REFLECTION '75

The Reflection

The University of Maine
Portland-Gorham

UNIVERSITY OF MAINE *at Portland - Gorham*

Office of the President

College Avenue
Gorham, Maine 04038

This has been an interesting year for the University of Maine at Portland-Gorham. The financial situation has not been good, and the budget prospects for the coming biennium are also not promising. Nonetheless, there have been many achievements during the year.

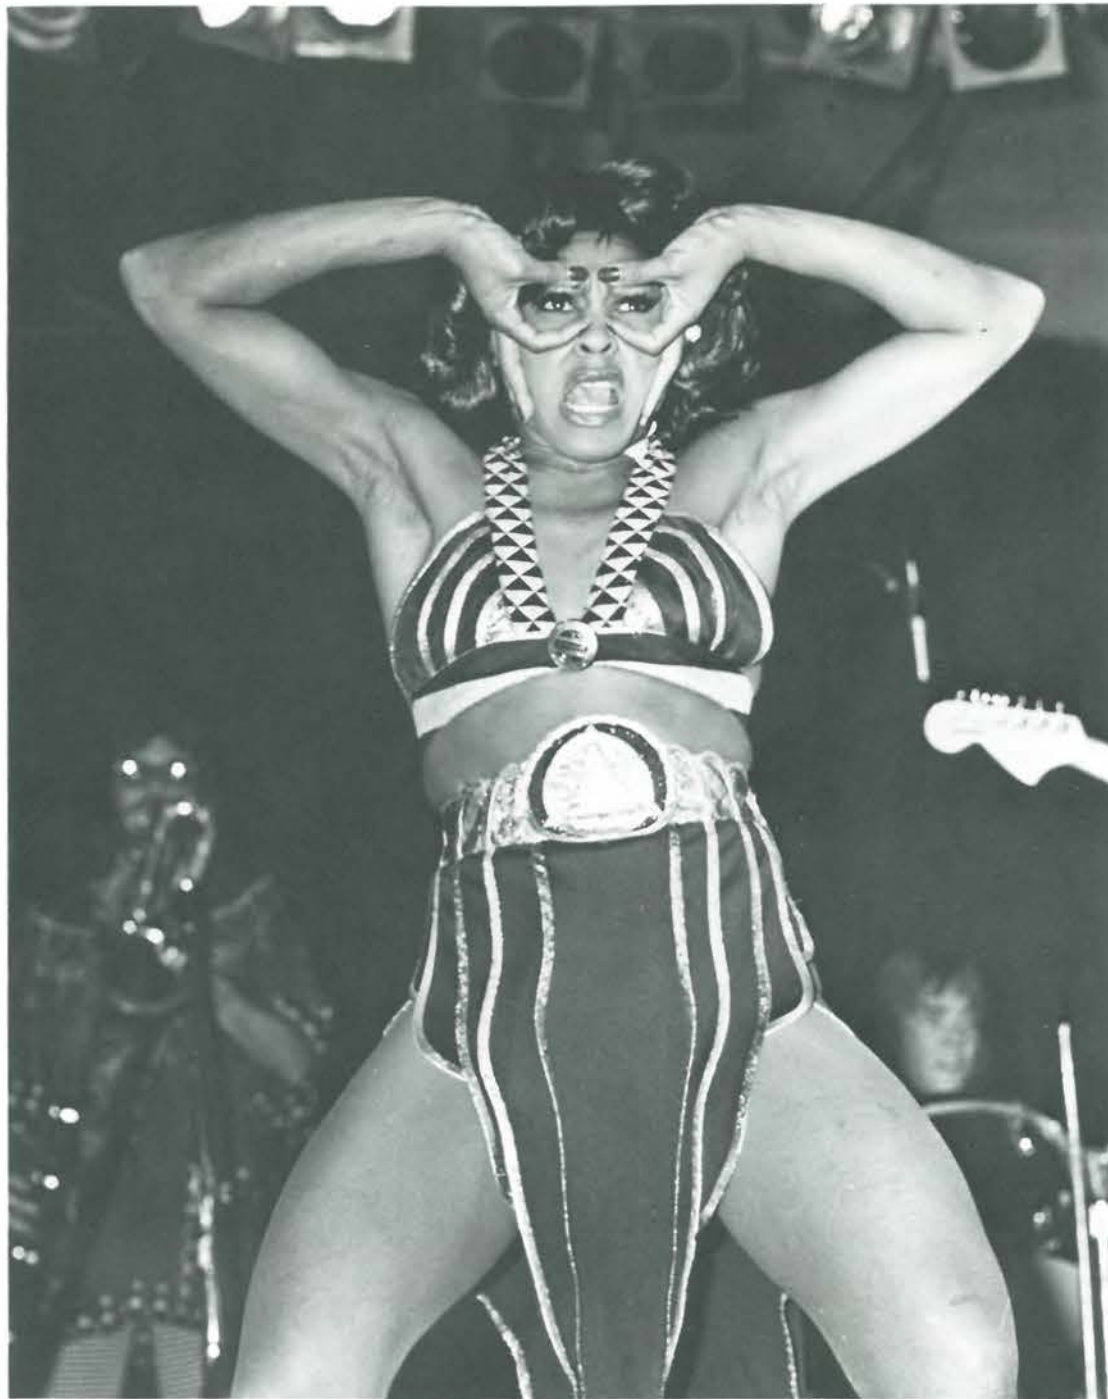

The enrollment of students at the University of Maine at Portland-Gorham during the present academic year is almost twice the number enrolled at the institution five years ago, and the signs are that the growth will continue in the years ahead. Work began on the new Science Building on the Portland campus. A chapter of Phi Kappa Phi, the national honor society, was installed in the spring. The Center for Research and Advanced Study showed continuing growth in all its activities. The Governance Document adopted in the 1973-74 school year was implemented in this academic year, and the three senates, the Faculty Senate, the Student Senate, and the Administrative Senate worked effectively on a variety of University problems. Student interest in the budget problems of the University was marked by a campaign with the slogan "It's In Our Hands." Effective presentations were made by the students to the Appropriations Committee of the Legislature.

The future for the University is a bright one, and the kind of service this University can give to the people of this state and of Northern New England is unlimited.

Successful Year for UMPG Theater

The University was very fortunate this year in having an excellent production of the play Fashion. We are not detracting from the other fine productions, but this one was signaled out for special priase and award at the New England conference and it was well deserved. It was viewed by UMPG students and many local residents at a minimal cost which made it very popular here also. Marrianne Owen was chosen one of the New England Regional winner of the Irene Ryan Award. We are sure that next year will prove to be another great year for a very artistic group.

