FRENCH CLUB PLANS HOOTENANNY
"Le Cercle Francais" plans as its first major project, an all French Hootenanny at UMP in conjunction with a food sale. Tentatively planned for December 3, it is hoped that many students will attend.

The officers of the French Club were installed at its third regular meeting last week. Elected were: Lucile Colette, President; Philip LaClair, Vice-President; Doris Dubois, French Secretary; Angiye Woods, English Secretary; and Danny Delaney, Treasurer.

The club, officially known as "Le Cercle Francais", was formed for the purpose of providing any interested student at UMP with an opportunity of getting better acquainted with France, its culture, language, and customs. Future activities for the club may include sponsoring French movies and lectures at the University, listening to French records and attending French plays in the area. The club also hopes to become more closely affiliated with other college French Clubs.

PRE-SALE OF TICKETS FOR STRIDERS DANCE

The Activities Board has okayed a measure to allow a pre-sale of tickets for the Striders dance on November 24. 600 Tickets will be available in Mr. George Van Amburg's office.

In order to purchase a ticket, you must present your blue-edged 1965-1966 ID's as only this year's ID's will be honored. The ID must also be presented at the door of the dance along with the ticket.

Since only 600 tickets may be sold, those who can purchase their tickets early are advised to do so, in order that they will not arrive at the dance expecting to purchase a ticket and find they are all sold out. Tickets will be sold at the door, but only as long as they last.

Hours Preferred: _______
The cross-country team ended their season on the dark side. UMP placed third in the First Annual Maine College Cross-Country Championships on the Maine Maritime Academy course. The scoring was as follows: Colby College 34, Maine Maritime 52, Gorham State College 75, and St. Francis 120. Dave Galli, undefeated up to this meet, had to settle for second place after a close race with Colby's Tommy Maynard. Calvin True placed fifth, but the next runner was UMP. UMP finished seventeenth. This just about ruined any chance for a victory. Despite the "Eye Is 11 comment about UMP having a weak schedule; this year's cross-country team was a vast improvement over the previous teams in UMP's short history.

In Brief - from column 1

Students should pick up their 1965-1966 ID's at the switchboard in PSH.
The weekly meeting of the UHP Student Senate was held, Tuesday, November 9, 1965.

The roll having been taken, the secretary's and treasurer's reports given, the constitutions of the Business Club, International Relations Club, and the Young Republicans were approved.

Clifford Knight offered his report on student employment around the school such as snow removal, working outside and possibly in the cafeteria extension to be put in the present book store. Anyone interested in any school employment should contact Mr. VanAmburg.

There was discussion of Winter Carnival which will be held Feb. 11, 12, 13, and of possibilities of guest groups to be imported for the weekend. Suggestions were the Brandywine Singers, Judy Collins, the McCloys, the Kingsmen, the Birds, and Sonny and Cher.

Dick Baker reported on his interview with Dr. Hansen who is working on a program of educational movies on art, travel, foreign countries. Tickets would be available to the public as well as students. AWS also plans a series of full length movies. Neither of these ideas have been confirmed.

Rep. Gary Libby reported on the amazing interest of the Student Body in the old juke box in the Student Union. Request is made for any available records to be donated for its use.

Among the topics in "new business" was the election of the Carnival queen. It was popularly suggested that the queen be selected by the student body as a move which would supposedly provide a more interesting carnival and more participation among the students. It was notified by Pat Feury that the queen should be elected by the student body and be chosen before the carnival. In order that the queen can actually reign over the carnival from start to finish. Voting for the queen will take place the wed. and Thurs. (Feb. 9 and 10) of the week preceding the carnival. It was decided that the queen will be announced at the concert the first night of carnival weekend.

It was suggested that in the event there is no snow for the sculptures (which presented a slight problem last year) that other materials will be allowed. Also the idea of the Queens being on the judging committee was presented. With this, also unconfirmed, the meeting was adjourned.

Anyone interested in outside work around campus this winter and spring, such as snow removal, please contact Mr. Van Amburg, North Hall.

The lecture in LBH has now been christened as the newest art house in Portland. Although Tuesday afternoon's film didn't star Brigette and wasn't directed by Bergman, the sub-titles were there and the show was well attended by the usual thrill-seekers (the student body). The film was excellent despite the lack of the above-mentioned stars and will be shown again tonight.

The furniture for the library reading rooms has arrived and those rooms are now open for business. Miss Duval is wondering why so many are studying there and the show was well attended by those students.

Every good little UMP boy (not very many) in addition to every bad little UMP boy (an overwhelming multitude) goes to bed with visions of a 10-point buck jumping in front of his rifle. I'll bet my entire allowance, a mere pittance, but all standing between me and the poor house, that no one has come as close to getting a deer as a certain head Eagle. The art of falconry may be obsolete, but this sportsmanlike young lady just missed that deer with her Falcon by a few feet.

The Student Senate is sponsoring a dance this weekend to raise money for the winter carnival. Also, don't forget the Hay Ride at the Double L Stables in Windham on Saturday night. A dance and refreshments are included.

Since this is our last edition before Thanksgiving, the UNPus staff wishes you all a happy holiday and reminds you to uphold the honor of the University long range planning will be done before Thanksgiving, the UKPus staff typical of any state operated institution.

In any case, the face of UNP has changed and will continue to do so. Exactly what UNP will look like two years hence and exactly what position will be in the mind's and hearts of the people are two unknowns. She's changing, growing and serving more people and her future is yet to be cemented into any order. What she will be is up to us. It's a sobering thought.
