for a New World

New Teachers

NEW TEACHERS FOR A NEW WORLD

Our theme, "New Teachers for a New World", must sound familiar as it has been used often in addresses, magazines, and books. The phrase, "New Teachers", at first thought seems to be very ordinary and is used over and over in the educational field.

To us those two words have a very significant meaning. They do not mean simply that young men and women just out of college are going into the teaching field and are "new" at the profession. They mean that these people graduating from teachers colleges throughout the nation are going out with new and fresh ideas, with progressive methods that teach a child to be a citizen along with teaching him his subject matter, and with the advice handed down from famous educators and from people experienced in the profession.

It is the aim of teachers colleges to steer their students away from the stereotyped methods which are now associated with the old schools. With our society growing more complex year after year it is important for the child to learn the great responsibility that goes with his being a citizen of our country. Where else but in the classroom, which reaches children of all classes, colors, and creeds, could he better learn the fundamentals of democracy and have an opportunity to practice them?

We have a "new world". It is a world that is changing every day. We see it every time we read a newspaper, pick up a magazine, or listen to the radio. Even our government has had to make adjustments to this rapid change. Teaching methods of one hundred years ago do not meet the requirements of our modern society. All of us have to make adjustments, some consciously, most of them unconsciously. Therefore we present to you, "New Teachers for a New World".

SENIOR HISTORY

By VIRGINIA ANDRE

Just about every senior class remembers the opening day of school when, as freshmen, they met in the old gym for a pep talk by Mr. Woodward as he handed out the schedules. We remember, too—remember with smiles, chuckles, and a tinge of sadness all those feelings of independence, awe, and homesickness.

Our freshman year was fairly uneventful as we were too busy making friends and adjusting to our new surroundings. We did try to think of ways to raise money but these ideas were put aside for another year.

Our pride and joy of our freshman year were our seven male members of the class! Hal Mailman, Ronald Murphy, Lionel Fountain, Dick MacDonald, Ray Smith, Russ Becker, and Francis Lucey were the apples of our eyes and were welcome on a campus otherwise devoid of young, unattached men!

Our sophomore year found us one step higher on the stairway to success. Since we were now well-acquainted with ourselves, our teachers, and our surroundings, we began to take part in many extracurricular activities including dramatics, music, sports, and various clubs. Once again we talked over plans concerning raising money by putting on a class show, and once again we postponed this for another year. In May we went to Sebago Lake Park for our class outing, thus ending our second year at Gorham.

Most of us will agree that our junior year was the most successful of the four. This was due to our very successful class show called "Gaslight Follies"—an all-student production. Who can ever forget the old-fashioned melodrama, the Barbershop Quartet, the Flora Dora girls, and the Park scenes? That it was a great success was very evident, especially by the sudden increase of money in our treasury!

This year we said goodbye to some of our classmates who had taken the three-year course and were graduated in June. We wished them the best luck in the world, but couldn't help wondering how we would be feeling the following year when we would be in their place.

Our senior year brought us many busy moments. We still were fairly active in extracurricular activities, but not to the extent that we had been the previous two years. Half of the class did its practice teaching one semester, and half of the class the other semester. This broke up the class for activities, but it didn't keep us from having a good time. We held an outing at Gun Point in October and some of us are still talking about the good time we had. After the half, time just flew by with teas, talks of minimum salaries, fittings for caps and gowns, class parts, and thoughts of saying goodbye to our roommates and friends.

Our four years have been good ones here on the hill. They are years we'll cherish for the rest of our lives with many happy memories.

CHEERLEADERS

The cheerleaders, just like the team they were cheering for, got off to a wonderful start this season. The squad had a new addition this year of two male members. Under the sponsorship of the W. A. A. they purchased new uniforms. For the girls these consisted of forest green jumpers with white blouses, and for the boys, white pants and white sweaters. The cheerleaders also had all new cheers this year. One of the most vivacious was the military cheer which goes:

1—2—Attention
Squad left,
Squad right!
Gorham hit 'em,
Gorham fight!
Ready, Aim, Fire!
Boom!!!
Gangway!
Give us room!

