

Say just what you
think best about my
coming home
Saturday only let
me know as soon
as convenient. To-
morrow (Friday) if
you can. If not Saturday.
Well it is nearly
time for this letter
to go so must
close

With love to all
Harriet.

My dear Papa:-
Receiving
your check all right
and have paid Mr.
Corthell.

Grace and Eunice are
going home Saturday
night and I will do
as you think best.

Next Saturday night
if pleasant will be
about the best time
for me to go if I
go at all before our
vacation the last of
March.

Oh the slighing is fine and I
want a ride so bad that I
hardly know what to do.

They race horses down on Main St.
every night and that is the only
exciting thing that there is going
on here.

German measles are having quite
a run here in the school. You
can have them more than once
so I stand as good a chance as
anyone in getting them but
I don't think I shall get them.

It looks now very much like a
storm and if it does I hope it
will not be rain. The walking
has been slippery enough lately
and is just getting good again.

I will send you the receipt for
my board in this letter as
I have no use for it. I doubt
if you can read any of it.
