our valiant troop. Fresh, Al McCann was the first UMP finisher with a fine effort in his first college try. Next was Dick Bonaventura, a sophomore, 25 seconds behind McCann. Another 20 seconds separated him from Jim Sproul, who was followed by Ralph Madore and Glen Cummings, all fresh. The small difference in finishing times shows that this team is much better balanced than last year’s first winning squad. The cross country team consists of 6 runners at the present time, 5 fresh and 1 sophomore. Surely there are more "men" in our predominant male enrollment who can run 4 miles. Those who would like to try report to the athletic office now! Results of the meet: 1. Mahoney (SA), 2. McCann (UMP), 3. McCann (UMP), 4. Couture (SA), 5. Bonaventura (UMP), 6. Lynch SA, 7. Sproul (UMP), 8. Madore (UMP), 9. Cummings (UMP), 10. Paul (SA), 11. Fallon 12. Mayotte (SA).
OFFICE REPORTS
Office Reports Editor: William Compston
Reporters: Eleanor MacDonald, Marcia Durdan, Sue Scanlan

From the Dean's Office

Something probably should be said about the continuing problem of finding enough space for parking. The new regulations, as described in the "Viking Guidelines", are intended to help us make the best possible use of present facilities, and we need your continued cooperation to make this the case. The basic problem is likely to be with us for a long time, however, despite major efforts on the University's part.

There are increasing numbers of people—day and evening students, faculty, staff, visitors—using our facilities and a minimum amount of land which is both usable and available for parking. We will do all we can within our resources to provide increased parking area, but our size and location make certain realities worth mentioning:

1. More people will need to walk several blocks from off-campus parking areas. This is true in all city universities and will become increasingly common here.
2. More people will work out car pool arrangements.
3. More people will use public transportation.

The Senate and other student groups have been asked to contribute ideas on this problem and we look forward to further progress during the year.

Everyone is interested in the two new buildings authorized this campus by the last state legislature. Both the physical education and science buildings are now in the stage of preliminary drawings which must receive Trustees' approval. The next step is application for federal construction grants, a process which will take several months following the October filing date. Then come various screenings by state and federal authorities. UMP will ask contractors for bids as early in the spring as possible, and break ground by early summer. If all goes well, both buildings will be ready for use in September 1968.

From Student Affairs Office

Facilities: We are working to improve facilities for student activities. The "cottage", formerly CES Headquarters, is being renovated and will become the Laboratory Theatre. It is our hope to develop more lounge and meeting space for students in the near future.

Student Union: Other new developments of the Student Union will be of interest to students.

1. Mr. Van Amburg is maintaining a master calendar of all University events. Organizations wishing to schedule an event may clear the date through him, and he will help them with proper procedure for reserving rooms and getting events on the weekly all-University calendar.

2. A personal message board has been started in the Union to answer an obvious need for a large central space for quick transmission of messages. This is experimental, of course, but students are urged to use it and to check it daily. Messages phoned in will be referred to the Union and left on this board.

Concert-Lecture Series: A ticket office for sale of concert-lecture series tickets has been established in the Information Booth of Bonney Hall. Tickets will be sold 2:00-4:30 Mon., Wed., and Fri. afternoons. Any student who would like to help out by working a few hours at this desk should see Dr. Dissell or Mrs. Files in 122 Bonney.

Room List: Students are reminded that a list of rooms for rent is available in 122 Bonney. See Mrs. Files.

From the Student Senate:

It's that time again, and we're not talking about it being fall. The school has been transformed by a windfall of papers, not leaves. Posters here, posters there...all proclaiming the assets of each candidate. Voting will take place Thursday & Friday. Check the calendar for place and times.

Candidates for the Senior Class:

President: Richard Bowie
Vice-President: Edward Vdllett
Secretary: Mary Durdan
Treasurer: A. Stuart Olson

Candidates for the Junior Class:

President: John Andrews
Vice-President: Jon Roderick
Secretary: Sue Fiske
Treasurer: Linda Merrill

Candidates for the Sophomore Class:

President: Richard Baker
Vice-President: Carla Bryson
Secretary: Richard Catir
Treasurer: Bruce Morse

Gary Goudie
Marty Libby & Chet Krowka

Vice-President: David Pontaine
Secretary: Bevinn O'Brien
Treasurer: David Smith

From the Library

Have you tried the new copying machine in the library? If not, here is an explanation. The next time you arrive at the library five minutes before closing time to read nine pages from the Encyclopedia Britannica - don't panic! Make a copy.

It's easy to use - just insert a dime, follow the simple instructions and in a few seconds walk away with a clear copy of a page from any book or magazine. You will find that many of your friends have been delighted with it. It's located near the reference collection - you cannot miss it.

From the Athletic Office

BASKETBALL
Candidates must sign up in the Athletic Office before Oct. 10. Try-outs will be on Monday, Oct. 17. For further information see Coach Sturgeon. Freshmen are eligible to play varsity ball. Managers are desperately needed for the track and basketball teams. Report to the Athletic Office if you are interested. Fringe benefits include free meals on trips.

From the Plant Supervisor's Office

Mr. Edward I. Salmon, plant supervisor of U.M.F., has been notified by Forest City Motor Co. that their parking lot space will be needed for their own requirements. Students and faculty using the parking lot are being asked to find other spaces to park their cars. We would like to thank the officials of the company for permitting the students and faculty to park their cars in the company parking lot.

Notice to the Seniors:
Any senior who missed the placement meeting may pick up the registration material and placement manual from Mr. Freise's office in Pauson Smith Hall.

Mountain Day -- 1966

Early on Sunday, October 2, all the mountain climbers from U.M.F. trekked to Lost Valley in Auburn. Soon all the energetic climbers had raced to the top of the hill and back. Next the aroma of hotdogs and hamburgers filled the air and a rush of the food ensued. After lunch the boys formed several vigorous football games while the girls cheered them on. Although there was not a large turn out, all who went despite muscle aches and incomplete homework, agreed that it was a successful day.

Editorials:
Ken Jones - Editor
Mary Durdan, Bessie Wilder - Editorial staff

As editor, I would like to welcome you to the 1966 - 67 U.M.Fus. It has been a long time for the U.M.Fus to get under way this year; the paper's late appearance exemplifies this fact. I agree to be editor mainly because no one else seemed to want the responsibility; but with an excellent staff and your cooperation, I am positive that this year's UMFus will be a success.

The general plan for the paper will be the same as last year's. We will have a student calendar and a sports column - "The Sporting News." Events on the calendar which require further explanations will have them. A new section of the paper will be devoted to reports from the various offices of the University. We are expecting weekly reports from the Student Affairs Office, the Student Senate, and the Athletic Office. Reports are also expected as often as necessary from the Registrar's Office, the Bursar's Office, the Athletic Office, the Library, etc. These reports will inform the students about different activities taking place in the University, and will also give the various offices a chance to speak directly to the students.

I would like to tell the various clubs and organizations on the campus to send in reports on their activities and projects, but it is up to the club presidents or secretaries to inform us as to what they want printed in the paper. This gives the clubs a chance to obtain some free publicity and perhaps a few new members.

The editorial section will include at least one major editorial and several minor editorials. One of the most important parts of the paper is the "Letters to the Editor." This section gives an opportunity to anyone to express his opinion on any subject. We must know who wrote any letter submitted; however, the author's name will be withheld upon request. We also plan to include several questionnaires concerning student opinions. Contributions must be in Mr. Van Amburg's office by 4:00, Tuesday. The UMFus staff needs your help to make the paper a success this year.

The only purpose of the UMFus is to serve the students by keeping them informed.