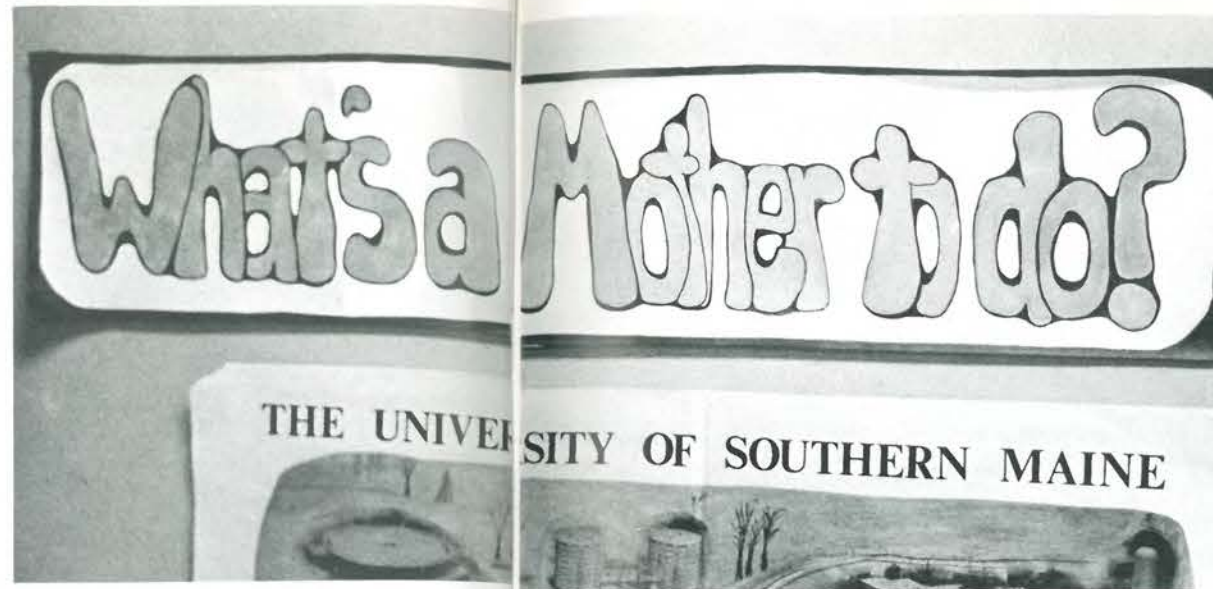

Marianne Owen as Rosalind and James as Orlando perform a scene from Shakespear's "As You Like It," an Art Theater production.

SOCCER

UMPG had a soccer team this year under the direction of Doctor Meaning. The team played some good games which were some times hot and dusty. The final score was 2 wins, 7 losses and 3 ties.

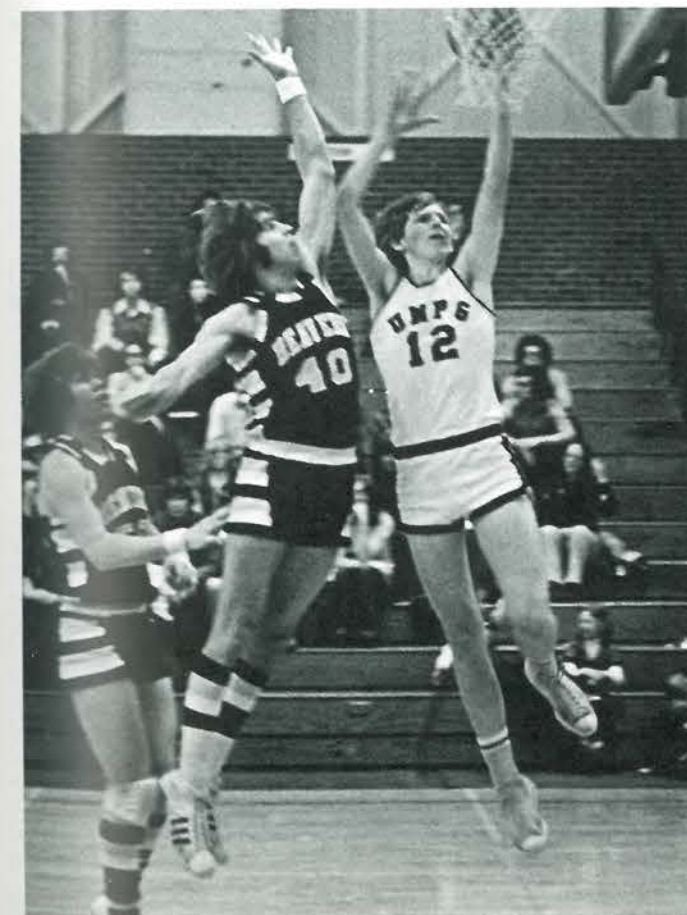

UMPG Basketball

Some Admiring Fans?

Below: Reaching for it or is it for the fans?

Way to go!!!

WOMEN'S FIELD HOCKEY — UMPG 1974

After eight years of field hockey at this University, UMPG team had perhaps its best season. The overall team record was 6 won, 3 lost and 3 tied. Although this record was not an improvement upon last year's 7-1-3, the team did improve throughout the season and eventually went on to win the 1974 State Championships. The only new competitor this year was Plymouth State College, which UMPG lost to in the opening match. Other difficult contests were against Bates, the University of New Hampshire and Bowdoin College. Perhaps the hi-light of the season was a weekend trip north to play the University of Maine at Orono and the University of Maine at Presque Isle. In spite of a long trip, the team was up for both of these games with some very tough opponents. Both contests resulted in a 1-1 tie, but showed that the UMPG combine could beat either one of these teams in a re-match.

UMPG scored a total of 31 goals for this season. High scorer, Nancy Dugas, a freshman scored eight goals. Captain Jackie Harmon was next in the scoring department with six goals. Freshman, Debbie Higgins scored five goals and Toni Luth, a halfback along with Mary Staid, an inner, each scored three goals. Judy Friberg, a sophomore and first year player, scored one goal.

UMPG entered the 1974 State Championships held at Bowdoin College on October 25 with their first match against Colby College. They won the match only by a score of 1-0. However, that afternoon, they went on to play Bates and for the first time in the history of field hockey between these two institutions, UMPG beat the Lewiston team by a score of 2-1. The winning of this match put UMPG into the finals the

next afternoon against the University of Maine at Orono. The final score was 3-0 with UMPG soundly defeating the Orono team. Scoring in this game was Debbie Higgins with two goals and Mary Staid with one goal. The scoring for the season was:

UMPG	1	Plymouth State	2
UMPG	1	Bates	3
UMPG	7	Nasson	0
UMPG	3	Westbrook	0
UMPG	4	Farmington	1
UMPG	1	University of New Hampshire	2
UMPG	1	New England College	0
UMPG	2	Bowdoin	2
UMPG	3	Colby	1
UMPG	1	UM-Orono	1
UMPG	1	UM-Presque Isle	1
UMPG	2	Falmouth High School	0

Members of the 1974 team are: Mary Begley, Nancy Dugas, Judy Friberg, Jackie Harmon, captain, Debbie Higgins, Toni Luth, Maryjane Mitzmenn, Sondra Speirs, Mary Staid, Nancy Weed, and Fawn Winter. With only one senior on the team, Maryjane Mitzmenn, the goalie, the UMPG squad will all be back to defend the state championship next year.

