[Letter]

Dear Miss Michaud:

Thank you for your letter, for your enclosures (which are excellent) and for your invitation to send you information about the Mordkin Ballet. I shall be delighted to send you both.

I am enclosing reviews of our Chicago engagement, which not only give news of our tout, but show Lewiston how just it was in its reception of the ballet before it was seen in Chicago. Our New York engagement begins next week and I shall be pleased to send you further material.

Your dance column interests me and I wish you would be kind enough to send me, when you have the opportunity, copies of it.

Yours very truly,

Richard Pleasant
