Edward G. Hudon, whose newest book, "Freedom of Speech and Press in America," has won high acclaim, will speak in the third floor lecture hall this Friday afternoon at 2:00 p.m. All UMP students and their friends are invited.

Hudon, a Maine native and a graduate of Bowdoin, is a member of the bar in Maine, the District of Columbia, and of the Supreme Court of the United States.

Hudon is considered America's leading authority on the trends of Supreme Court decisions regarding the First Amendment.

Verne E. Edwards, an Ohio Wesleyan journalism professor, who has just completed a year as chief editorial writer on the Detroit Free Press, will be the second lecturer of the afternoon, following Mr. Hudon at the rostrum in 303 at 3:15 p.m.

Prof. Edwards has a broad background in newspaper work on

IF WE DON'T GET OUT THE VOTE, WE MAY loose OUR NEW BUILDING

Voters in this part of Maine know that UMP is bursting at the seams, and all too many of them take it for granted that the bond referendum will go through. This is NOT SO. Unless our citizens turn out at the polls to vote Yes, the "economy block" in other parts of the state may snow us under.

Circle K is spear-heading the drive and asking the cooperation of every student on campus.

From now until election day, Tuesday, November 5, we need UMP students to volunteer to help with a telephone campaign, to pass out handbills, and to alert our local citizens as to the importance of their individual votes.

An office on Congress Street has been opened, but we have to provide the telephone staff. See Frank Blanchard or Larry Woodward if you can give a few hours to this project.

We also need to arrange transportation and baby-sitting service on November 5. Circle K is planning to take over the Student Publications Office on election day to receive requests for rides to the polls, together with baby sitting when necessary. Every club and every individual student on campus will be needed to help. We need cars, drivers, and girls to act as baby sitters.

A new building at UMP will enable many more of our students to complete their college work right here in Portland. It will make possible a vastly expanded evening program, especially on the upper class undergraduate and the graduate levels. The prosperity of our state in future years, and your prosperity, and the prosperity of uncounted others will depend to a great extent on the courses which will become available when we have a new building to house them.

If the citizens who favor this building will turn out to vote, UMP will have its new building. Help us to get out every vote possible, and we shall succeed.
At 4:00 p.m. on October 14, 1963, the first meeting of the Student Council was called to order. All the members were present except Ed Gorham, Sophomore Class President.

The first business to be brought forth was the election of Student Council officers. The following were elected:

- Vice-President: Don Hoffman
- Recording Secretary: Judy DeRocher
- Corresponding Secretary: Bob Silva
- Treasurer: Peggy Martin

President Dave Steele appointed Judy DeRocher a member of the Student Activities Committee. Peggy Martin was appointed alternate and Chris Doten, second alternate.

Don Hoffman was appointed by Dave to close the business concerning Mountain Day.

Nominations for a new faculty advisor were next on the agenda, and Mrs. Callender was elected.

A discussion was held concerning the tentative budget. Our budget last year was $1500; this year the budget was cut to $1200. We presently have $1310 left due to the fact that we had to pay out $70 for debts from last year. The expense of Mountain Day has not yet been submitted. The tentative budget consisted of money for:

- Mountain Day
- Winter Carnival
- Maine Day
- Outings and Clubs

Don Hoffman made the motion that all the chaperons should receive letters of thanks and appreciation from the Council. Pat Miele seconded the motion and Bob Silva will be responsible for the letters.

Next the Council members discussed an appropriate time for their weekly meetings. Jack Burner moved that they be held on Wednesdays at 4:00 p.m. Pat Miele seconded the motion and it was passed by the Council.

The Council members then decided that each club should be informed concerning its constitution and budget. Gary Curtis and Frank Blanchard were appointed to the committee.

Bob Silva brought up the subject of the prices in the bookstore. Don Hoffman moved that an investigation be made concerning current prices in other bookstores. Gary Curtis seconded it and the motion was passed. Dick Grotten was appointed to head the committee with Jack Burner and George Morrill to report in two weeks on the findings.

Pat Miele brought up the question of student aid in the cafeteria and put it in form of a motion. It was seconded by Judy DeRocher. Dave appointed Judy DeRocher and Peggy Martin to look into the matter.

Pat Miele put forth the motion of putting up chains at one section of the parking lot to make it easier for the students to enter and go out. Bob Silva seconded it. Pat was asked to see Mr. Lawrence about the matter.

Pat Miele brought up the subject of the apparent lack of deodorizers in the men's rooms, especially in the Union and East Hall. Dave Steele said he would check with Mr. Williams on the subject.

A discussion was held on the need for a closer communication with the wants and needs of the students. Pat Miele motioned that a BRAIN STORMING SESSION for a better UMP be held from 11 a.m. to 1 p.m. on Friday, November 1, in the Lecture Hall. Chris, Peggy, and Judy were appointed to make posters to announce the session.

The last item brought up before the Council was a greater need of Student Communication. Frank Blanchard was chosen to head a committee consisting of Chris Doten and Bob Silva.