In junior varsity field hockey, the final season's record was 4-2-3. Impressive wins were over Bates College and University of Maine — Farmington. High scorer for the season was June David, with five goals. Mary Clifford had two goals and scoring one goal each were Claire Pulton, an exchange student from England, Ann Cusick and Nancy Dugas. A total of ten goals was scored for the season. The junior varsity team produced some very fine players and several of them should have an opportunity to compete for spots on next year's varsity. The season's record:

UMPG	1	Bonny Eagle	1
UMPG	1	Bates	0

WOMEN'S LACROSSE — UMPG 1975

UMPG's Judy Fribers (2) defends against a Bowdoin player.

UMPG	3	Westbrook High School	1
UMPG	2	UM-Farmington	0
UMPG	0	UN-Hampshire	3
UMPG	0	Bowdoin	0
UMPG	0	UM-Orono	3
UMPG	1	Katahdin Valley H.S.	1
UMPG	2	Cape Elizabeth H.S.	1

Squad members were Reta Brown, Mary Clifford, Lori Comstock, June David, Nancy Devine, Katie Dunn, Suzanne LaCroix, Claire Poulton, Barbara Prescott, Susan Roberts, and Helen Warniello. Ann Cusick was also a member of the squad, but only played part of the season.

In the third year of varsity competition, the UMPG lacrosse Team compiled a 1-4 record. The squad was originally scheduled to compete with Westbrook College, but the latter school was unable to field a team this year. The highlight of the season was a trip to Worcester State College. UMPG played their best game of the season defeating well matched opponents 9-6. High scorer for the season was senior Reta Brown with 9 goals. Freshman Debbie Higgins followed closely with 7 goals for the season. Most of the players on this year's team were either beginners or fairly inexperienced participants. The team, coached by Paula Hodgdon, looks forward to a 1976 season with more games and experienced players.

This year's schedule and results:

UMPG	4	Plymouth State College	11
UMPG	3	Bowdoin College	11
UMPG	4	Univ. N.H.	11
UMPG	9	Worcester State	6
UMPG	4	Bates College	6

Squad members were:

Reta Brown (MV)
Maureen D'Amboise
Nancy Devine
Judy Dow

WOMEN'S BASKETBALL 1975

This year's basketball team, coached by Eilene L. Nannay, had a very successful year. The conference record was 11 wins and 3 losses. The overall record was 14-6. The games lost were the initial season opener against Keene, then UMF and Husson during a late season slump. The other 3 games were lost during tournament play.

The success of this year's team relied heavily on the team's constant pressure defense, which caused many turn-overs and losses by the other teams. This, along with a fast-breaking offense, gave this year's squad a string of exciting victories, over usually much stronger schools; such as UNH, UMPI, Plymouth, UMO.

This year's success brought the team a bid to the EAIAW regional play-offs at Southern Conn. State College in New Haven, Conn. Sixteen teams participated. UMPG was seeded 13th; and made it to the semi-finals of the Consolation round, finishing 12th. It was an exciting experience for the team to compete against some of the best teams in the country.

The last event of the season, being the state championships, was the highlight of the season. UMPG fought 2 tough opponents to make it to the finals; beating UMO 71-54 and UMF 69-62. Leading Husson in the finals, the majority of the game, UMPG lost the momentum in the last 3 min. to lose 50-47; taking 2nd place in the state's A division.

High scorer — Darla Potter 243, Mary Begley 139, Denise Blais — 138 Most Rebounds — Darla Potter — 131, Gayle Stoddard — 44, Denise Blais — 39, Mary Begley — 33

Next year's squad should be even stronger, with the all returning, except one.

WOMEN'S VOLLEYBALL 1974-75

Nearly all of this year's matches were played on weekends and continued the previous year's format of mini-matches among schools in the same geographically area. With nearly an entire new team this year, Coach Nancy Willard found the going rough, but nevertheless was able to win four matches while losing thirteen. This was a loss of 26 games and winning ten games. In tournament action, no matches were won, three matches were lost, while one game was won and six games were lost. This state tournament was held at the University of Maine — Machias where UMPG played the University of Maine-Presque Isle, University of Maine-Farmington and Ricker.

The team's record is as follows:		
UMPG	0	Bates
UMPG	2	UM-Augusta
UMPG	0	UM-Farmington
UMPG	2	UM-Ft Kent
UMPG	2	UM-Machias
UMPG	0	UM-Machias (second team)
UMPG	0	Ricker
UMPG	0	UM-Presque Isle
UMPG	0	UM-Machias
UMPG	2	UM-Augusta
UMPG	0	Bates
UMPG	1	UM-Presque Isle
UMPG	1	UM-Farmington
UMPG	0	UM-Machias
UMPG	0	UM-Farmington
UMPG	0	Bates
UMPG	0	UN-Hampshire
Tournament Scores:		
UMPG	0	UM-Presque Isle
Members of the 1974-75 volleyball team were: Maureen Buvelle, Vickie Dempsey, Judy Dow, capt., Debbie Flemming, Carla Goodwin, Sherry Jones, Lolla Warren, Pam Wright. Manager Barbara Monti.		

WOMEN'S FALL TENNIS

The Tennis Team under the coaching of Eilene Nannay produce an overall 1-6 record. The only win of the season came at the hands of Westbrook College. In singles play, junior Hilda Hinds finished the season with four matches won and three lost. At the state tournament held on November 1 UMPG players all lost in the first round. The schedule of wins and losses:

UMPG	0	Plymouth State	5
UMPG	1	Bates	4
UMPG	4	Westbrook	1
UMPG	0	Bowdoin	5
UMPG	1	Colby	3
UMPG	0	Orono	4
UMPG	1	UM-Presque Isle	3

Squad members were: Carole Davis, Linda Dion, Mary Fuller, Hilda Hinds, Merilee Monks, Sue Redmond, Sue Thurston, Lynda Wilson. The team looks for a better season during the 1975-76 academic year.

WOMEN'S VARSITY SOFTBALL 1975 SEASON

This year's softball team, coached by Eilene Nannay ended with an overall record of 3 wins and 3 losses. Wins were tallied against Gorham H.S., St. Joseph's College and St. Francis College. The team's 3 losses were against Sacopee Valley H.S., Plymouth State College and UNH.

This was the first year for an intercollegiate team at UMPG. We had a strong hitting team and averaged 12 runs a game. All the losses were close games in which errors in defense ended up being the deciding factor in which team won the game.

