My dear Mamma:-

We have
been having just a lovely time.
The girls came yesterday noon
and we have been trying
to make them have a good
time. This morning we went
to meeting. Mr. Smith the
man that gets his teeth
and stutters, preached
so you see ~~would~~ not have
such a dry meeting. ^{as usual} We
could watch him if we

did not listen to the sermon
We did not go to bed last night
until late. We blew our light
out at quarter past ten and
then sat in the moonlight.

The girls are reading just
now so I think I will write
a little to you.

I thank you very much
for the turners you sent
me they are real nice
I know by the looks.

One night last week
several of us girls went to
a church supper at the
Cong. Chapel. It is the
first time I have ever

1861
been there to a supper.
We had a lovely time
Two of the teachers were
there and when the
clock struck seven they
did not make us go until
we finished our supper
so you see we did not
get home until study
hours had commenced.

We planned to take a
walk this afternoon but
the girls are rather tired
we walked them around
so much last night.

We want them to stay
until Tuesday morning.

but I don't know whether
they will or not. They
have fallen in love with
the place and Christine
said she thinks she would
like to live here. I can't
stop to write much more
because Christine wants
me to comb her hair.

The girls will tell you all
about what we are doing.
So I must close now

With love to all I remain

There are only three more Sundays
before vacation. Charles is going to
stay out next Sunday so I think the
time will pass quickly. It seems
lonely to have the girls go here.
I don't know of anything that has
