

That Charlie
is going to
stay out
over Sunday
Don't for
worry about
me!
I must go
to studying
now.
Harriet

this may be perhaps my
being unwell had something
to do with. I did not feel
sick at all until I had
that funny feeling since
Thursday morning.
I have written to grandma
and have sent her two
pictures for a birthday
present! I think of making
some calanders for Christmas
and putting some picture
on the top of them. I have
a splendid picture of the
two buildings together and
I shall send one to you soon

P.S. I did not mail
this letter
this morning
but I am
going to send
it down to the
room mail
I feel much
better today.
It is almost
time for me
to go home.
Tomorrow.
class. It is
such a
glorious day

Gorham Maine
October 22nd 98.

Dear Maamma:-

It is raining
very hard and it look as
though it might rain so all
day. I have not been feeling
very well the past three days.
Last Thursday morning Grace
and Charles were in our room
and we were fixing some
pictures and Annie said to
me "What is the matter with
you, your face ^{is} all purple".
I told her nothing was the
matter and she said I

looked awful queer and
in a few minutes I began to
feel awful funny. I was so
dizzy that I had to go and
lay down and I turned as
pale as a ghost. The girls
thought I was going to faint
so they run for some water
I felt better in a few moments
only my heart was beating
quite hard. I stayed at
home all day and I felt
funny all day. I had to lie
down all the forenoon. That
night I could not get to sleep
until after twelve o'clock
and yesterday morning
I got up with a terrible
head ache but I went to school

If I tried to hurry going up
stairs it would make my
heart beat quite hard for
a few moments. Last night
my head ached so that I
had to go to bed at eight
o'clock and learn my lessons
I went to sleep and woke
up when Eunice came to
bed feeling much better.
I sleep well all night and
am feeling very well this
morning. I thought some
of coming home to night
and staying until Monday
night but it is raining so
hard that I cannot.

I don't know what was
the cause of my feeling