SOFTBALL RECORD OR GAMES:			
OPPONENT	SCORE	UMPG SCORE	
Gorham H.S.	5	7	W
Plymouth State College	12	10	L
Sacopee Valley H.S.	14	10	L
St. Joseph's College	10	11	W
St. Francis College	4	32	W
UNH	11	7	L

3 wins, 3 losses

SAB CHRISTMAS PARTY

A GOOD TIME FOR ALL

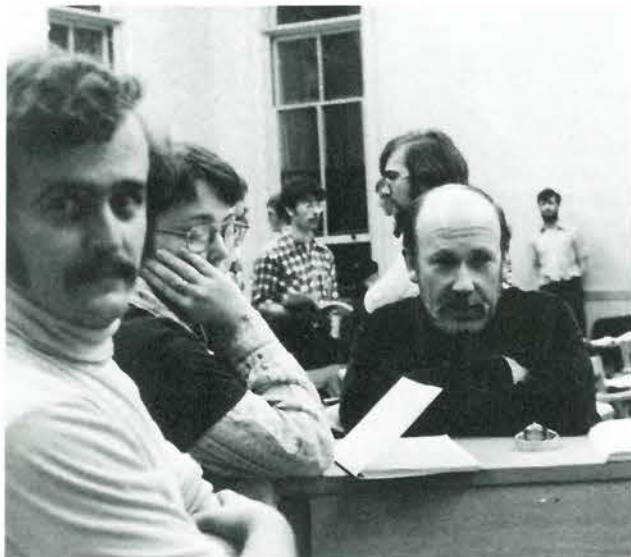

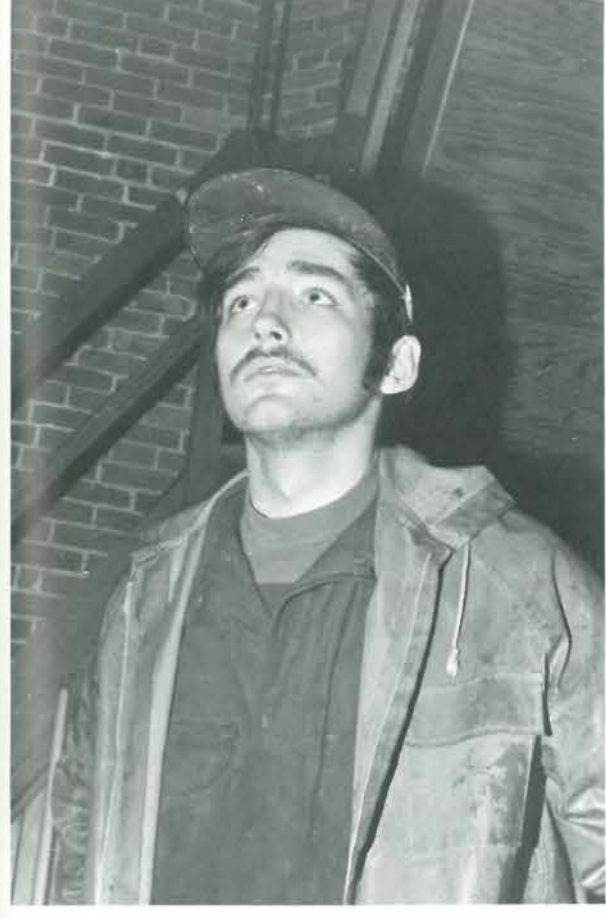

A time to relax and play cards,

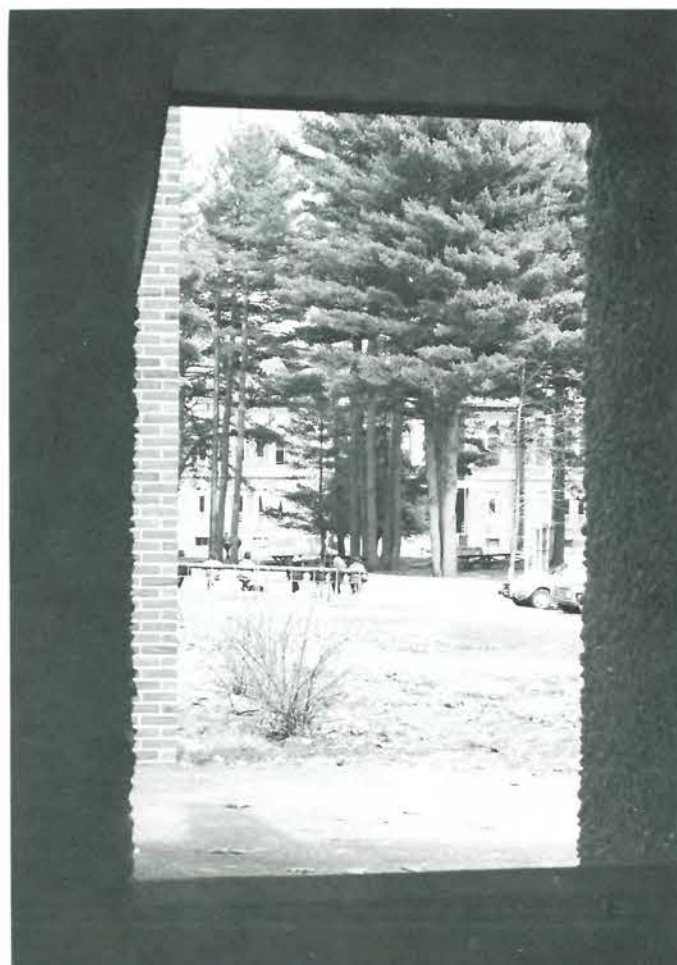

and celebrate before the week of finals and the forthcoming Christmas vacation.

Drink a few beers,

UNIVERSITY WOMAN'S FORUM

In the spring of 1975 a group of women met to discuss the needs of women on campus and their desires for certain programs that were not being developed by any organization or branch of the University. We decided that the course of action to take was to set up an organization designed to meet those interests and needs, not only for the benefit of students, but for all U.M.P.G. women. The result of this idea is the University Women's Forum. We are happy to announce that we are alive and kicking and getting on with our growth.

Our objectives include: To set up a supportive, cohesive framework within which the University women can define and fulfil their needs; to facilitate the education, Consciousness Raising, and communications of all groups of women and to help with the communication between women and men by sponsoring speakers, films, and offering workshops and programs on key issues pertinent to such communication; and to maintain a permanent office and lounge to serve as a contact base for a referral data bank system.

We already have a working desk and a friendly lounge and lots of ideas developing into programs, workshops and seminars. We've started a feminist library, and the result of this initial effort is that we have found that we can continue to grow (with a little help from everyone).

Our membership is open to all people within the University whose interests coincide with those of the organization.

1975 has been designated International Women's Year and we feel that we're helping to celebrate the idea of women uniting in love and understanding for the liberation of people.

