Dear Ones,

I am just about clicking the sleep out of me - bell and I saw the bells of St. Mary's last night. Mother even with I. Bergman it was a terrible storm, hardly kept awake. Slept until noon today.

I called Agnes solo last night to say hello. Betty in Panama, apparently on some sort of inspection trip. Have just written to Julia, Shanks, Florida, Aunt Sarah & Uncle Barry, and Uncle Arch & Aunt Julia - I think that covers the birthday, etc. that occur this weekend. Spilled a very smart trick.
and left my mail to be answered in the bag I left at Aberdeen! Don't have and the others are just going to have to wait a month or so before I can answer these notes. I just called Mrs. Elizabeth May Craig and left a message about call me when she comes in. I did not call Mrs. Elizabeth because B.J. Harwood and several other Harvard classmates have to come up this week and I wanted to keep tonight free. May still call after all, Sunday is a long day. The weather cleared today and the sun has chased away the rain. When my field jackets come, I will send my coat home for cleaning and storage. I plan to leave here Monday around 10 - I can get a train through to Petersburg it is a few hours trip - not bad. (By my handwriting gets me illegible and
you like yours every day, Daddy! - isn't that a dirty dog?!)

I still have to cash a check and get a money order for shoes. I'll take care of it at the camp bank at 5.

I feel well. I can't deny that but I'm not fully able to shake off my restlessness and discontent that comes from being in the service. But at least it is not my predominant emotional feeling now that I am away from school for a while or on this early Saturday afternoon.
