CLASS ODE

*There's a highway of life that leads from thy door,
Dear school that stands high on the hill.
And we're leaving today this new path to explore,
Our ambitions and hopes to fulfill.
The path may be rough or the path may be smooth;
But whichever with us it may be,
We will never forget the dear school on the hill
Through the years which the future may see.*

*On the highway of life that leads from thy door,
Oh beautiful school on the hill,
We will find many others who've gone on before
Who are teaching and laboring still.
The paths they have chosen have often been rough
But they've worked and achieved with a will.
And may we live and teach like all those gone ahead
Bringing fame to the school on the hill.*

Leona M. Stewart
