TWO STATE DEPARTMENT OFFICIALS AT UMP
FOR NOON LECTURE AND FORUM ON OCT. 18

One Recently Served at Saigon (Vietnam) and at Taipei; the Other at Geneva

by Dianna Sawyer

Two officials from the U.S. Dept. of State will conduct a public forum at noon on Friday, October 18, in Room 303 of Payson Smith Hall.

Mr. Wesley C. Haraldson, who returned to the U.S. last year after conducting ICA missions in Vietnam and at Taipei, will speak on our general foreign policy and our international organization.

Following Mr. Haraldson will be Col. Stuart M. Porter, recently military advisor at the Geneva disarmament negotiations, who will speak on arms control and disarmament.

This local forum is sponsored by Prof. Allen Pease and the International Relations Club of UMP, in cooperation with the New Hampshire Council on World Affairs.

Parents and friends of UMP students, as well as interested members of our community, are welcome to join our student body and to participate in the forum.

UMP DELEGATES ATTENDING ASSOCIATED COLLEGIATE PRESS CONFERENCE IN NEW YORK

Ward Greffam, Ken Benson, and Dick Grotton will accompany Mr. Rogers to New York on Wednesday afternoon for a three-day conference on college newspaper production, sponsored by the Associated Collegiate Press.

The MAINE CAMPUS (of Orono) will also be represented at this conference, as will also be most of the major college newspapers in the country. A representative of the Portland Lithograph Co., our printers, also hopes to attend.
CLUB NEWS AT UMP

BUSINESS MAN’S CLUB

The Business Man's Club of UMP has had its first meeting of the year and elected its officers. The President is Richard Allen and assisting him as Vice-President will be Bob Silva with Pete Gregory keeping the records as Secretary-Treasurer.

The club’s advisor is Mr. Waters, who has some fine ideas about making this year an interesting and informative one for the club members. One of the first projects will be to meet with a representative of the National Office Manager's Association to plan future meetings in conjunction with that organization.

The next meeting of the club will discuss plans for speakers and will also elect four members for the Board of Directors.

OWLS AND EAGLES

Congratulations are due to the Sophomore Owls and Eagles who did a fine job on Freshmen Orientation. This was a project that required three or four weeks of planning while most students were still enjoying their summer vacation. The freshmen were given a good tour of the campus to start them off on college life.

CIRCLE K

The Circle K dance on Saturday night was a success except for complaints from girls that there weren’t enough boys. Let’s go, gang, there seem to be plenty of women available.

The Circle K continues its activities with a meeting on Wednesday night at the Student Union. All visitors are welcome.

DEBATING

There will be a meeting of all those students interested in college debate at three P.M., Thursday, September 26, 1963, in room 103 of the Student Union Building. Anyone who cannot attend this meeting and who is interested, please contact Mr. Veilleux in room 302. The debate question for this year is: "Resolved: That the Federal Government should guarantee an opportunity for higher education to all qualified high school graduates." No debating experience is necessary, but anyone with previous debate experience is encouraged to attend.

THEATER AND POETRY

There will be a meeting of all those students interested in theater (presentation of play, acting, directing, scenery, lighting, etc.) and/or the presentation of reading programs (poetry recitals, reading hours, etc.) at one P.M., Thursday, September 26, 1963, in room 103 of the Student Union Building. Discussion will center on the possibilities of forming a drama club, possible plays for presentation, and arrangements for a series of student and faculty reading hours.

CED POPULAR FOR DAY STUDENTS TOO

Of the more than fifteen hundred registrations in the CED school, almost one hundred of them are students who also attend classes during the day at UMP. These evening and Saturday classes provide the opportunity for additional courses and it is encouraging to see that so many of the students are taking advantage of them.
