TRUSTEES AND TOP UNIVERSITY OFFICIALS TO VISIT UMP NEXT WEEK

Next Tuesday and Wednesday, November 19 and 20, UMP will play host to the eleven trustees of the University of Maine, as well as President Elliot, Vice President Peck, and other top university officials.

The entire Board of Trustees visits the Portland campus on this one occasion each year. Because of the favorable action of the voters of Maine in the referendum of November 5, the trustees' visitation this year is of particular importance.

UMF students will see the trustees and university officers moving around the campus in small groups on Tuesday, for the afternoon and evening will be devoted to subcommittee meetings, general visitation, and group conferences. There will also be a special UMF faculty meeting with President Elliot. A dinner for the visiting delegation will be served in the cafeteria on Tuesday evening.

Further details will be printed in the UMP CAMPUS, which is scheduled for distribution on November 19.

SPORTS NEWS by Dave Morrill

"B" SQUAD MENTOR UMP ALUMNUS

Dick Whitmore, new coach of the varsity "B" squad, starred for Sully in his winning '59-60 championship of the small college conference. Having completed the then allowable two year tour, he moved up to "Big Brother."

Dick was graduated from Portland High School where he played baseball and basketball. He is now married, has one child, and is combining coaching our "B" squad with teaching social studies at FHS.

Dick's brother Bill, an alumnus of UMP, also established himself as a competent ballplayer on our sports teams.

MARTY BOURQUE CAPTAIN 3 YEARS IN A ROW

Marty Bourque, good all-around team player for the past 3 years, has been elected to captain the Viking squad for a third term.

In previous years, Marty captained with the notorious Mr. Teen (Brian Legarde) and Ed Williams who starred at forward for us last year with his great rebounding and shooting ability. Ed, having completed his playing eligibility of 5 semesters, has moved on to Crono.

DON'T FORGET...

We open the season with Big Brother's Bear Cubs at Crono on December 2. The team will be ready; will you? Let's give them a lot of support this year for a winning season.

SUBJECT: COUNCIL MINUTES IN THE UMFus

Dear Dave:

As one of the old-timers on campus, I want to tell you that the minutes very conveniently reported in the UMFus impress me as the best work by a Student Council that I can remember.

The detailed report of so much constructive work is truly a great boost to the campus life.

Perhaps you and your council members are too busy either with other matters (such as prelims and ballgames) to realize how much work you are doing for the University, but I want you to know that I am expressing a general feeling, as near as I can tell, of confidence in your Council.

Keep up the good work. This promises to be a rewarding year.

Sincerely yours,

John F. Jaques
Assistant Director

PRE-REGISTRATION

Appointments should be made with your advisor before Thanksgiving for pre-registration for spring semester courses.
The 4th meeting of the Student Council was called to order at 4:05 p.m. on November 6 in the Student Union due to the College Day being held in Payson Smith Hall. All were present except Peggy Martin who as an Eagle was needed for that day.

Sue Rosen was chosen with Jack White (alternate) as Intercollegiate Council Representatives. Mary Donahue agreed to be upperclassmen representative to the Council.

Ed Gorham reported on Special Students, and a proposal was made that an amendment be put before the student body; the vote to be included in the Constitution for a representative from Special Students to sit on the Council. George Morrill and Gary Curtis seconded it -- to drop the proposal. It was voted on and not passed.

Ed Gorham was elected chairman of a committee to get petitions to see how many are interested in representation. Don Hoffman and Bob Silva seconded it.

Frank Blanchard reported that the Club Communications board is being completed and will be in use shortly.

Pat Miele reported on the gutters of the Student Union. A project which will cost the state $31,700 is in the process and will consist of a glass roof between Payson Smith Hall and Student Union.

Gary Curtis gave his report on the Constitutions of the Clubs. All advisors have been notified and only have responded as yet. It was agreed by all that if a new club is formed a constitution must be submitted to the Council.

The Young Democrats Club Constitution was then read. Jack Burner moved it be passed -- Gary Curtis seconded it. Frank Blanchard requested a 10 loan for the Young Dems. Pat Miele moved and Ed Gorham seconded it. It was then voted and passed.

Gary reported on "Back Prelim File." Miss Duval said she would set up a file if the professors were in agreement. All agreed that Gary would be chairman with Pat Miele and Jack Burner to check with teachers.

Bob Silva reported on new ideas for a further expansion of the Student Union. Chris Doten reported that her committee had some money to spend on a Union Lounge. Plans are still being made.

Don Hoffman reported on InterClub Council -- a copy of the Constitution has been given to each President to read at their club's next meeting.

