Gorham, Maine.

February 26| 99.

My dear Mamma:-

We have

been having just a lovely time.

The girls came yesterday noon

and we have been trying

to make them have a good

time. This morning we went

to meeting. Mr. Smith the

man that grits his teeth

and stutters, preached.

so you see we did not have

such a dry meeting as usual. We

could watch him if we

[Page 2]

did not listen to the sermon.

We did not go to bed last night

until late. We blew our light

out at quarter past ten and

then set [*sic*] in the moonlight.

The girls are reading just

now so I think I will write
a little to you.

I thank you very much
for the turnovers you sent
me they are real nice.

I know by the looks.

One night last week
several of us girls went to
a church supper at the
Cong. Chapel. It is the
first time I ever

[Page 3]

been there to a supper.

We had a lovely time.

Two of the teachers were
there and when the
clock struck seven they
did not make us go until
we finished our supper
so you see we did not
get home until study
hours had commenced.

We planned to take a
walk this afternoon but

the girls are rather tired.

We walked them around

so much last night.

We want them to stay

until Tuesday morning

[*Page 4*]

but I don't know whether

they will or not. They

have fallen in love with

the place and Christine

said she think [*sic*]she would

like to live here. I can't

stop to write much more

because Christine wants

me to comb her hair.

The girls will tell you all

about what we are doing

so I must close now.

With love to all Harriet

There are only three more Sundays

before vacation. Charles is going to

stay out next Sunday so I think the

time will pass quickly. It seems

lovely to have the girls over here.

I don't know of anything that has

[Sideways across top of page 1]

happened to write

about. The girls

will tell you

all about their

visit so you

will know what

we are doing.

Our lessons are

growing harder

and we have

to study a

good deal.

shall be

glad when

vacation

comes although

it is short.

It is late

and I am tired so

must go to bed.

Goodnight.

Harriet
