Dear Miss Michaud:

We are all terribly pleaded with the
story. I don't think you could have done better by
us possibly. I hope the enclosed will do for the
first show.

I'll send you some glossies with the next
release, as long as you're using Mr. Rosen with
"Liliom", I still hope you c an [sic] get down some time.
Do try.

Sincerely yours,
Janet Marshall