Dear Student,

Both at the local and national level, it is often said that student government is not equipped or capable of dealing with the problems which face higher education in the next decade. Declining enrollments, diminishing state revenues, and an erosion of public support for far-flung educational endeavors are among the most immediate of a number of major problems which UMPG must deal with in the coming five years.

In the face of these problems, many students call for unions, a variety of protests, or action through the courts to insure student rights.

At UMPG this year, a much different process took place. Students did not pound tables, point fingers, or make ridiculous accusations. Less strident students spoke to the issues this year, and the facts, figures, and statistics were not as easily ignored as the marches and sit-ins of an earlier time. I guess I'm saying that the revolution is over.

The net effect is perhaps no different. The world was not reshaped, and the problems present when we began are by and large, with us now. Regardless, I hope the responsible, orderly approach to these extremely complex problems will remain the hallmark of UMPG Student Government in the future.

Dealing with human problems is what universities are for. The needs of individuals, both in this institution and in society, are and must remain the highest and most important mission a university pursues. I would like to congratulate the REFLECTION staff for putting together this book with the limited resources they had available to them. For you, I hope it will help you, in days to come, to relive your college experience. I hope that the remembrance of that will be a constant stimulus for the shaping of a new, more human world.

Best Wishes,

Jim Cloutier

GORHAM — The editorial board of "The Presumpscot" magazine, a University of Maine at Portland-Gorham collection of poetry, prose and other writings, has announced that a second edition of the publication will be printed sometime this spring or summer.

The first edition of "The Pre-

sumpscot," released recently, was greeted with considerable acclaim, prompting the board to sanction a second printing.

The magazine was named for the Presumpscot River, explains editor Tom Sauret, because the river is an important geographical feature of the area and "although troubled with pollution, represents, as do all rivers, a yearning to be free and fresh." The university it-

self, he adds, also "struggles to be free and fresh" although encumbered by its own problems.

The magazine is a successor to such previous university publications as "The Cat Mousam Journal" and "Mom's Apple Journal," but offers a variant approach, claims Sauret.

While its immediate predecessor, *more* "literary journal" publication is a

tion which uses a variety of contributions from persons directly or indirectly associated with UMPG, including faculty and students.

The initial issue contained poems by both UMPG faculty and students and others not normally associated with the university — guest instructors and lecturers, for example.

Essays and articles by faculty members, touching on such sub-

jects as "A Viewer's Guide to World War II" and "The Arcology of Paolo Soleri," were also printed in the first issue, as were two foreign language works translated by university faculty members.

Kenneth Rosen, UMPG associate professor of English and advising editor of "The Pre-

Turn to Back Page
of this section

Dam Lifted On 'Presumpscot' Printing

(Continued From Page One)

scot," says publications through which members of a university community can easily and effectively express themselves. "The Presumpscot," he says, has the potential "further intellectual communication" at UMPG. A hidden asset of such a publication, according to Rosen and Sauret, is that adept university writers who would feel uncomfortable submitting their works to magazines elsewhere might more readily submit their works to a local publication. Material submitted to the editorial board — that which made the decision to launch a second edition — comprised of Sauret, William Maxwell, Bob Kemp, Margo Kelly, Neil Genslinger and Dana Wilde. None of the board members are eligible to have their works considered by publication.

Sauret says that others are that

Lauret says that he and the others are very much aware that "The Presumpcon" faces problems with a new publication. Financial problems are being offset by soliciting subscriptions, advertising, a task that has been undertaken by the Student Senate. The major problem is the need for more funds.

The major difficulty facing the publication, however, is that of establishing its credibility within the university and non-university communities, agrees Sauret.

Adhering to a flexible editorial philosophy, the magazine's editors say they envision a few changes in format and style from the first printing.

Phi Mu Delta is a national fraternity which offers its members the ideals of brotherhood through the extremely close bond of friendship which is developed for each-one-undergraduate and alumni alike. It is a chance to meet new friends and experience a closeness with other men from which one can earn and be eternally grateful. This serves as the baseline to Phi Mu Delta's reason for existence; that those who are able to live and learn together will live forever. For that reason, this organization continues to be the oldest fraternity at U.M.P.G.

Phi Mu Delta primarily concerns itself with the well being of its members. The fairly recent acquisition of its fraternity house provides a means whereby the brothers of Phi Mu Delta can work and live together readily demonstrating its foremost objective of brotherhood. As a social fraternity, it tries to offer activities to the campus such as their traditional Halloween's Party, Christmas Party, and St. Patrick's Day Party, all of which are sponsored at their house and are well attended. In the future, the fraternity would like to sponsor an additional tradition of sponsoring an annual pool party/cook-out to be held during the end of September. Phi Mu Delta prides itself in its athletic achievements, as a group as well as of its individual

members. Many of the athletes on varsity squads at this campus are Phi Mu Deltas. Those members who do not serve on varsity squads consistently produce championship intramural teams. This year Phi Mu Delta contributed much in the area of community services. One worthwhile project which the fraternity takes a great deal of pride in sponsoring is the Red Cross Blood Drive. Hard work and dedication by all the members of Phi Mu Delta managed to make the blood-drive March 6, 1975 a big success of 188 pints and setting a state record for the most pints of blood donated in one sitting. Also, the fraternity participated in the Muscular Dystrophy Drive, Summer Basketball Program for young men and periodically took the retarded children from Pineland Hospital camping.

Among the most beneficial programs undertaken by the fraternity was the pledging of 24 new members to Phi Mu Delta during the spring semester 1975. This was the largest group of men to join the fraternity at one initiation and Phi Mu Delta takes great pride in announcing that they will continue to represent the fraternity as a group organized for the good of the University and its membership.

SIGMA NU FRATERNITY INSTALLATION

May 16, 1975

On April 26, 1975 the Iota Nu chapter of Sigma Nu Fraternity was installed as UMPG's newest addition to this school's Greek system. Of the nine Greek organization in existence at this University, Sigma Nu is the only one based on the Portland campus.

Founded at Virginia Military Institute in 1869, Sigma Nu is an International Fraternity encompassing 170 Chapters and more than 100,000 living members across the United States and Canada. Its philosophy is predicated upon a deep and abiding respect for the virtues of Love, Honor, and Truth. Its goal is the perpetuation of that philosophy among collegiate men everywhere. Sigma Nu prides itself on the cultivation of personal integrity and the recognition of individual dignity. It is above all, an organization that emphasizes fraternal regard between people and one

Maurice Littlefield

that firmly believes man's ultimate dishonor is to act contrary to the dictates of his conscience.