The enthusiastic cheerleaders made many rooters enthusiastic. On the cheerleading squad this year were:

Ramona Lancaster, Head Cheerleader
Melissa Dunn
Joe Ouellette
Frances Hawkes
Bob Lawrence
Barbara Moulton
Nancy Chittick
Substitutes were
Rosalie Preble
Fleurette Roux
Joan Mosher

THE HILLCREST BOARD

The Hillcrest Board has but one function, that of producing the annual yearbook. To those of you who wonder what the board does, its many duties include having the pictures taken representing the seniors and the many clubs on campus, seeing that each organization is written up in a manner so that in years to come the readers may be able to recall what his or her club did that year, and to make it possible to produce the yearbook, collecting advertisements from the local merchants and business organizations. The last and final duties are putting everything into form to compose a yearbook and seeing that it gets off to the publishers.

This year a very important change was made in the yearbook. Several suggestions were made to the board that the name of the publication be changed. These suggestions were handed over to the Student Government Council which in turn presented them to the student body as a whole. After receiving many names for the new yearbook, the Student Government Board presented a list of suggested names which included the old name of "Green and White" to the student body for its selection. As a result the name *Hillcrest* was elected by a student majority to be hereafter the name of their yearbook. The board is very pleased with cooperation given by the students. Hats off to the new Green and White *Hillcrest*.

FACULTY-STUDENT GOVERNMENT COUNCIL

The Faculty-Student Government Council is made up of representatives from the classes, the various clubs on the campus, and the faculty.

Its chief function is representing the student body in working out the affairs of the school. Among these affairs is the allocation of money from student fees to the various clubs and organizations.

This organization is in charge of putting on the three formals at the college, the Harvest Ball in November, the Valentine Ball in February, and the Graduation Ball in June.

Each year two students and a faculty member are sent to the Eastern State Teachers College Conference in New York. This year upon the nomination of the Council Pauline Stewart and Russell Becker accompanied by Miss Edna Dickey were elected by the student body to represent the college at the convention.

The House Committee is the student government of the dormitories. It assisted in the promotion of good citizenship by carrying out regulations, by such services as collection of mail, turning out lights, ringing bells, and keeping books, and by encouraging quiet during study hours.

The House Committee seeks to promote social functions and general welfare of all women students. It had an annual Hallowe'en party and a Christmas party in Center with games, jokes, refreshments, and laughter. It also supplied magazines and other small necessities. It sponsored a booth at the Y. W. C. A. bazaar for the benefit of the W. S. S. F. fund.

House Committee officers and members are elected twice a year by dormitory residents.

The Outing Club had an active season again this year with even a larger roster of members than before. Early in the fall the club made an all day excursion to Pleasant Mountain in Bridgton.

The outstanding event of the year sponsored by the club was the annual winter carnival and coronation of the queen. By popular vote Estelle Pedersen was elected Carnival Queen of 1949.

The club also sponsored several splash parties at the Portland YMCA for its members as well as encouraging all other outdoor events.

Through its program of worship, study and recreation the YWCA desires to aid its members in character growth and personality development.

Highlights of the year included the Freshman Orientation Week, the Big Sister Program, the Freshman Reception, the Candlelight Service, the Christmas Program and installation of officers. All these activities were planned at the "Y" Cabinet Retreat in May.

Every Thursday night is devoted to our programs, which carry out the essential aims of the organization. During the Lenten Season the Canterbury Club and the "Y" joined in a series of Lenten services with speakers.

The YWCA Choir, directed by Jean Goodwin, was prominent in activities here on campus and in the New England Teachers' College Conference.

A conference on Civil Rights and Academic Freedom was held here on our own campus with representatives from many colleges in this area attending. Miss Ellanore Edwards was conference chairman.

One of the highlights of the Newman Club's activities this year was the Christmas party it gave for the Sunday school classes of Catholic children of Gorham.

One of the club's projects this year was to assist in teaching Sunday school followed by a Communion breakfast.

