The general public is invited to explore the new building after the ceremony.

THE SPORTS SCENE
By Chris Corlend

Guess who came in first last Saturday in the cross country meet at Castine? If you guessed anyone other than Dave Galli you were wrong. Dave ran the four mile course in 19 minutes and 50 seconds. This bettered the course record by 2 seconds. Despite Dave's heroic effort Maine Maritime still managed to win the three-way meet. Team scores were Maine Maritime Academy 23, URI 39, and Mass. Maritime Academy 78.

Next Saturday the team will again travel to Castine, this time for the State Intercollegiate Meet.

FOR ALL THOSE WHO TURNED THEIR T.V. IS OFF.....

The Buckeyes from Ohio made a great comeback in the second half and defeated Youngstown, Ohio 27 to 22. This week the team travels to Tampa, Florida for the final game of the season. Let's hope the trip down South isn't in vain.

A correction on last week's Psi U soccer results.

POTPOURRI
By Judy

For those of you who didn't make it to the dance here last week-end --- you don't have to cry because you didn't hear that great band, becuase no one did. The band decided that they'd cut the dance. So Walt Abbott sang, and everyone had a great time.

It's pretty obvious that earrings are a fad around this school this year, but the U.P. staff has seen the height of this craze. A certain Junior boy (whose name we shall decline to mention, except that he's been to England, and his initials are M. J.) has been seen wearing one earring. This could start a whole new branch of this trend. Shades of the Serfary Pirates.

Everyone appreciation the wall-to-wall carpeting in the library. It is, however, unfortunate that so many thins in there are made of metal --- like the water fountain, door handles, and chairs. Have you ever walked down the isle on that carpet, and then sat down. The State of Maine has no death penalty, but the University of Maine has the electric chair.
