## **BUSINESS DIRECTORY 12-15-15**

HERE IS THE UPDATED DIRECTORY OF GLBTQIA BUSINESSES. PRINT IT OUT (or be environmentally friendly and save the file) AND HOLD ON TO IT.

There are several requirements for a business or individual to be listed:

- 1). They must be a FAN subscriber.
- 2). The listed business must be GLBTQIA-Owned, or the individual must be an "out" GLBTQIA person providing a service in association with a mostly-straight company (e.g. a gay lawyer in a mostly-straight law firm, a lesbian realtor in a mostly-straight realty office). You will receive one listing for each business. You may select your category. I may overrule your category choice.
- 3). Straight-owned businesses are eligible for listing if they are actively supportive of the GLBTQIA community. Their postings are placed in a separate GLBTQIA SUPPORTIVE ALLIES category. I will be the final arbiter of whether a business is "actively supportive" or not.
- 4). The GLBTQIA business owner, GLBTQIA individual, or supportive straight ally must contact me directly and ask to be listed. No third-party requests for listing will be allowed.

I am not able to verify all listings for accuracy for every mailing of this directory. If you become aware of an inaccuracy, please contact me at [zack@familyaffairsnewsletter.org](mailto:zack@familyaffairsnewsletter.org).

If you are a GLBTQIA business owner or individual who wants to be listed, then contact me. If you know someone who is a GLBTQIA business owner or individual and think they ought to be listed, tell them to contact me. If you are currently listed and need changes to your listing, contact me. If you know a business is listed inaccurately or no longer around, please contact me. I'm Zack at [zack@familyaffairsnewsletter.org](mailto:zack@familyaffairsnewsletter.org)

My name is Vicky Blanchette and I have created studio space in my home to design stained glass and other art mediums, inspired by nature, social justice, creative discovery, and by your ideas! From its humble beginnings in medieval times, glass has been created from sand transformed by fire to give us all beautiful colors and textures to use with light to illuminate gorgeous stained glass art. The studio is located in Bangor, Maine and is equipped with a large light table, two grinders, glass storage, a myriad of tools and supplies, and a lot of work space to handle just about any job. It all starts with an IDEA. From there, the magic begins to unfold through glass. phone: [207-945-6588](tel:207-945-6588)  
email: [lpiper@bangorobgyn.com](mailto:lpiper@bangorobgyn.com)

I am a women's health nurse practitioner and practice at Bangor OBGyn on Mount Hope Ave. I welcome anyone who needs breast and/or cervical cancer screening. I could also include prostate exams if a woman needs one- but won't see male identified, bio-males as patients- (it's not my training). I have not been trained in managing hormones (well, except for menopausal stuff), but it is certainly something I am open to learning about and hearing from my patients as well as contacting other providers who manage hormones. I would encourage gender queer and trans folks to call and ask to speak with me first to id themselves so that I can help get them scheduled safely and respectfully. (ask to schedule with or speak with Lindsey Piper).
