Announcements:

Attn: GLBTQI+ writers under 21: David Levithan and Billy Merrell are putting together an expanded edition of The Full Spectrum and are looking for essays about lesbian, gay, bisexual, transgender, intersex, questioning and other queer identities by writers under 21. If you have a story you want to tell, go to www.queerthology.com for details on submitting. Deadline is August 1st!

Agency partnership brings needed care to LGBTQ survivors. The Mid Coast Queer Collective is excited to announce, would you believe it, yet another new program. In Partnership with the Sexual Assault Support Services of Mid Coast Maine (SASSMM) we are forming a support group for LGBTQ/GRSM survivors of sexual violence. If this includes you, please reach out to us, we are here to support you.

Awareness and acceptance of people who identify as Lesbian, Gay, Bisexual, Transgender, or Queer continues to grow exponentially throughout Maine and the nation. Even in the rural Mid Coast region, many members of these historically marginalized populations are coming out of the wood-work and living visible lives and their communities are embracing them. But for some in the LGBTQ community, visibility comes at a price. LGBTQ people who have experienced sexual violence face a culture that often misunderstands them.

"If you're lesbian, gay, or bisexual, people often don't understand that assault is even a problem. There is this misconception that LGBTQ populations don't experience sexual assault. Even inside the community, there is this stigma against reporting, as though admitting we have a problem will somehow hurt the cause." Says Quinn Gormley, who works as the Organizer for Program Development for Mid Coast Queer Collective (MCQC), a Damariscotta based community organization that provides services for the Mid Coast LGBTQ population. "And it's not as though we have a safe space to talk about it either- people outside the community just don't get it."

That's why MCQC is partnering with Sexual Assault Support Services of Mid Coast Maine (SASSMM), the agency that provides support and education throughout the Mid Coast on issues of sexual violence, to start a support group just for LGBTQ people.

SASSMM Executive Director Clara Porter says "We're hoping this program will address the isolation felt by LGBTQ people in this rural region. For many, they might be one of only a few visible LGBTQ people in their town. For trans people especially, who are particularly vulnerable to sexual assault, conservative

estimates put the rate of sexual assault at 66%, they might be the only person in miles of their identity. SASSMM believes that through community building, discussing the impact of their experiences, and learning coping and empowerment skills, that we can really empower people to take control of their lives."

The support group, which is funded by a grant through the Maine Coalition Against Sexual Assault (MECASA), will be the second of its kind in Maine, but the first to be directed specifically at a rural population. The hope is that the lessons learned from starting this group lead to a model that can be shared nationally, where LGBTQ Outreach efforts tend to focus on urban settings.

Folks interested in joining the group should contact SASSMM at [\(207\) 725-2181](tel:207-725-2181) and people with immediate needs can call [1 800 822 5999](tel:1-800-822-5999) to reach an Advocate on SASSMM's 24/7 crisis line.

OUT As I Want to Be would like to thank all of its supporters and our midcoast community for the outpouring of support for *Stories We Share: A Celebration of Arts, Culture and Community* at the Camden Opera House on May 30th. We were so appreciative of all who came to share the wonderful evening with Richard Blanco and our region's lesbian, gay, bisexual, transgender and questioning (LGBTQ) youth. It was a magical night, with the themes of community and home at the forefront of the evening.

We particularly want to thank our corporate sponsors – WCLZ Radio in Portland, Jack McKenney Studio in Camden, The Courier Publications, Maine *Dispatch Magazine*, Café Miranda, The Belmont Inn, The First Bank, Machias Savings Bank, Maine Media Workshops and The Strand. These wonderful supporters helped us get the word out about the challenges faced by LGBTQ youth in the midcoast and the support we need to provide, and lent dollars and hands to make the evening such a success. The Camden Opera House, particularly Kerry Hadley, was a wonderful host for the event.

The artists who gathered together to make our silent auction donations possible are both talented and generous. Heartfelt thanks to Jack McKenney of McKenney Studio, Harry Bonish, Nancy Button of Fireside Pottery, David Scriven Crowley, Virginia and Ed Slawson of Playing with Fire Gallery, Allison Wheeler, John Wood, Cricket Dow, Nancy Heyer, Bill Winkley and Jonathan Frost Gallery. Our youth artists – Lindsay, Alec, Zoe, Reagan, Aiden, Sean and Mercury – gave us a peek at what the midcoast art future holds for these artists. It was a real treat!

We are deeply grateful to our long-term individual supporters, who have continued to support OUT over these many years. As we celebrate our 19th year providing support and empowerment to LGBTQ youth in the midcoast, we particularly want to thank those who continue to give support in so many ways: Marilyn Moss Rockefeller, Catawamteak Fund of the Maine Community Foundation, Dr. Mimi Moore, Kate Hewlett, Maura Melley, Alexandra Merrill, Jack and Judith Carpenter, Tomlin Coggeshall and Christopher

Rice, Mark Glovin and Melissa Holt, Donna Janville and John Gillespie, Vicky Johnson and Jean Wakem, Pam and Peter Lubs and Katie Syrett.

Finally, we offer special thanks to our volunteers, both youth and adult, who worked tirelessly in both the planning and implementation of the event. Hats off to your continued commitment to a welcoming and affirming midcoast for all!

If you missed this amazing evening, please feel free to go to our website, outmidcoast.org, to make an online donation or send a check to PO Box 1723, Rockland, ME 04841.

With deep thanks and heartfelt gratitude to all!

