

11 March

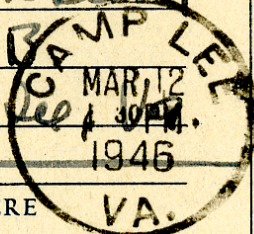

Dear Ones -

Please note the exact address on the reverse side. School looks good - 5 day week - found a bridge game the first thing - and a good one! Seem to be a fairly congenial group of officers due to take the course. The weather is fair, cool and comfortable. Today I start my 4th year in the Army, and tomorrow my 23rd year. Quite an eventful season, huh?!

Not much news - I am
relaxed and hopeful for a
pleasant month ahead.
When is Passover??