As its contribution to the W. S. S. F. drive, the Newman Club sponsored a spring dance in conjunction with the Carnival that was being held.

The Canterbury Club is an organization of the Episcopalian students on the campus. It has carried on this year a religious education program as well as providing for devotional services.

During the Lenten season it worked in conjunction with the Y. W. C. A. in sponsoring weekly worship services. Various Episcopalian rectors were invited to conduct these services.

This year the club continued its study of different religions by inviting various speakers to the meetings. This proved beneficial to the members by giving them a clearer understanding of the different religious sects.

To carry on its work in the devotional services the club provided for early communion services conducted in the teachers' room in Cortell Hall for its members.

A few of our numerous activities ranged from musical varieties, picture tinting, and splash parties to book reviews. Some of the most successful enterprises of the club were the many sandwich sales which were held in the dormitories. Our final activity was a banquet for all members of the club.

MISS ETHELYN UPTON, } *Faculty Advisors*
RALPH DUSO, }

The programs of the Walter E. Russell Chapter of the Future Teachers of America this year were very interesting. During Education Week the F. T. A. sponsored speakers for chapel. Other speakers spoke at our meetings. Miss Ellen Dyer acted as Program Committee Chairman.

This year there was a meeting of all the Maine Chapters of F. T. A. held at the Maine Teachers' Convention in Portland. Miss Janice Upton and Michael Anthony participated in the panel discussion as representatives of Gorham. We are looking forward to next year when the meeting in Bangor will be under the leadership of Gorham.

ART CLUB

ROSALIE PREBLE, *President*

DAVID ROBINSON, *Vice-president*

ROSE MAXWELL, *Secretary*

DEBORAH SCRIBNER, *Treasurer*

SAMUEL BROCATO, *Faculty Advisor*

The Art Club was organized for the purpose of group sharing and individual growth in art crafts and appreciation. This year many projects were entered upon by the club.

Some of the most successful were a chapel program presented to the student body and an exhibition of the work of the members which was open to the public. Four hundred Japanese prints were included in this exhibit. Tea was served to the guests afterward with the members of the club serving as hosts and hostesses.

Work in crafts consisted of making bookends, soap carving, and working with water colors and oil paints.

DRAMATIC CLUB

LOIS BENNER, *President*

ELEANOR TOBEY, *Vice-president*

DAVID JOHNSON, *Secretary*

IRENE WIGHT, *Treasurer*

BARKSDALE MACBETH, *Librarian*

RALPH DUSO, *Faculty Advisor*

It is interesting to note that this year all productions in the Dramatic Association have been completely produced by the students themselves. This is true of every phase in drama: acting, directing, stage technicians, make-up, and costumes.

The first major production of the year was "January Thaw" which was directed by Eleanor Tobey. This met with a great deal of success and enthusiasm. Following "January Thaw" came an evening of one-act plays which included "Strange Road", "One of Us", and "They Also Serve". The latter, a choral selection, was produced in conjunction with the Art and Glee Clubs and originally was given as a benefit production. The final major production of the year was "Little Minister" which was under the direction of Fred Verrill. This production received many favorable comments and brought to a close another happy and successful year.

POLITICAL DISCUSSION GROUP

The Political Discussion Group started again this year opening its membership to all students with Miss Esther Wood as faculty advisor. Chairman was Lois Benner with Freda Leupold, Pauline Stewart, and Lincoln Anderson as directors who were responsible for the programs.

Mrs. Cora Roberts of Westbrook, a trustee of the school and also an elector from Maine, spoke to the group about Inaugural festivities which she attended in Washington, D. C.

The group also held a debate in chapel on Civil Liberties voicing opinions of both the North and the South.

Among the timely topics discussed at the weekly meetings were the North Atlantic Peace Pact, Crisis in China, Problems in France, the Supreme Court and the Public Schools, and Measures and Issues before the Maine Legislature. We feel that these meetings have done much to stimulate interest in current events among the students who participated in these discussions.

MEN'S GLEE CLUB

The Men's Glee Club this year has worked in conjunction with the women's in producing several presentations at the college.