Don Hoffman made a motion that the meeting be adjourned. Gary Curtis seconded the motion and the meeting was closed.

Respectfully submitted,
Judith DeRocher
Recording Secretary

SATURDAY NIGHT
UMP SKI CLUB DANCE
CAFETERIA 8-12 50¢
RECORDS D.J. **
By Pam Titcomb

About 7:30 p.m., Friday, October 18, I arrived at the University of Maine in Orono, with three fellow classmates, to begin what was to be a tremendous weekend. I met my "roommates" for the weekend and more or less began to get settled. Then, my date and I went to the gym where the activities for the evening had begun.

The students were putting on skits, each one depicting one of the candidates for Homecoming Queen. After the skits, there was a dance with live music. About 10:30, the Queen was announced by President Elliott. The Queen and her escort then led the next dance. At 12:30 everybody went back to their dorms.

Saturday morning, I was up bright and early and off to breakfast. About 10:30, my date and I went to the stadium, which was overflowing with multitudes of people. Mr. Kennedy, escorted by three helicopters, arrived at 11:00 to be greeted by President Elliott and Governor Reed. Also present were Senator Edmund Muskie, Senator Margaret Chase Smith, and Mayor Craig. After being introduced by Governor Reed, he proceeded to give his significant address. After President Kennedy received his honorary degree and the Maine Stein song was sung, the President left the field, shaking many hands as he left. This concluded the morning's activities.

Saturday afternoon was perfect for the Maine vs UConn football game, of which Maine was the victor. After the game, everyone went to the Bear's Den for cider and doughnuts.

All of the fraternities had barbecues Saturday evening before the parties and dances began. About 8:00 dances in two of the dorms and parties in all of the fraternity houses got off to a roaring start. I went to a dance at one of the boys' dorms where an absolutely tremendous band, "The Cumberlands" played. This dance particularly was a huge success. After the dances, quite a few of the students went to the Den. This climaxed Saturday's events.

Sunday morning some of the more ambitious and energetic girls in my dorm walked to church. About 11:00, we left for home.

CROSS COUNTRY

The Vikings dropped to a 1 and 6 total after a defeat handed out by St. Francis. Even though we have another losing season we have an improvement over last years postings of no wins.

I was in hopes that with the addition of "Cat Fish" to the staff we would see a great improvement, but even he can't provide miracles.

BASKETBALL

Everyone and anyone who wishes to play basketball on either the varsity or the "B" squad must attend the initial practice of the "B" squad. The date will be posted. The varsity, to date, has a temporary roster of fifteen to which additions and cuts will be made until the final roster includes 12 ballplayers and the remaining will start out as "B" squad.

The latest word is that N1 and N2 have given up aspirations of being varsity material and are attempting to acquire their old jobs back.

INTERNATIONAL RELATIONS CLUB

On Tuesday, October 22, 1963, five International Relations Club members--Ramzi Karam, Miyoko Umeno, Pamela Titcomb, Bruce Buxton, and Pat Miele, who was moderator--talked on the United Nations at a Kiwanis Club luncheon.

Friday, October 25, 1963, a CED class in creative writing is starting with teacher Bill Clark, noted Evening Express writer of "Logrolling."

MR. JACQUES'S STAG PARTIES

Mr. Jacques had a meeting with all interested freshman boys Thursday, October 17, 1963, at 12:00. Mr. Jacques calls this "meeting" his "Brainstorming Session" or Gripe Session. I would like to emphasize that these meeting are "Stag Parties" and a good time and place for you boys to complain all you want about anything and everything. Mr. Jacques plans to hold about ten of these Stag Parties.

NOMA EXECUTIVES HELP UMP CLUB PROGRAMMING

Stimulating speakers are being provided for the meetings of our UMP Professional Businessmen's Fraternity through the Portland Branch of NOMA, a progressive organization of local executives.

At the next meeting on Oct. 31, Mr. James F. Doughty, Vice President and Secretary of the Maine Bonding and Casualty Company, will speak on "What Companies Expect from College Graduates."

Mr. Doughty graduated from Colby in 1950 with a B. S. in Business Administration. From time to time he teaches one of the more advanced management courses in the CED program at UMP.

Dick Allen and Don Hoffman, both members of the Professional Businessmen's Fraternity, recently were guests at a dinner meeting of the National Office Management Association in the Sebago Room of the Eastland Motor Hotel.

Mr. L. M. Collins, the manager of the education services of the electric typewriter division of IBM, was the guest speaker of the evening.

In his dynamic presentation of the topic, "Tomorrow's Employees," Mr. Collins, who holds both B.S. and M.S. degrees, stressed the importance of communication skills within a business organization.

"You motivate by action, not by words," said Mr. Collins, who went on to mention a few of the many challenges facing business managers today. Automation, government regulations, industrialization, and the transposition of college students into the business field constitutes a few of the more important considerations.
