Dear Colleague,

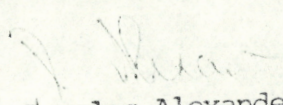

I am delighted to be able to inform you that your name has been selected as one of those who will receive a scholarship from the government of Quebec for study at the University of Laval in Quebec City. The program of study is from July 3 to August 10, 1979.

You will find the conditions of the scholarship listed on the enclosed information sheet. Please note that the scholarship money will be paid to you after you have enrolled at Laval University. Travel expenses are the responsibility of the scholarship recipient.

At the end of your stay at Laval, we will request tyou you supply us with an evaluation of the program of study in which you participated. This appraisal of your study will help NEMLA and the faculty of Laval to continue to improve the program in subsequent years.
