CLASS ODE

*In the midst of blue horizon
And the early dew of dawn,
Youth, the challenger of life, is roving,
Searching, strong with hope,
For one quivering ray of light
To fill his empty longing.*

*For this searcher, ever roaming,
We must make the pathway clear,
Give him vision for the future,
Teach his heart to sing,
Fill his longing, quench his thirst,
While breaks the dawn of knowledge.*

*We must teach him understanding
Of himself and of his world,
Show him all are born to live as brothers
In life's sacred plan,
Send him forth mature and wise,
In service to all mankind.*

Words by Rosalie Barden

Music by Venita Conant and Jean Goodwin
