UMPIRE

59

THE UMPIRE

1959

PUBLISHED ANNUALLY BY THE STUDENTS OF
THE UNIVERSITY OF MAINE IN PORTLAND.

VOL. 1

PORTLAND, MAINE

NO. 2

The new temporary labs.

FOREWORD

I sincerely hope that this second edition of the UMPire serves you, the students, faculty and friends in your memories of the 1958 and 1959 school year.

The staff has worked hard to give you what you deserve, the best that we could offer, and we hope that we have lived up to your expectations.

As Editor-in-Chief, I would like to offer my thanks to all who have helped to produce this finished product—your book. Without a doubt, the art work will be as popular as the photographs and so we appreciate the talent of Ed Colley on the staff.

Jim Hansen and Jim Stewart put many hours to good use working on the book and Fred Cole and Bob Frost have given you most of the photos. The Sports section was the effort of Bob Brueck, and Al Chase did a fine job on the sales promotion end of the book.

Thanks also to our faculty adviser, Mr. E. B. Fred Clark, and to the Portland Lithograph Company.

A section of the book that is very important to us is the Advertising Section—sincere thanks to each advertiser because without them, our book would not be possible.

Our thanks to you for your purchase of the book and may it always serve you as a guide for fond memories.

YOUR EDITOR.
Ernie Bradbury.

DEDICATION

We, the class of 1959, dedicate this second edition of the UMPire to you, Dean and Mrs. William Irvine.

Dedicated to you and your leadership, may you have great success and happiness at the University of Maine.

So to you and the University of Maine in Portland, a happy and growing future!

Humpty Dumpty

LADY IN THE LAB

A lady in the lab is UMP's most attractive and interesting addition this year.

Forester, zoologist, ornithologist, writer, newspaper columnist, instructor, pace setter and avid disciple of Thoreau sums up Mrs. Mary P. Sherwood.

She received a B.S. in forestry from University of Connecticut; M.S. in zoology and wildlife management from Cornell, Louisiana State and Universities of Florida and Miami.

Mrs. Sherwood has had numerous scientific and semi-scientific articles published. Outstanding among them are a 32-page pamphlet on birds published by Cornell; "Camping by a Bird Stage," the feature article in the Florida Naturalist, January, 1957, and a weekly natural history column for three years in the Bridgeport, Connecticut, **Post**.

In a man's world, the gentle lady in the lab has made her mark. She was the first female State Nature Guide (Connecticut) in the U.S.; first woman to hold a State Junior Forester position (Wisconsin) in this country and the second woman nationally to receive a degree in forestry.

Edward Dorian

But UMP's addition is leaving Maine and next year, Mrs. Sherwood will be teaching in Concord, Massachusetts.

Recently her classes went on a field trip, and this plus a few other trips added a great deal of interest to the botany classes.

Just as graduates leave but never forget UMP, so Mrs. Sherwood leaves — but her students will never forget "The Lady in the Lab."

SPORTS

COACH BALLOU

Mr. Ralph Ballou, Director of Physical Education and Athletics, is a graduate of Springfield College, class of 1950. He prepared for college at Ansonia High School in Connecticut. He attended Springfield College prior to serving in the Marine Corps during World War II. He was active in wrestling and the physical education program at Springfield College. He also did graduate work at the Berkeley Baptist Divinity School from 1950 to 1952, and holds a master's degree from Springfield College. After leaving Berkeley, he was made varsity wrestling coach and instructor of physical education at the University of Massachusetts during 1953 and 1954.

Mr. Ballou, who is leaving this year, will be greatly missed. We wish him the best of luck and trust he finds Oregon to his liking.

Front Row: Ray Smith, Ray Miclon, Pete McCann, Leroy Chipman, Bob Lahey and Rick Smith. Second Row: Coach Ballou, David Finkelstein, Gerald Jordan, Terry Christy, Ed Young, Stephen Gain, Aaron Burke, John Bickford and Roger Gagne.

BASKETBALL TEAM

The team brought UMP its first Western Maine Small College Championship. Ed Young led the team in scoring with all the members of the team contributing and producing their share of points.

The games that were lost were few and usually by not more than two or three points. UMP played well against Maine in Orono losing by only two points and losing to Colby by one point. All the members of the team are to be congratulated for a fine season.

Front Row: Dick Leduc, Ed Rogers, Bob Brueck and Bob Palmer. Second Row: Gerald Jordan, David Finkelstein. Absent: Ed Colley, Herb Thibideau, Stu Keenan and Mike Nappi.

SOCCER TEAM

Since this is only the second year that the game of soccer has been in existence here on our campus, we couldn't expect the boys on our team to be world beaters.

The team did show enthusiasm and good sportsmanship in the games. Led by Bob Brueck, Eddie Colley and Eddie Rogers, the team took to the field four times and after playing their hardest, met defeat on each occasion. The only veterans to return from last year's squad were Bob Brueck, Eddie Rogers and Bob Palmer and Eddie Colley. Joined by newcomers such as Jack Power and Gerald Jordan as wings, goalie Dick Leduc and defense men Herbie Thibideau and Mike Nappi, the team showed spirit and drive throughout the season. The "booters" were hurt part way through the season by the loss of Bob Palmer who suffered a pulled leg muscle and Bob Brueck because of a broken arm from the first St. Francis Game.

