CLASS ODE

*As future turns to yesterday
And all tomorrows are today,
We move along the chosen way,
Each to seek his place.
The upward way leads upward still,
And by the spirit of the hill
Our lives are guided on until
Success rewards our striving.*

*From tasks we've conquered side by side
With willing hands to be our guide,
We step along the way untried,
The challenge to accept.
Yet in our hearts will ever be
A place throughout eternity
That stands a happy memory
Of days forgotten never.*

Chorus:

*Gorham Normal, praise to thee!
Loyal sons and daughters, we.
May thy standards always be
A goal to speed us onward.*

— Ruth Alden