For the benefit of the W. S. S. F. it worked with them in presenting "They Also Serve". At Christmas it presented the annual Christmas Cantata.

In addition several groups from the club have put on special numbers in chapel programs.

YOUNG MEN'S CHRISTIAN ASSOCIATION

During the winter months a small group of young men met at Dr. Bailey's home to form a Young Men's Christian Association. This new organization chose for its officers:

VICTOR LANDBERG, *President*

RAYMOND FLAGG, JR., *Vice-president*

DAVID JOHNSON, *Secretary-Treasurer*

ALBERT LACHANCE, *Representative to the Civic Council*

At our weekly meetings we have discussed topics of interest to Christian young men. We give our thanks to Dr. Bailey for his pleasant hours of Christian fellowship and wisdom, and look forward to next year with anticipation of an active club.

The Women's Glee Club opened a most successful year early in the fall by accepting the project of replacing the school songs as printed in the back of the auditorium hymnals.

The first appearance of the group was in conjunction with the men's group when we presented an evening of song at the First Baptist Church in Saco on Sunday, October 24th.

On November 18th the Women's Glee Club was again joined by the men and a program presented at the Portland Gorham Normal School and State Teachers' College Alumni Association.

On November 23rd the Women's Glee Club presented a chapel program.

The annual Christmas program was presented on December 19th. A cantata "The Manger Throne" by Charles Manney and groups of carols from various national groups were sung by individuals and sections from both glee clubs.

An April 6, 1949, the united Glee Clubs joined with the Art Club and Dramatic Club to present the choral reading pageant, "They Also Serve" for the benefit of the W. S. S. F. Fund Drive. Previous to this presentation, the separate and combined glee clubs presented a short musical program. The finale of the evening was our rendition of "Battle Hymn of the Republic" as arranged by Roy Ringwald.

We again united with the men's group to broadcast over a local Portland station.

During the Winter Carnival Snow Sculpturing Contest the Women's Glee Club's model of the RCA Victor dog won first prize, and the engraved cup was presented to the Club on March 16th.

This year there were 55 members in the club, including girls from each of the four classes.

AMICITIA CLUB

GIRARDINA PAYNE, *President*
 PATRICIA STEVENS, *Vice-president*
 GENEVIEVE HOUSTON, *Secretary*
 NELLIE PAGE, *Treasurer*
 MISS GENEVIEVE CLARK, *Faculty Advisor*

The Amicitia Club joins together girls on the campus who have a common interest. Miss Genevieve Clark was our faculty advisor.

This year the initiation was held early in January at which time nine girls were taken in, raising our membership to the maximum of forty.

During the Christmas season we collected toys and articles of clothing to make the holiday a little merrier for some families. Three dances were sponsored by the Amicitia Club during the year.

In February the theme "What to Wear the Year Round!" was well illustrated when a style show was held in Center. Faculty, women students, and many friends of the college attended.

For the first time in many years we held a banquet at Dot's Restaurant. Here we had speeches given by the officers and several of the members provided entertainment which made it an evening not soon to be forgotten by the club members.

In April the annual Faculty Tea was held in Robie Reception with the club officers pouring. The room was very attractively decorated with spring flowers and Easter favors.

COMMUTERS CLUB

HERMAN FOSTER, *President*
 RICHARD BEARD, *Vice-president*
 JANICE COPELAND, *Secretary*
 HORTON BRIGGS, *Treasurer*

The Commuters Club is very proud of its large membership. Its members have worked earnestly and conscientiously for its success and popularity. The results may be seen in our very full activities calendar.

Social activities of the club have included several outstanding dances, especially the novelty "sock" dance, and banquets which were cooked and served by the club members.

The Recreation Room in Corthell Hall through the efforts of the Commuters Club and under leadership of Mitchell Salim has been kept open and has been newly decorated.

The Tuesday morning apple and ice-cream sales were profitable and very much appreciated by faculty and students alike.