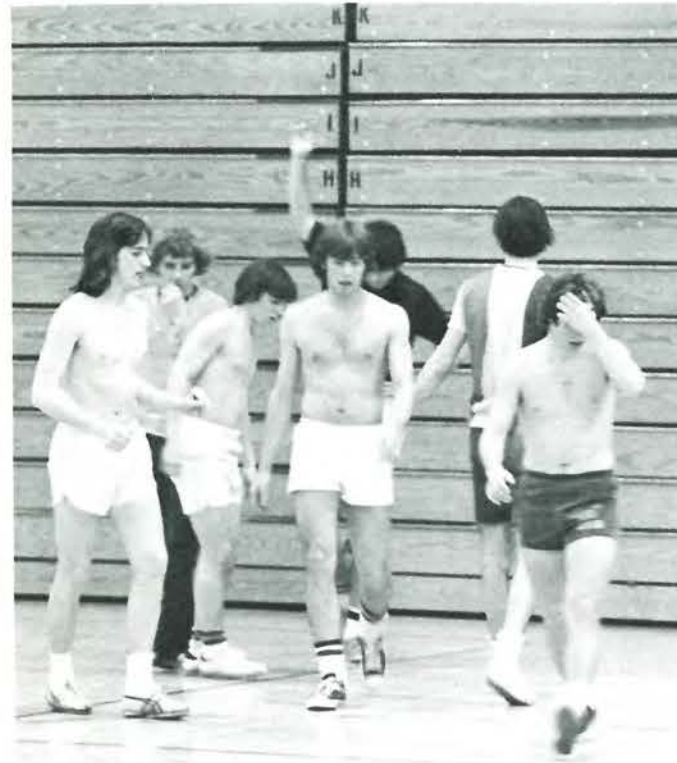

May, 1974 marked Sigma Nu's inception at this University when six men pledged themselves to the National Order. After eleven months of tireless toil and labor, the successful trek from colony to Chapter status was achieved.

The group now numbers seventeen strong and its membership is both varied and diverse. It is presently composed of commuter, resident and even married students. As one of their men puts it, "We have all kinds of talents, interests and occupations within our midst. We think its a good way to be."

Throughout this academic year these men have made their presence felt. Their impact on the University has been particularly telling. Among those enrolled in Sigma Nu are six Student Senators including the President and Vice-President of that body, the Senate Public Relations Director, the Senate Secretary, the Co-Chairman of the Orientation Committee and several members of the Student Activities Board. Their active involvement has helped to improve student life for everyone attending UMPG.

In the Community, Sigma Nu has been equally as busy. Last Halloween, they raised more than \$100 by "trick or treating" for UNICEF. On Thanksgiving, Sigma Nu delivered food baskets to local needy families. This past St. Patrick's Day, they solicited \$134 in a drive for Muscular Dystrophy. Several of the members participated in a January Cerebral Palsy telethon and the entire Fraternity currently sponsors an impoverished child from So. America.

In just one year, this Chapter of Sigma Nu has compiled a glittering record of service to both the University and Community. It is hoped that future years will bring still bigger and better things for Sigma Nu at UMPG.

Lambda Delta Chapter of Tau Kappa Epsilon Fraternity celebrated its ninth year on the Gorham Campus in 1975. Tau Kappa Epsilon International Fraternity, the largest social fraternity in the world, presented Lambda Delta with the "Top Teke Chapter" Award signifying the best chapter of 342 TKE Chapters in the United States and Canada. The Fraters received the award for excellence in Chapter management, scholastic standing, public service, and a wide range of campus activities.

TKE had its traditional Spring and Fall Cruises, open house parties, many closed parties, and finally closed-out the 1975 Spring semester with our traditional Red Carnation Formal. On the intramural scene, TKE boasts for the last six years; six first places in basketball, four firsts in football, two first in softball, and three firsts in soccer.