After the coffee break, it was decided that continuing coffee breaks be held at other meetings with each individual paying for his own coffee.

DISCUSSION ON LAST FRIDAY'S BULL SESSION:

1. Special hours to take care of all meetings. Mr. Lawrence is trying to do what he can to make it easier for the students. Pat moved we leave it to Mr. Lawrence and Gary seconded it. It was voted on and not passed. Gary then made a motion to see Mr. Lawrence concerning the break in classes for club meetings on Tues. next semester. Ed Gorham seconded it and it was passed.

2. Special rack in library for other college newspapers. Miss Duval is in favor if it is handled thru the student publications. Dick Grotton was appointed to see that it is carried thru.

3. Communications boards -- which are being worked on. Loud speaking systems set up in the cafeteria and have the mayor (John McMennamin) make daily announcements -- Don moved to check with Mr. Lawrence on the possibilities. Gary seconded it. Dick and George will work on it.

4. Dances during vacations and more bands -- Frank Blanchard moved that this item be given to the Inter Club Council if formed. Pat Miele seconded.

5. Representation of the Athletics Department -- Pat Miele moved to speak with Mr. Sullivan and Mr. Sturgeon about who will represent the club. Bob Silva seconded. This was voted on and passes. Pat, Ed, and Jack will see Mr. Sullivan about the matter.

6. Talking in the library -- this is no place to carry on a conversation and there is no specified place to talk if it is necessary.
Discussion on Winter Carnival then began. The theme should be voted on as soon as possible—Judy, Chris, Don and Dave were asked to check on the theme with the student body. Also, Dave will see intercollegiate Council representatives of other colleges to check their themes so there will be no conflicts.

Frank Blanchard suggested that some ruling be made by the library that when a person leaves the individual ask. Frank was put in charge.

Pat Nielle suggested the possibility of another "hootanny" to be held in the Spring. Dick Grotten suggested that it be tabled until later and Don seconded it.

Pat suggested that John McHannam be allowed to come to the next meeting to discuss possibilities of rallying some spirit for the coming basketball games.

Gary Curtis moved the meeting be adjourned. George Orrill seconded it and it was passed.

Respectfully submitted,
Judy DeLocher
Recording Secretary

NOTICE FOR LOCAL SENIORS IN COLLEGE EDUCATION

All full-time day students who expect to complete degree requirements in the College of Education are required to fill out "Application for Degree" forms by December 1, 1963.

SOUND OFF...

As is becoming a rule, more than an exception, the students are being forced to take a back seat to visiting groups. Wed. November 6, is the crowning example.

To allow for visiting guidance people, the student parking lot was closed all day, the library was closed at 2 p.m. what are students supposed to do when this happens?

There was no need to close the lot in the morning when visitors were not due to arrive until 2 p.m. Why should we be forced to park on the street were many received $2.00 violations? The visitors should get second choice.

Why should the library be closed during the busiest class day when it is supposed to be for the benefit of the students?

Why should the students continually be deprived of facilities which they pay for, to allow outside groups to take over?

Perhaps these groups should find other places to meet until there is more room at UMP.

PROFESSIONAL BUSINESSMEN'S FRATERNITY

There will be a meeting of the Professional Businessmen's Fraternity on November 14, at the Student Union at 11:00. The guest speaker will be Mr. Herbert Seymour, Branch Manager at of Maine IBM. His topic will be "The Professional Manager"—a personal approach to the functions and duties of business management.

The UMP Ski Club held its first meeting Nov. 4th. Because of the encouraging turn out, the club proceeded to elect officers and committee heads.

Officers:
Pres. -- Dave Taton
Vice Pres. -- Paul Whitney
Sec. Treas. -- Paula Goode
Committee Heads:
Trip planning* -- Bill Conley
Strips (films, that is) -- Sam Patterson
Constitution -- Bob Goode, Pat Nielle and Dave Taton
Faculty Advisor -- Mr. Hall

Plays are also being made for dry lessons and other instruction. All skiers and non-skiers are welcome to the next meeting which is at 6:00 Wednesday Nov. 13. Come and give it a try. You can't lose. You'll either be reknowned as a great skier or carry a cast as a badge of courage. So come on and give it a try!

NOTE ON "SOUND OFF" ITEMS: Henceforth all "Sound Off" items must be signed. We are running this item only because we may have failed to make this point clear in recent issues.

Readers of "Sound Off" items should check statements of the writers against facts.

1. Could the parking lot be cleared in the afternoon if morning parking were allowed? (2) Doesn't the taxpayer pay more to support UMP than the student?

(2) Won't evidence of overcrowding help us to get more money from the legislature to increase our facilities?
