Dear Daddy -

Here's a promise for your next birthday -  
seats on the 50 yard line at Soldier's Field  
and will make your birthday the start of  
a real football weekend. (I hope my old  
technique of getting tickets at the last  
minute on Saturday noon still works!)

I know that the coming year will  
bring you and Mother all the blessings  
and happiness which you so richly  
deserve.

My deepest love,  
your son,

Sammy