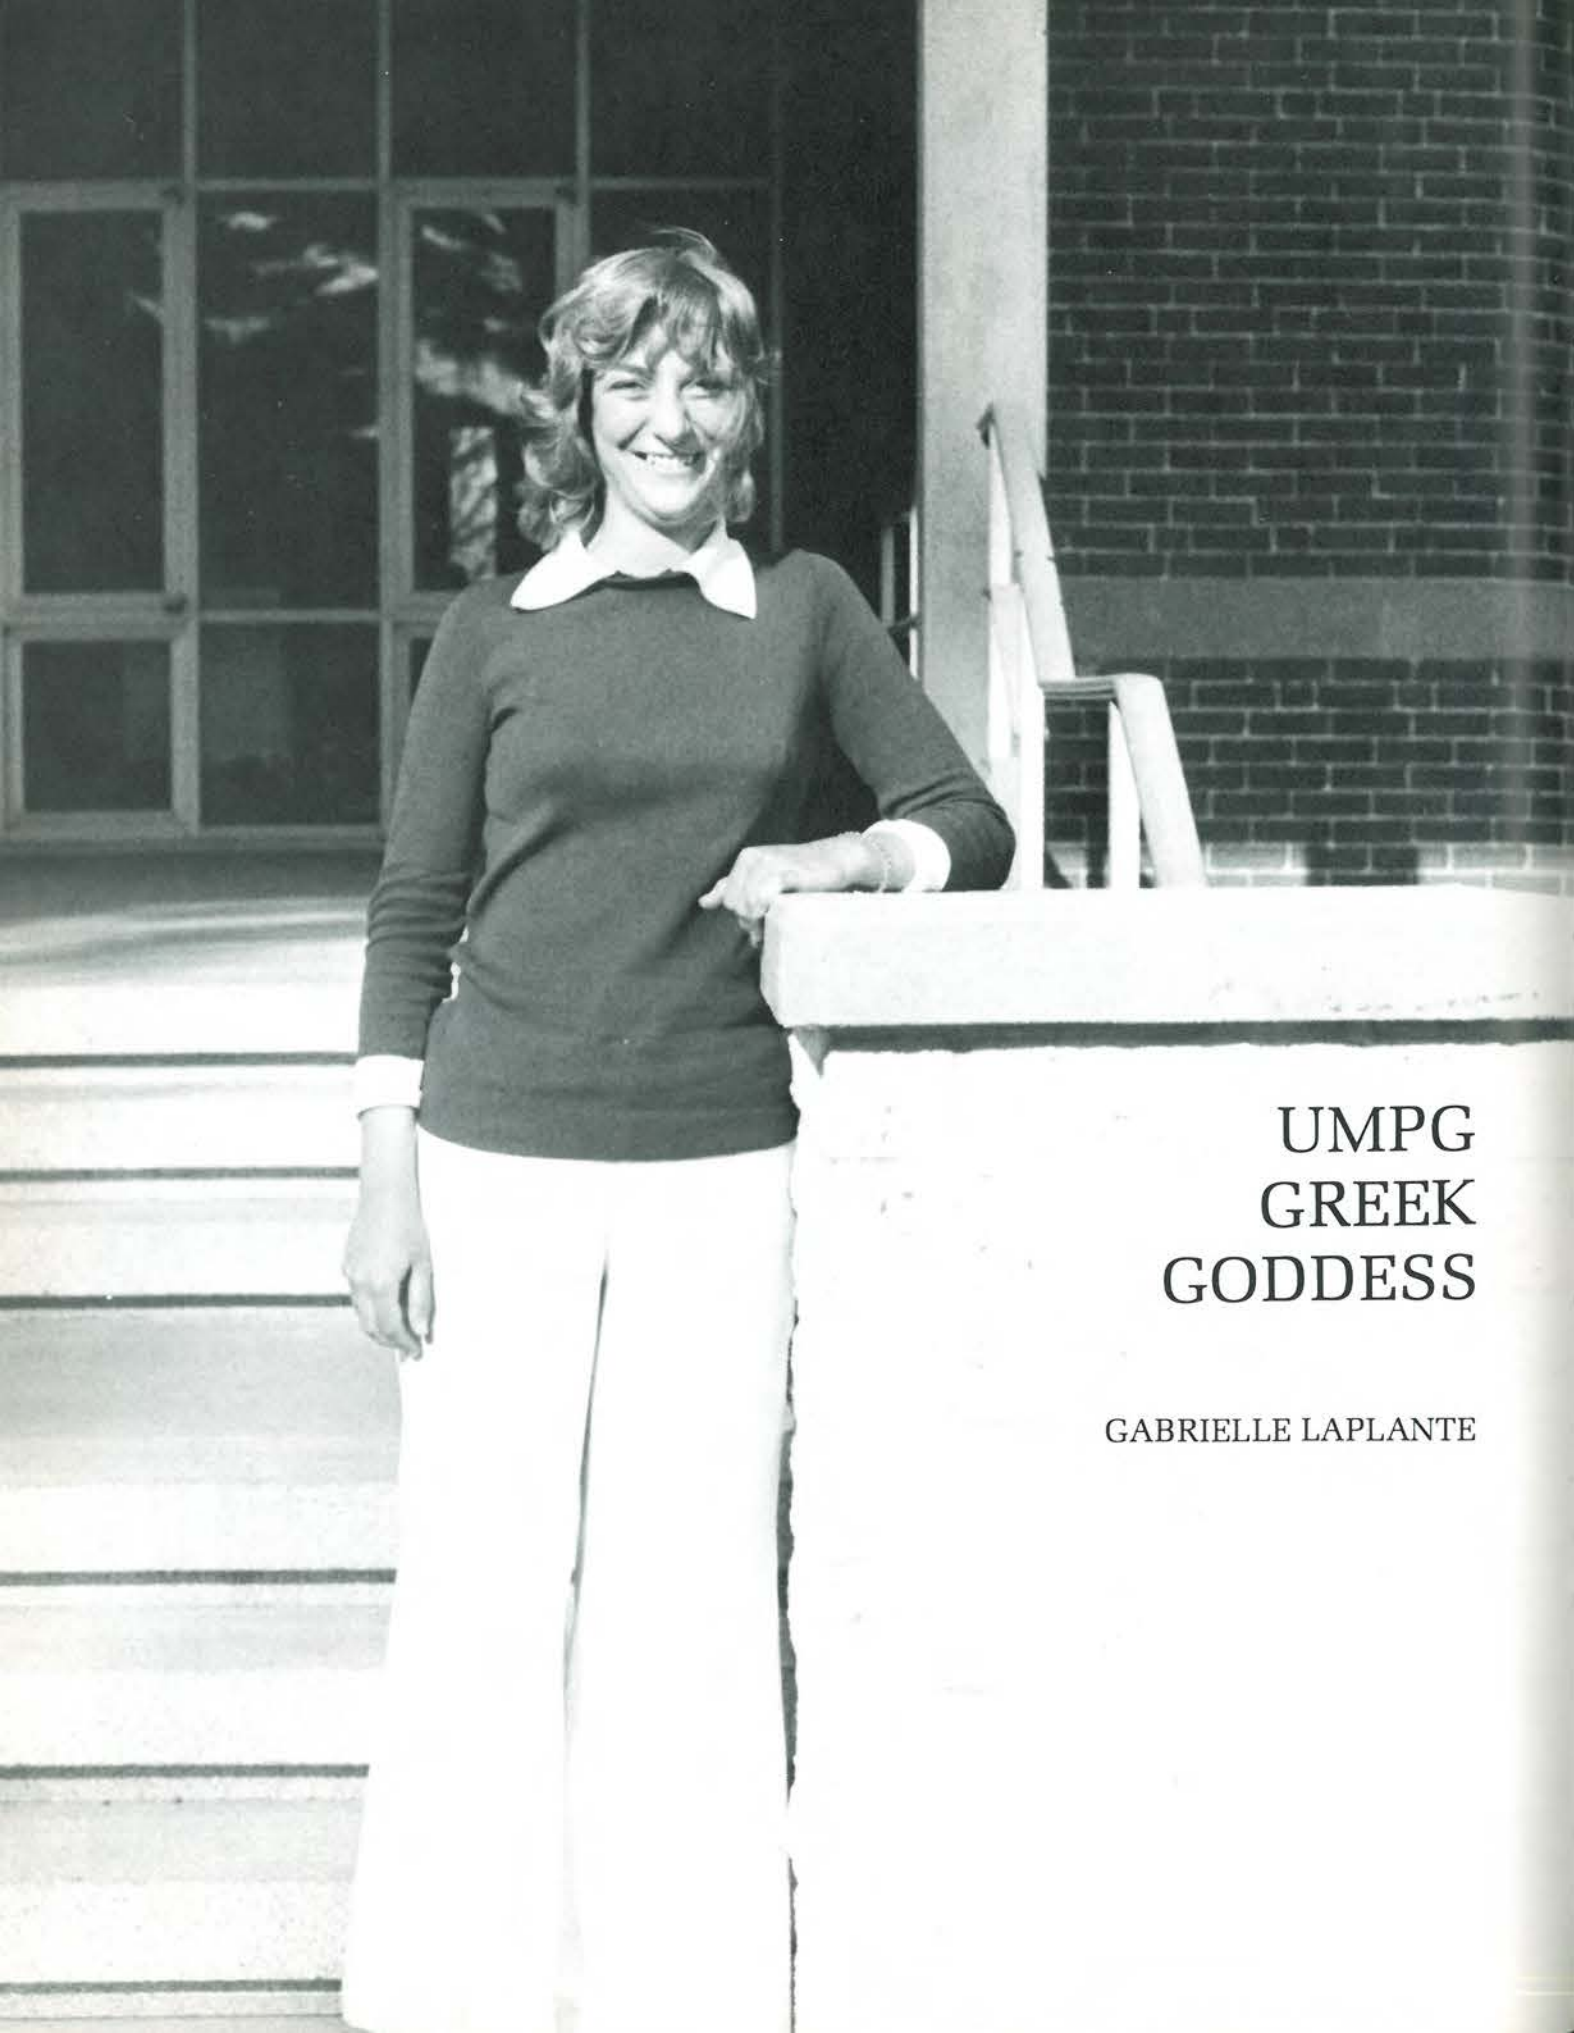

TKE enthusiastically looks forward to their tenth anniversary of realistic brotherhood here at the University of Maine at Portland-Gorham. We continually strive to live up to the International motto, "TKE stands for men; Not for wealth, rank or honor, but for personal worth and character."

