#### CLASS ODE

*It is the vision of the great  
To mold the future of Mankind;  
Those best endowed are sent by Fate  
To use their gifts of heart and mind.  
We who are here made strong and wise  
Must answer, firm in thought and nerve—  
"Tell us wherein your struggle lies!"  
We staunchly cry as one, "I lead! I lead!"*

*And from the heavens so fair above,  
We sense the ever watching eye,  
The angels of eternal love  
Are watching o'er us from on high;  
They understand each struggle weak,  
Each wish, each aim, each rise and fall;  
Teachers, for what good do you seek?  
"The right to serve, to serve," reply we all.*

*Oh, pause not then—step forward with hope  
For Fate is in your hand;  
Climb ever,—onward,—upward,  
To where your feet would stand;  
The road is rough,  
The goal is sublime;  
Step bravely, boldly, forward  
And climb, climb, climb.*

Craig Matheson
