#### TO THE CLASS OF 1933

*Music: Pale Moon by Logan*

*Far from these halls we've known so long  
Our steps will soon be turning,  
And visions of our school-days past  
May fill our hearts with yearning.*

*In vague and wistful dream will rise  
Days spent with class-mates dear,  
And all the melody of youth  
Flood o'er our wakened ear.*

*Gone are the hours each shared with each  
In common joys partaking  
As o'er the threshold of the years  
We pass to life's awaking.*

*Come, let's forget that we shall share  
In joys and cares no longer;  
We'll toast our class and bind our hearts  
In friendships ever stronger.*

*Mildred McAllister*
