Class Ode

I

*We leave a growing campus
To the students yet to be;
We take with us the knowledge
That will let all minds be free.*

II

*Horizons spread before us
Ever widening our view;
We set new goals of service
In a world that's bright and new.*

III

*We lift the torch of learning
With the hope its light will glow;
We pray that God will guide us
As we help the young to grow.*

Chorus

*Farewell to thee, dear campus;
Farewell to the Green and White.
In memories you'll linger
As we seek the paths of light.*

JANICE G. AGUIAR