The team was made up mostly of freshmen, so the outlook for next season seems bright.

UMP	0	Gorham	10
UMP	3	St. Francis	7
UMP	1	Nasson	10
UMP	0	Bowdoin (frosh)	10
UMP	0	St. Francis	7

Kneeling: Ernest True, Dale Doughty, Aaron Burke, Pete McCann and Stephen Gain. Standing: Mr. Ballou, Richard Whitmore, Terry Christy, Leroy Chipman, Dick Esteys, Dale Doughty.

BASEBALL

The baseball team had a tough-luck season. However, they beat the University of Maine in Orono 6-4 in eleven innings behind solid pitching by Roy Chipman, clutch singles by Whitmore, York and Potenzo.

A win over Nasson College 6-5 on Bob Brueck's 2 run single in the seventh inning and Roy Chipman's pitching gave UMP its second win. Pete McCann, Dale Doughty and Terry Christy led UMP past St. Francis.

Dick Whitmore led the team with a 400 batting average. Those playing their last game after two seasons are Bob Brueck, Roy Chipman, Terry Christy and Dale Doughty.

Although the team's record was a losing one, the team played some good baseball and with players like Whitmore, York, Minott, Goan, Gain and True returning next year, UMP should be a heavy challenger for the Small College Championship.

Bob Brueck pleases the crowd with another hit.

1 — 2 — 3 and you're out, thanks to Ernie True.

Intramural Champions

INTRAMURAL BASKETBALL

First Row: John McGuire, Dave Powell, Len Grossman.
Second Row: Bob Palmer, Bob Brueck, Jim Tackas.
Absent: Wagner and Ferruchi.

This year's intramural basketball league was filled with plenty of action. The Aces won the championship by going undefeated for ten games. Although they were undefeated, the Aces were hard pressed to win a few of their games and it was their better balance that finally made them prevail. The intramurals offered a chance for the students to escape from the every day drudgery of books and relieve their tensions a little by participating in some friendly competitive activity with their fellow students.

The teams, their records:

ACES: (10-0) Brueck, McGuire, Wagner, Lakacus, Palmer, Ferruchi, Grossman, Simpson and Powell.

HOBOS: (5-3) Billington, Newcomb, Musk, Dudley, Flaherty, Whitmore, Lord and Skillin.

BUMS: (5-4) Small, Baker, White, Clark, DiMillo, Libby, Brandt, Ridge and Wright.

DEVILS: (4-5) Verrill, Bowie, Smith, Bergeron, Littlefield, Devlin, Espey, Labreque, Colley, Hayes and Cameron.

IMPERIALS: (2-6) St. Pierre, Harmon, Bogh, Gallegher, Tribilcock, Moody, Nason, Martin.

TOP GUNS: (0-8) Curry, Stuart, Power, Davis, Smalley, Rogers, McDermott, Willoughby, Armstrong, Daw and Tordoff.

GOLF

Kneeling: Mr. Clarke, Ronnie O'Donnell, John Cameron, Jim Feeney. Standing: Thompson Smalley, Al Bourgoin, Gordon Curry, Abram Bemis.

Fishing Trip at Cary Pond, Outing Club.

Bill Sharman speaks at the Sports Banquet.

"I didn't have a thing to wear."

"Look ma, no cavities."

"But you should have seen the other guy."

"Then the traveling salesman said . . ."

"What is the plural of Lad?"

"Like man, I said, 'You're bugging me.'"

ACTIVITIES

OUTING CLUB

The Outing Club has been one of the most active groups on campus this year. Early in the Fall the club sponsored its annual get-acquainted outing, which was attended by about sixty-five students both new and old.

On the first week-end of November the club sponsored a hunting trip to East Cary Pond in Bingham. This trip is always a success whether game is caught or not.

Late in February the club sponsored the fourth annual carnival. Although the attendance was a bit smaller than in previous years, this in no way dampened the enthusiasm for the occasion. All activities were lively and no one could help but enjoy himself.

This Spring the club sponsored a fishing trip. The group went to the same lodge that we used for the hunting trip. It might be added that everyone came home with a fraction under the limit. No one could have asked for better fishing.

Although this year's activities may be viewed in retrospect as successful ones, the present members feel some anxiety concerning the club's future. This concern stems from the fact that too few students were willing to give active assistance to the club's projects. The bulk of the work was left in the hands of a very small group of willing but overburdened members. It is to be hoped that another year more students will be willing to share the responsibilities involved in the execution of the club's very worthwhile program.

This Years Officers: Second from Left—Clay Espey, Treasurer; "Sonny" Warren, President; Herb Curry, Vice-President; Ed Colley, Secretary.

CIRCLE K

This club is national in that it is a branch of the Kiwanis Club. It is open only to college students. The aims and objectives of the Circle K are philanthropic. All of the money raised this year from the club's various projects and activities has gone into the Dean Bonney Loan Fund. This is a small loan fund which can be drawn upon by the students at a maximum interest rate of 1%. Loans must be approved by the officials of the club, and are made for a period of two weeks. This year more money was raised by the club than in any previous year.

