TOO LATE THIS YEAR.

The snow will come too late this year,
The gentle snow that covers and cools
Dark earth while it suffers with death.

Let the snow blow deep this year.
We need the white cover that cools
The deep, dark stain of death.

SPORTS NEWS by Dave Morrill

LATE START BRINGS DEFEAT

It was a tense, unsure team that took
the floor for UMF in the first half, a
team which couldn't capitalise on breaks
or make their own. Our offense wasn't
controlling the ball too well, and on
defense it was about the same, for Terry
Carr and Dick Billings could not be
held down. The man from Millinocket and
the former workhorse of Westbrook dumped
in 13 and 14 points respectively, to
account for more than half of their team's
half-time load.

The Vikings picked up one third of
their half time score from the foul line,
which gives only one point instead of
two for each successful shot.

However, the second half was a differ­
ent story. The team combined its efforts
to up its score better than one and one
time.

Dyer and West combined their shooting
and ball handling abilities to make up
the better part of the first half's off­
ense. During the second half, the added
contributions of Moulton, Bourque, and
Cimino gave the Viking offense a surge
that almost put them in front, but that
first-half lag was just a little too long.
Bourque who was in foul trouble, with
four at the half, was sidelined through­
out the better part of the second half.

OUR NEXT GAME

This Wednesday, December 4, Farmington
at home (IJHS) should prove to be an inter­
esting game. The teachers have three of
their five last year's starters and have
added a good ballplayer who fell victim
to last year's session of academic flu. The
prelim at 6:15 will be our "B" Squad vs the
Farmington JV's.

THE PLAYER'S POINT OF VIEW

"Nervous, tense, and no boards." The
timidness of reserves who are not used to
the banging under the boards, combined
with the demoralising shooting of Terry
Carr who went 11 for 12 from the floor,
made the sense of the open back man
caused by the zone overload more real.
The offense, though it came in spurts,
ever let down at the end; we put all we
had into it.

ATTENTION ALL UMF STUDENTS

Starting this Friday, December 6, and
every Friday from 1:00-3:00 pm, Mr. Sulli­
von has made the gymnasium available to all
female students at UMP who are interested
in playing intramural sports; such as
basketball, volleyball, etc.

All girls interested in these intramural sports should sign up in the athletic office or on bulletin boards. To participate in these activities, girls must wear gym clothes and sneakers. Now, because of the girls' use of the gym, the gym will be closed to all male students every Friday from 1:00-3:00 pm.

James Sullivan
Athletic Director
UMF

STUDENT COUNCIL MINUTES

The sixth meeting of the Student Council began at 4:00 pm, Wednesday, November 20. The secretary's minutes were read. Omissions that were omitted in the typed report were as follows:

1. the name decided by the Council for Winter Carnival was "Roaring 20's"
2. a committee composed of Don Hoffman, George Morrill, Peggy Martin, and Judy DeRocher was formed to draw up general plans for Winter Carnival.
3. the name of the cafeteria was chosen Vallesalla by a previous Council. It was decided in order to let the students know, a sign would be put over the counter and pictures throughout the cafeteria. Judy DeRocher was asked to check with Mr. Lawrence and Mr. Whiting.

After these omissions were brought up, the minutes were accepted.

Next the treasurer's report was given:

$1.60 for coffee
3.32 to Businessmens Fraternity
11.92 ($1089.72) balance to date

Old Business

Ed Gorham reported that not enough interest was shown by the Special Students for representation in the Council. George moved the issue be dropped until there be enough interest to merit consideration--Gary Curtis seconded it. Voted on passed.

It was decided to print an editorial in the paper on Dick Grotton's information concerning the bookstore in hopes this would settle the matter once and for all. Gary Curtis reported that over half of the teachers had been contacted on putting a sample prelim on file. He will continue to follow it up.

Dick Grotton reported that some school papers were now in the library and as soon as possible a rack would be obtained and more would be included.

Thus far the Inter Club Council has been approved by the following--Ski Club, Cheerleaders, Circle K, AWS, Masque, and International Relations Club.

The question was brought up if the Owls and Eagles could be represented. It was decided to allow them to attend the first meeting and to see if an amendment could be worked out in their favor. The first meeting was decided to be the first week after Thanksgiving.

Judy gave her report on the cafeteria. Mr. Lawrence and Mr. Whiting both gave their okays. Another week was given to complete the report.

The report on the general plans for Winter Carnival were given next. They are as follows:

FRIDAY
afternoon-huge parade down Congress Street with stunts
night-dance, old movies (our gang, Laurel & Hardy, etc.), dance marathone, charleston contest, fashion show, barber-shop sing along, dance at the end

SATURDAY
morning-judging of snow sculpture, huge baseball game in the snow, skit, coffee and doughnuts
night-formal and semi-formal at a hotel

SUNDAY
spent at some lodge

All final decisions will be left up to the Council. As soon as a date has been chosen, Bob Silva, corresponding secretary, will notify the other colleges in this area of the date and theme. It was decided that a freshman be put on the committee and so Chris Doten was entered and Judy DeRocher withdrew.

Gary Curtis reported that 9 clubs were chartered thus far.

He also reported that the library was going to close at 1:30 on Saturday and open from 2 pm to 5 pm on Sunday for a trial period.

Pat Miele reported on the progress of the rallies. Because of vacation it would be impossible to hold one for the first game, December 2. It was decided that each member of the Council would talk about the game enough to raise enough spirit to have the students sign up for a bus. The council will do all possible to see that the cheerleaders will be able to go. Pat was given the final okay because the Council will not meet again until after the game.

New Business

Dave Blumenthal was invited to the meet-
ing to give his ideas on a students activities fee or class dues. After some discussion it was decided that not enough is known concerning such and Dave was asked to return with his report to the next meeting.

The constitution for the Ski Club was read and passed with Peggy Martin to move it be accepted and Gary Curtis to second it.

Bob Silva in speaking with someone from another college nearby found that many do not seem to be acknowledged. As soon as the PA system has been repaired these are things that will be announced. Dick Grotton moved that if there was no response as such to other notices where there should be a member of the student body present to represent the University then it should be given to the Council at least a week in advance so that the Council might send a representative. Ed Gorham seconded it and it was passed.

Gary Curtis moved that a section be given to each class on the bulletin board downstairs. Jack Burner seconded it. Voted and not passed due to the fact, as Frank Blanchard explained, that there would not be enough room for posters. Ed moved that the section for the posters be sectioned off for space for the classes. Gary seconded it and it was passed.

Jack Burner moved the meeting be adjourned--Chris Doten seconded it--voted--passed.

Respectfully submitted,
Judith DeRocher
Recording Secretary

WEEKLY CALENDAR

DECEMBER 3

SOPHOMORE CLASS MEETING, 10:30 - 1:00, Room 103 Student Union

DECEMBER 4

STUDENT COUNCIL MEETING, 4:00, Conference room
