As You Like It

AS YOU LIKE IT
by William Shakespeare
directed by Minor Rootes

This delightful romp penned by The Bard, a pastoral romance, is set in the Forest of Arden where lovers duel with words and delicate feelings, and enemies duel with swords and brute strength. Delight in our heroine, Rosalind, dressed as a boy as she courts the affections of good Orlando. Giggle at the antics of Touchstone and the wit of Jacques. Don't miss this great classic comedy.