A spirit of fun prevails at UMPG.

At UMPG the spirit of the Greeks has a long history and rightly so, for these people contribute much to the social, political, and academic life of the school. Petty rivalry is unknown to these organizations for they all have one goal in common and that is the betterment of their members and the University community. UMPG is then very fortunate to have these diverse groups within it and to gain by their existence.

Sororities also have a place at this campus, and in much the same sense as do frats. Their existance as an organization has evolved from that of a secondary one to a first rate group with responsibilities to the University and to themselves. They stand right along side the frats in making UMPG the most responsible and fast growing campus in the U of M system.

UNIVERSITY IMPROVES FOR HANDICAPPED

The staff at the Reflection would like to congratulate the University in its effort to make this institution more accessible to the people with physical defects. We are of the opinion that these efforts are of great merit and well timed. UMPG is and will in the future, we hope, continue to be the leader of the University system in meeting the needs of all the Maine people.

Facts and Figures About

THE UNIVERSITY OF MAINE
AT PORTLAND-GORHAM
N. Edd Miller, President

Approximately 8,100 students are currently enrolled at the University of Maine at Portland-Gorham, the second largest institution of higher learning in the State of Maine. UMPG was established in 1970 through the administrative merger of Gorham State College, whose history can be traced back to 1878, and the University of Maine in Portland, established in 1957, when Portland Junior College was merged into the University of Maine, and academically expanded in 1961 through a merger with Portland University.

The mission of the University of Maine at Portland-Gorham is to provide for the State of Maine a university center which offers to resident and commuter students at various locations undergraduate, professional, and master's level programs. With a strong liberal arts core, programs will feature interdisciplinary studies and emphasize relevance to the urban community. Applied research on community programs and public services needed by the community are provided.

UMPG -- Data at a Glance

Headcount Enrollment, Fall 1974
Day 4,368 Cont. Ed 3,712 Total 8,080
Educational and General Budget, 1974-75 \$9,513,087
Financial Aid, 1973-74
1,808 Students Aided - Total Aid \$2,605,391
Tuition, 1974-75
Resident \$500 Non-Resident \$1,500
Room and Board, 1974-75 \$1,270
Staff, Fall 1974
Full Faculty 240 Professional 191
Classified 294 - Total 725
Physical Plant Replacement Value, June 1974 \$35,653,000
Classroom Space, Fall 1974 - 141,794 Sq. Ft.
Library Volumes, Fall 1973 - 297,699
Degrees Awarded, 1973-74
66 Associate 799 Baccalaureate
241 Masters 57 Doctorate in Law

Within this framework the following outline is to serve as an operational guideline for program development:

Programs of Study

Associate degrees
Business Administration
Career Oriented Programs
Baccalaureate degrees
Business Administration
Criminal Justice
Fine Arts
Human Services
Industrial Arts Technology
Liberal Arts
Natural and Social Sciences
Nursing, Health Professions
Teacher Education (Elementary and Secondary) with particular emphasis in
Art Education
Industrial Arts Education
Music Education
Vocational Technical Education
Urban Studies
Post baccalaureate degrees
Business Administration
Education
Law
Library Sciences (in cooperation with University of Maine at Orono)
Rehabilitative Counseling
Social Development
Urban Affairs

The College of Arts and Sciences offers a broad diversity of programs leading to the baccalaureate degree, many of which are also available to part-time students enrolled in evening classes of the Continuing Education Division. The School of Business and Economics offers baccalaureate and associate degree programs available to both day and C.E.D. students, together with a graduate evening program leading to the M.B.A. degree. The School of Education offers a variety of baccalaureate programs and several graduate programs. The School of Nursing offers a day program leading to the baccalaureate degree, and also sponsors several specialized certificate programs. The School of Law is a graduate, professional school offering a day program leading to the J.D. degree.

Free shuttlebus service between the campuses makes classes and facilities at both Portland and Gorham available to all day and evening students. The physical plant includes 12 academic buildings, 6 student residence buildings divided into 9 residence halls, 3 buildings for student activities, and 18 other buildings. Each campus provides a large gymnasium and a major library. There are specialized libraries for the School of Law and for the Center for Research and Advanced Study.

Programs of Study, Continued

Incoming transfers from University of Maine campuses
Continuing Education Program
Cooperative Education Program

Public Service

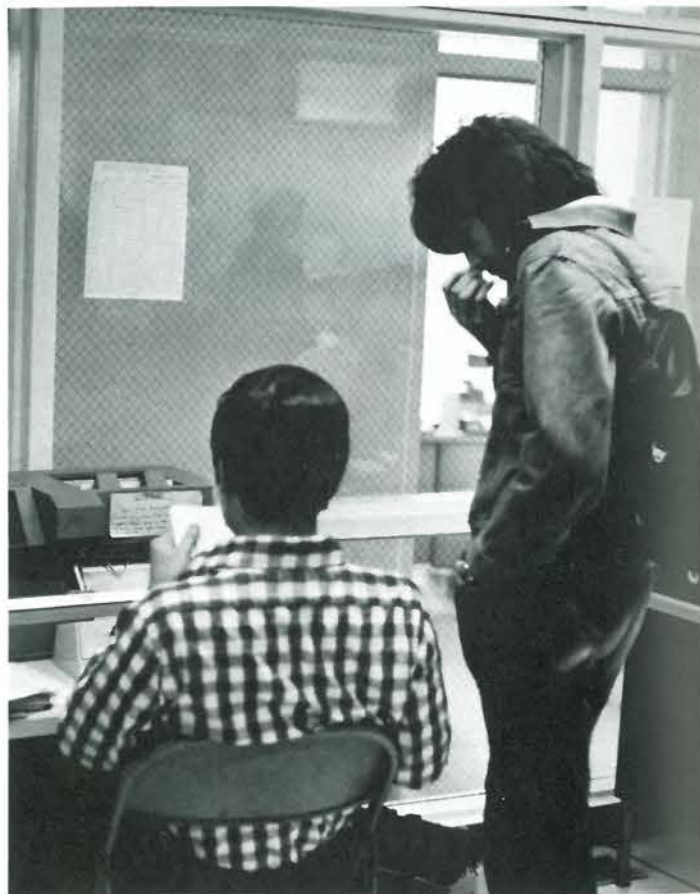

Programs designed to provide developmental assistance to learners (counseling centers)
Technical and field services to industry, business, school systems, government

Research

Applied research projects in business, social services, social planning, health, education, transportation, urban affairs
Basic research in law
Development of information retrieval system

Special Assignments
