It has been created by and for transgendered individuals. Our funding is derived from contributions by caring individuals of all levels of means. Our strength and independence come from the fact that there is no single benefactor who has seeded the Fund with a large amount of capital. Contributions you make are added to those of your sisters and brothers. Individually, they may seem modest, but collectively they add up to a powerful force that is reinvested in the support of projects fostering the well-being of all our gender variant minorities. (MEGONE) Maine Gay Outdoor Network Events is a yahoo group site/email list for Maine's GLBT? folks (& friends) for posting announcements of outdoor related events. It's not a formal club or organization—just an informal way to let folks know about outdoor activities that they might like to participate in—whether it's a hike, a paddle, camping trip, nature walk, or even a downtown shopping walk—it's up to you. This is not meant to compete with other groups such as the Chiltern Club—it's just an idea that some of us came up with on a recent trip to Baxter State Park :-) So, if you'd like some company the next time you take a hike, go on a bike ride, paddle, etc., just send an email to megone@yahoogroups.com to let members know the details. To join the group, go to http://groups.yahoo.com/group/megone/ Please pass the word along to other gay-related lists/groups—the more people who join, the more opportunities there will be for connecting with like-minded folks for some great outdoor fun. Right now, the membership is "open" to anyone who would like to join....however, if we have any problems with folks who are not gay-friendly, I may change it to a process requiring membership approval. Also, people posting should use discretion regarding publicly posting time/place to meet—you may want to simply say "anyone intersted in details, please email me at ________, or call me at _______" Any questions? let me know! THE WHO, WHAT, WHERE, WHEN, AND HOW OF THE FAMILY AFFAIRS NEWSLETTER.

All communications to FAMILY AFFAIRS should be sent to megress@gwi.net (Be sure to include the words "family affairs" in the subject line).

WHAT IS "FAMILY AFFAIRS" ?

FAMILY AFFAIRS is a free, twice-a-month, social activities newsletter for the GLBTI (gay/les/bi/trans/intersexed) community. It is sent out on the 1st and 15th of each month. It is centered in Bangor and covers a 50 mile radius around the city.

WHO CAN SUBMIT NOTICES TO "FAMILY AFFAIRS" ?

Anyone! This is your chance to organize your own activities and get some GLBTI-family company for those fun and interesting things you'd like to do. Do you want to host a potluck, attend a concert, or have someone to join you on that bus tour to Boston? Are you looking for someone to join you at the hockey or baseball games, for hiking, or to go to that special art exhibit? Are you looking for canceing, golfing, camping, or fishing partners? This is the best place to look. Think up something fun to do, organize

CAN I ORGANIZE AN ACTIVITY THAT DOESN'T INCLUDE "EVERYONE" ?

Yes. People who want to organize an activity for the GLBT and/or I community are free to set whatever requirements or restrictions they want to on the activity they're organizing. If you want to organize a "women only" camping trip, a "men only" drumming night, a "youth from age 18-24 only" dance, or a day trip to a water park for GLBTI "couples with children", that would be fine.

CAN I POST A SOCIAL ITEM THAT'S NOT GLBTI FOCUSED?

But of course! Not everyone who watches women's basketball is a lesbian! If you want to organize an activity around something that is "mostly-straight-but-GLBTI-friendly", then do it!

HOW DO I GET ONTO OR OFF THE MAILING LIST ?

Just email me and ask to be put on (or taken off) the list: megress@gwi.net

CAVEATS:

All newsletters are emailed BCC, and the email list is not given out to anyone. Still, keep in mind that while this newsletter is for the GLBTI community, not everyone on the mailing list may be a "family" member. People ask to be put on the list and I put them on. There is no interview process or attempt to verify "queer" status. It's up to you to behave appropriately for whatever level of anonymity/security you feel you need.
