Sunday -

Here it is Sunday; I just  
got 10 good hours of sleep  
and 2 of relaxation with  
Time, Life, and the Readers  
Digest. This afternoon I  
will go up to the Service Club  
and the PX; if the Post  
Office is open, I will send  
some money home; if not,  
I will wait. I'll have to  
start buying clothes pretty  
soon and I can use the money  
for odds and ends.  
As I told you a pages or

so ago, I gave up my  
pass this weekend because  
I didn't hear from Uncle Harold.  
I think I can get a pass for  
next weekend. Have Uncle  
Harold wire me at my  
address (Co B OCS etc)  
if he wants to meet me  
in Baltimore on next Sunday.  
Have him wire or write me  
his address or where I can  
reach him at any rate and  
I'll make arrangements directly  
with him.

ever want to call me

just phone the Co B.  
ORDERLY ROOM, ORD.

O.C.S. ABERDEEN P.G.  
MD. This should only  
be used in dire emergencies  
which I trust will not arise.  
I just wanted to get this  
cleared up, just in case.  
Thanks for the Barbara  
Webster & Arlene Rice  
clippings. I enjoy being  
kept up to date.  
I am glad the furniture  
is all taken care of with Mike.  
\$6.00 was a fair price. We  
certainly could have got

\$12 for it had we sold it.  
I guess he got into Flower  
Hill Med. School. I know  
next to nothing about it;  
[Juj] could probably tell us  
about it.  
I know you give my  
best to all the folks and  
tell them I think of them  
even though I don't write.  
The only matter left  
is the Harvard Fund. No  
one is more attached to  
Harvard and what Harvard  
means [*illegible deletion*] than I who  
was unable to have a

normal college life there. I  
got a real lump in my  
throat when I read Time's  
description of Class Day and  
Graduation. I don't have  
to be sold the fact of the need of the  
school for a free fund - to do  
with as it likes - not to

buy geraniums or to give  
scholarships to orphans named  
Murphy. As a result I  
certainly want to send in  
my contribution but I have  
no idea as to [illegible deletion] a[illegible deletion]mount. I  
realize the danger of starting  
off as a "big" giver because  
you get nailed for everything!!  
Me, a big giver!!

[Page 6]

However I am flush (right  
now) and \$10 a year does  
not seem to be too much  
for me to give. But I'll  
let you decide. I'll let  
it ride until I see you  
all on the last weekend  
in July if you wish.  
Well, I'll continue to  
relax today and be fresh and ready for tomorrow.  
Love,  
Sumner
