Sunday -

Here it is Sunday; I just
got 10 good hours of sleep
and 2 of relaxation with
Time, Life, and the Readers
Digest. This afternoon I
will go up to the Service Club
and the PX; if the Post
Office is open, I will send
some money home; if not,
I will wait. I'll have to
start buying clothes pretty
soon and I can use the money
for odds and ends.

as I told you a page or

or ago. I gave up my
pass this weekend because
I didn't hear from Uncle Harold.
I think I can get a pass for
next weekend. Have Uncle
Harold write me at my
address (Co B OCS etc)
if he wants to meet me
in Baltimore on next Sunday.
Have him write or write me
his address & when I can
reach him at any rate and
I'll make arrangements directly
with him.

Incidentally if you
ever want to call me

just phone the Co B. 2
ORDERLY ROOM, ORD.

O.C.S. ABERDEEN P.G.

M.D. This should only
be used in dire emergencies
which I trust will not arise.
I just wanted to get this
cleared up, just in case.

Thanks for the Barbara
Webster & Aileen Rice
clippings. I enjoy being
kept up to date.

I am glad the furniture
is all taken care of with Mike.
\$6.00 was a fair price. We
certainly could have got

#12 for it had we sold it.
I guess he got into Flowers
Hill Med. School. I know
next to nothing about it;
Guy could probably tell us
about it.

I know you give my
best to all the folks and
tell them I think of them
even though I don't write.

The only matter left
is the Howard Fund. No
one is more attached to
Howard and what Howard
means ~~than~~ than I who
was unable to have a

normal college life there? I
got a real lump in my
throat when I read Times
description of Class Day and
graduation. I don't have
to be sold the ^{fact of the} need of the
school for a pep fund - to do
with as it likes - not to
buy geraniums or to give
scholarships to orphans named
Murphy. as a result I
certainly want to send in
my contribution but I have
no idea as to ~~amount~~ ^{amount}. I
realize the danger of starting
off as a "big" giver because
you get nailed for everything!!
me. a big giver!!

However I am flush (right
now) and \$10 a year does
not seem to be too much
for me to give. But I'll
let you decide. I'll let
it ride until I see you
all on the last weekend
in July if you wish.

well, I'll continue to
relax today and be fresh
and ready for tomorrow.
