April the fifth =

My dear Harriet

I was very glad to get  
Your letter but expected to see  
You before this --- How little we  
can tell what will happen I  
cannot tell exactly when I  
can come back but I rather  
expected to go next Monday and  
for my lesson's sake I hope  
I can. I don't feel much like  
studying and don't know  
how I shall get there this term  
the Dr. advised me to stay  
at home this spring \_\_\_\_ I told  
him that I would not study  
hard and that I wanted to  
finish up. He asked me if I  
did now wish that I was going  
to graduate this year – and

You can just (let) that I  
Answered in the affirma-  
tive (isn't that misspelled). I have  
some thing rather funny to  
tell you. I would not write it  
because ---.

I am staying at home on  
Granpa Gules account – he is  
Very sick. Has been ever since  
I came home but not \_\_\_\_ --  
Seriously sick until within a  
Few days. There is a great deal  
Of sickness here.

I went to drive this morning.  
Took a girl who lives next door.  
I cannot do much here ad  
Cannot or do not care to go to  
Abything now. Tomorrow a small  
Party of young people are think  
ing of going up thru the notch  
and round on the other side

Of the mountains – I gave  
up going when I found that  
we could not go before I went  
away but now that it is not  
best for me to go back just at  
present mama wants me to  
go \_\_\_\_\_ - \_\_\_\_\_. Mr. Johnson  
has gotten it up and if he  
comes tonight and comes up  
here this evening I shall go to –  
morrow if grandpa is as  
well.

Mr. Lasker (keep this to yourself).

Went back Monday morning  
Four of his college friends visit-  
ed ^ him part of the time during  
his vacation and I visits  
his sister over \_\_\_\_\_. Perhaps  
we did not have a good time  
but I rather differ.

I asked Mitchell to ask you to save

me a seat beside you at the  
table – will you please?

I would like to know why  
you did not have a better  
time vacation. I am very  
sorry that you didn't. I hope  
that during the summer  
you will plan to carryout  
the plan to visit Sutirvale

I rather think that you  
would have a good time  
alltho I cannot promise  
you one and there I shall  
\_\_\_\_\_ no promise.

I suppose Mitchell of & Flark  
are together all the time

I don't believe that last

So very long.

You must miss Bailey very

Much |?| never mind when

I get there I will come down

To see you and as \_\_\_\_ as

You will care to have me

I am going get supper

Now. I wish you were here

To eat it with me – but pro-

bably you would not \_\_\_\_

as well as you would at

Robie Hall \_\_\_\_ a fine cake

This afternoon myself

\_\_\_\_ \_\_\_\_ ---

Lot of lots of love from

Your true friend

Grace
