## *Class Ode*

*The years which lie before us  
Will challenge us to come;  
The years which lie behind us  
Are conquered now and done.  
We are standing on the threshold  
Of a bright but unknown way,  
But our courage will sustain us  
As we march out from today.  
Go forth! The cry has sounded  
To face new light and truth,  
For we build a fresh tomorrow  
And mold the mind of youth.  
We stand silent now and waiting  
With our faces toward the sun—  
One task at last is finished;  
Another just begun.  
Go forth! The cry has sounded!  
Go forth and have no fears.  
The door swings wide to greet us;  
We walk into new years.*

*Words by Dorothy Kidney*

*Music by Patricia Brown and Margaret Morrill*
