AVENGE THOSE DEFEATS

Last year's UMP terrific ten let themselves be out-hustled by an undermanned Bates JV team to lose twice; once 62-55 and again 80-75. The Bobcat Cubs, short on talent but long on desire, never let up. They compensated lack of height with positioning to take their share of the boards and capitalize on the lack of Viking unity that seemed prevalent in both games. Last year's big guns for the Bates JV's were Beisswanger (14), Matzkin (17), and Meschler (10) for the first game, while Meschler (17), Johnson (24), Savello (13), and Wyman combined to help their cause in the second encounter.

This year's story should have a different ending. The team, as a whole, is in better physical shape than last year's team, which was plagued with injuries and dissention in the ranks. Any team that can combine to give a two-game, team average of 14 points, when playing mediocre ball, should be able to win the better part of its ball games.

This season's game at Lewiston, December 11, should be interesting. It starts at 6:15 in the Memorial gym. Last week's support was good. Let's keep it up!

"B" SQUAD PULLS SQUEAKER

The UMP "B" squad combined to defeat the MVTI Tech's 54-75 in a tight ball game at Mackworth Island Monday night. Turkington and Lent paced the club with 17 points apiece while Emerson, Trufant, and Davis contributed 12, 16, and 7 respectively. Emerson and Curry left via the foul route in the fourth period with Clark and Eastman taking over.

MVTI was hurting with the loss of the better part of their rebounding strength (Bob Pease) sidelined with an ankle injury; and Bob Carlisle, last year's star, was held to 11 points leaving Lowell (16) and Cousins (17) to take up the slack.

The next "B" squad tussle is on December 19 with St. Francis JV's at Biddeford Pool.

THE PLAYER'S POINT OF VIEW

"Good turn out; disappointing ball game." Last Wednesday's game with FSTC was a disappointing one for me. Although we won, I think that we did not play a good ball game; and I know that we are capable of doing a lot better. I think that we have a very good ball team, and being able to win while playing bad ball only proves this to me.

I couldn't help noticing the good turn out of fans at the game, and I hope that this spirit prevails for the rest of the season. A good turn out of home fans is appreciated by a team, and it helps them to play better ball. So keep up the good work and back up the team.

NEXT HOME GAME--Saturday, 7:00 at LJHS--UMP vs MCI.

STUDENT COUNCIL MINUTES

November 27, 1963

At a short meeting of the Student Council on Wednesday, November 27, the Council decided that it would help the Cheerleaders to buy their skirts and vests by giving them $25.

December 5, 1963

The Student Council meeting was held on December 4 at 4:05 p.m. Members absent were Jack Burner and Gary Curtis. Dave DeTorie was present as a replacement.

The treasurer, Peggy Martin, reported that no money had been withdrawn and the present balance stood at $1089.72.

Reports were then given.

Dave Blumenthal reported on the Student Activities fee and class dues. He and Mr. Lawrence are checking with Orono to see where their Council gets its money and about what they use their money for. Previsouly there was an activities fee tacked on to the semester bill. There is a possibility that it could be done again in the future. There is also a possibility of a class dues. Dave was asked to continue working on this project.

Don Hoffman reported on the Inter-Club Council. There is a meeting Thursday at 7 p.m. Mr. Van Amburg will preside along with Dave Steele. Frank Blanchard was appointed to be the Student Council representative.

Don Hoffman reported on Winter Carnival. Since no further plans were made, Don and
his committee would continue to work on it.

Judy DeRocher reported on pictures for the cafeteria. Mr. Whiting is going to check with Orono to see if it is all right to solicit sponsors or pictures. There is also a possibility that about six pictures be painted for the cafeteria through Mrs. Barney. The matter is being looked into. It was decided that Judy be left in charge to see that something be done about the issue.

Pat Miele reported on rallies for the basketball games. A rally is being planned for December 20 before the big game at the Expo. Pat and his committee are to continue working and the Inter-Club Council will also help.

Frank Blanchard reported on the $100 reserve. Mr. Whiting has to check with Orono. Frank will continue working on it.

New business was then brought up.

George Morrill brought up the problem of absenteeism. After some discussion, it was decided that Bob Silva, corresponding secretary, would send a note to all class officers reminding them of their obligations to the Council.

Don Hoffman brought up the idea that the Council members should hold the Council above all activities. After some discussion, it was decided to let the Election Committee decide whether or not to include the fact that the Council should be held above all extra-curricular activities on the petition filled out by prospective council members.

After the topic was brought up by Judy DeRocher, the Council decided to give the Cheerleaders $20 to $25 to pay for their uniforms.

The council extended its thanks to Dick Grotton for repairing the PA system.

The meeting was then adjourned.

Respectfully submitted,
Judy DeRocher
Recording Secretary
