CLASS ODE

1958

*Atop America's freedom flag,
An ageless eagle rests;
With wisdom gained throughout the years,
He views our future tests.*

*He knows the future holds for us
The test of the unknown,
That with our faith in men and God
We shall not face alone.*

*Our eagle also feels our grief
At parting friend from friend,
But friendships will be found anew
While old ones will not end.*

*Eagle, we would tribute give
To those who at our side
Have passed to us their lasting wish
For values that abide.*

*He clearly sees the teacher's task
Of helping children find
Their knowledge, strength and character,
Their wealth of heart and mind.*

*O' eagle, symbol of our past,
May we be strong and true
As we pass on the heritage
We have received from you.*