ALPHA LAMBDA BETA

CURTIS TOLMAN, *President*
 HAROLD MAILMAN, *Vice-president*
 ROBERT BOLDUC, *Treasurer*
 FRED VERRILL, *Secretary*
 BARKSDALE MACBETH, *Chaplain*
 CHARLES MARTIN, *Faculty Advisor*

Alpha Lambda Beta has increased greatly in size this year with the addition of ten new pledges. Through them it has become actively engaged in sponsoring social affairs on the campus.

Among Alpha's activities on campus this year was the introduction of the "Casba", a night club affair with music furnished by records combined with movie-dances, which was held in the gym. An added attraction was the presentation of the mysterious "Fatima". The frat hopes that it has started a precedent with the Casba and that it will become an annual event.

As Alpha Lambda Beta enters into its third decade of activity on the hill it is becoming increasingly active in the social life of the college.

KAPPA DELTA PHI

Iota Chapter of Kappa Delta Phi Fraternity has had the honor and distinction of holding the Kappa President's Cup, which is annually awarded to the chapter which has shown the most improvement and had the largest group of delegates in attendance at the National Convention held each year in Boston.

Some of the activities which the frat has held this year are the cabarets in East Hall dining room, the tea dances in Center, and the monthly smokers held in Sawyer's Hall. At these smokers educational speakers or movies, and refreshments are provided.

This year for the first time a scholarship has been the project of the chapter and is to be presented to an underclass member who has shown potential characteristics of a leader in the educational field.

MEN'S ATHLETIC ASSOCIATION

WILLIAM JORDAN, *President*

CLARENCE COOMBS, *Vice-president*

NORMAN RAU, *Treasurer*

KEITH GRANT, *Secretary*

The M. A. A. is a leading association in the athletic program on the hill. Through its leadership many necessary improvements have been made in the program.

The new electric scoreboard which everyone enjoyed at the basketball games this past winter was a project conducted by "Bill" Jordan. With the support of the entire M. A. A. the project was carried through and paid off to the satisfaction of all concerned.

This past season we have been fortunate in increasing our enrollment of many young athletes from the various high schools in the state. Through them we hope to expand our athletic program thus attracting many more into our organization.

At present varsity basketball and baseball are the major sports. Also a well-balanced intermural program of volleyball, tennis, softball, and winter sports has been conducted.

Social events also are held by the M. A. A. and the after-game dances always proved popular.

W. A. A. BOARD

ELEANOR CARVILLE, *President*

JEAN ELLEN SMITH, *Vice-president*

HELEN KNIGHT, *Secretary-Treasurer*

MISS DORIS FITZ, *Faculty Advisor*

The purpose of the Women's Athletic Association is to encourage girls to participate in the various sports and activities which it offers. The association is headed by a board whose officers are elected by the student body. The other members of the board are the counsellors for the various women's sports on campus. The board plans the schedule of the sports and determines the point system of awards.

One of the first activities of the board was to choose the cheerleaders for the basketball season and at the end of the year the board awarded them letters.

During the year the W. A. A. has sold sweatshirts, T-shirts, decals, stickers, emblems, and jackets to give the students an opportunity to purchase these things.

One of our most pleasant trips was to Nasson College for a game of basketball. Later the W. A. A. invited them to our campus for a game of softball. Another enjoyable activity of the year was the Play Day with Farmington held here on our campus. Teams were chosen for the various sports, points were scored and prizes were given to the winning team at the end of the day. This is an annual affair and it is hoped that it will be continued to create a cooperative spirit among the neighboring colleges.

Acknowledgments

The making of a yearbook is a cooperative endeavor requiring the active help of the people whose college life is chronicled as well as the technical skill of commercial craftsmen. The *Hillcrest* editors wish to express their appreciation to the following persons and groups who helped in publishing this yearbook.

To Mr. Benrimo and associates of Purdy's Photographic Studio for their good natured patience, speed, and skill.

To Mr. Brocato for emergency services without which we would have been sunk.

To Mr. Corey and associates of the Portland Engraving Company for kind advice beyond the line of duty.

To the Kennebec Journal Print Shop and Phototone Cover Company.

To staff members and students of the college for cheerfully meeting appointments.