Activities began in the fall with a spaghetti supper. Also in the fall, members assisted the Kiwanis Club with its annual Radio Auction. Just before Christmas was the Variety Show, a joint project with Westbrook Junior College. The club also assisted the American Cancer Society in its annual fund drive. During the year, three delegates of the club attended the annual Circle K Convention in Massachusetts. The season's activities ended in May with an outing at Crystal Lake.

Next year's officers have been elected and are as follows: President, Chuck Littlefield; Vice-President, Dick Goan; Treasurer, Bob Richards; Secretary, D. Coombs. A board of directors is to be elected in the fall.

THE STUDENT COUNCIL

President, George White; Vice President, Robert Shaw; Treasurer, James Wright; Corresponding Secretary, Ron Hanson; Recording Secretary, Ernest True; Other members: Stuart Keenan, Christopher Smith, Dale Doughty, Russell Smith, Ray Miclon, and Philip Huff. First Semester Recording Secretary was Charles Littlefield and First Semester Representative was Russell Petit.

I would like to be able to say that this year's Council was the most active; that it was the most successful; that its relations with the faculty were the most cordial but, none of the above accolades would characterize the Student Council. However, the Council made a determined effort to achieve integrity by trying to make itself a coordinating body between the administration and the student body. It was determined to "erase" the "figure head" status of previous Councils by writing into the constitution additional powers which the council members felt were needed if it was to be a good representative of the students.

At the onset of the fall semester, the Council tackled the job of drafting a constitution. This constitution was to be the first in the history of the University of Maine in Portland.

The Council wanted a constitution that would be flexible for years to come. It was presented to faculty advisers but was not approved. It is rather doubtful that the revised edition will be approved in time for its ratification by the student body this year.

The council then undertook the task of mustering support for the basketball team. A rally was held and two Greyhound buses were chartered to transport all loyal students and their wives or girl friends to Nasson College in Springvale. This proved to be a good idea for the basketball team came through and edged Nasson for the small college championship.

In May, the Student Council proposed a banquet honoring members of all varsity sports. Each member of the basketball team received a trophy as well as a varsity letter.

The highlight of the banquet was the guest speaker, Bill Sharman, star guard of the Boston Celtics.

We hope that this affair sets a precedent for future athletic banquets.

Ronald Hanson

Front Row: Ron Hanson, Secretary. Second Row: Ray Miclon, Representative; James Wright, Treasurer; George White, President; John Keenan, Vice President; Dale Doughty, Representative.

SOPHOMORE CLASS OFFICERS

Front Row: Chris Smith, Bob Shaw. Back Row: Jere Harmon, Phil Huff, Ernie True.

FRESHMAN CLASS OFFICERS

Kneeling: John Curran, Robert Robles, Robert Latham. Standing: Mr. Hilton (Guest), Stephen Sawyer, Bob Joyce, Al Chase, John Hachey, John Bieske.

LONGHAIR CLUB

Front Row: Dana Nason, Carl Hooper, Ralph Wentworth. Back Row: John Bieske, Fred Cole, Robert Frost.

CAMERA CLUB

With the acquisition of the New South Hall the Camera Club has found itself a new home and a permanent one at that. This is the first time that this club has had a chance to express itself, in that its future is permanently assured. Fred Cole, its president, has ahead of himself the task of publicizing its capabilities to the student body.

Fred cornered me the other day and insisted that I come over and view the Camera Club's new darkroom. Fred was so proud of it that he carried on a one way conversation. I can't say that I blame him though. The members of this year's club are very fortunate indeed. It is doubtful if a better darkroom exists anywhere in Portland that is as complete. Sink, washtank, dryer, and an exhaust fan.

The advisor, Mr. Fred Clark, is quite pleased with the response of the student body in wanting to join. This is attributed to the news of the darkroom, but the club quota is far from being filled, and anyone else who would like semi-professional advice is invited to join.

Campus Newspaper: What Is It?

To you, the student, this paper will represent your voice and your ears. If you don't use it to its best advantage then the success of your school, your class, and yourself may never materialize.

Yes, you the student are responsible for this paper and what appears in it. You, the student body, are the creators of the news. We, the newspaper staff, are the gatherers and interpreters of this news. Your club activities and individual activities, your opinions and silence are the means by which this paper develops its news.

A campus without a newspaper is a campus without activities; a campus without activities is a campus with little "spirit." It is the job of this paper to help and urge the student in any activity and "gripe" which they wish to voice.

To make this paper more effective we are open to advice, criticism, and, of course, help.

ADVERTISERS

May we stop here for just a moment to realize that following is one of the most important parts of any yearbook. Starting here, the advertisers are listed and it would be impossible to list all of them here on this page and give each our personal thanks but we would like to point out that they follow and we hope you will note each one of them. These are the people who helped to make the book possible and it would be impossible to put in words how grateful we sincerely are. So to the advertisers, we salute and thank you for this book.

Editor-in-Chief,
Ernie Bradbury