Jeanne Dooley, MSW, Executive Director, OUT As I Want to Be

On January 22, 2014 the Southern leg of the Keystone pipeline was turned on and thus began carrying Tar Sands through communities in Texas and Oklahoma. The pipeline enabled the expansion of the enormous tar sands mining operations in Alberta, Canada. TD bank is one of the largest investors in tar sands extraction and in the Keystone XL pipeline. Acting in response to a call for solidarity from communities along the now active pipeline, the two activists locked themselves to the doors of TD

Bank in Portland, ME to shut down work as usual and raise awareness of the violence and devastation caused by the pipeline. We are raising money for this action, and future trainings, workshops and actions!

Laura's Playground. Transgender Suicide Prevention and Support Site. Jessica writes: I'm a moderator at a transgender suicide prevention and support site. It's a wonderful place with a live chat and lots of information. The chat runs 24 hours a day and I don't remember the last time there wasn't a moderator present. We screen the chatters to make sure we keep out 'admirers' and anyone who might harass. All moderators go thru suicide prevention training thru <http://training.sprc.org> as well as training from the administrators and supervisors. And it isn't only for suicidal individuals, a lot of TGs just go there to chat with people who understand their situation. I personally have found lots of support there and made some great friends. The people there are always willing to help answer any questions someone might have. Maine doesn't have much support to offer to TGs north of Bangor, or even much in Bangor. I just want to make sure that people know that Laura's Playground is around to offer support, answer questions, and help people find the resources they need. You can find it at: www.lauras-playground.com

Maine GayNet Listserve. A long-running listserve for the Maine GLBTQ community which allows members to post notices, opinions, etc. (in a broadcast manner) to everyone else on the listserve. To join the Maine GayNet listserve, go to <http://groups.queernet.org/sympa/subscribe/me-gaynet>

Maine Gay Outdoor Network Events (MEGONE) is a yahoo group site/email list for Maine's GLBT? folks (& friends) for posting announcements of outdoor related events. It's not a formal club or organization--just an informal way to let folks know about outdoor activities that they might like to participate in--whether it's a hike, a paddle, camping trip, nature walk, or even a downtown shopping walk--it's up to you. This is not meant to compete with other groups such as the Chiltern Club--it's just an idea that some of us came up with on a recent trip to Baxter State Park :-). So, if you'd like some company the next time you take a hike, go on a bike ride, paddle, etc., just send an email to megone@yahoogroups.com to let members know the details. To join the group, go to <http://groups.yahoo.com/group/megone/> Please pass the word along to other gay-related lists/groups--the more people who join, the more opportunities there will be for connecting with like-minded folks for some great outdoor fun. Right now, the membership is "open" to anyone who would like to join....however, if we have any problems with folks who are not gay-friendly, I may change it to a process requiring membership approval. Also, people posting should use discretion regarding publicly posting time/place to meet--you may want to simply say "anyone interested in details, please email me at _____, or call me at _____" Any questions? let me know! (mikeondavispond@yahoo.com)

THE WHO, WHAT, WHEN, WHERE, WHY, AND HOW OF THE FAMILY AFFAIRS NEWSLETTER:

All communications to FAMILY AFFAIRS should be sent to zack@familyaffairsnewsletter.org (Be sure to include the words "family affairs" or "The FAN" in the subject line). Note that FAN issues often show up in your inbox from thefan@maine.rr.com due to technicalities of the internet.

WHAT IS "FAMILY AFFAIRS" ?

FAMILY AFFAIRS is a free, twice-a-month, social activities newsletter for the GLBTQI (gay/lesbian/bisexual/trans/queer/intersex) community, sent out around the 1st and 15th of each month. It covers the State of Maine only. The list was graciously begun and maintained for many years by Jean Vermette in Bangor. It is now operated by Zack Paakkonen of Portland. It's crept somewhat beyond a social activities newsletter into a business directory, classified ad service, and community bulletin board. Someday, it may also become a website.

WHO CAN SUBMIT NOTICES TO "FAMILY AFFAIRS" ?

Anyone! This is your chance to organize your own activities and get some GLBTQI-family company for those fun and interesting things you'd like to do. Do you want to host a potluck, attend a concert, or have someone to join you on that bus tour to Boston? Are you looking for someone to join you at the hockey or baseball games, for hiking, or to go to that special art exhibit? Are you looking for canoeing, golfing, camping, or fishing partners? This is the best place to look. Think up something fun to do, organize it, and let us know about it....it's easy!

CAN I ORGANIZE AN ACTIVITY THAT DOESN'T INCLUDE "EVERYONE" ?

Yes. People who want to organize an activity for the GLBTQ and/or I community are free to set whatever requirements or restrictions they want to on the activity they're organizing. If you want to organize a "women only" camping trip, a "men only" drumming night, a "youth from age 18-24 only" dance, or a day trip to a water park for GLBTQI "couples with children", that would be fine.

CAN I POST A SOCIAL ITEM THAT'S NOT GLBTQI FOCUSED?

But of course! Not everyone who watches women's basketball is a lesbian! If **you** want to organize an activity around something that is "mostly-straight-but-GLBTQI-friendly," then do it! However, outside events (such as holiday fairs, festivals, the local chamber of commerce, etc.) that are not focused on the GLBTQI community and do not have a significant GLBTQI component will not be listed in the FAN.

ARE THERE ANY DEADLINES OR REQUIREMENTS FOR POSTING?

If you want to be sure that your posting will make it into the next issue, please send it to zack@familyaffairsnewsletter.org no later than four days prior to when the next issue comes out (in other words – three days before either the 1st or the 15th of the month). Although I can try to get a last-minute post into the next issue if you mail it later than my deadline, I can't guarantee it will make it. I accept postings from FAN subscribers only, no obscenity is allowed, and I reserve the right to not include a posting for any reason (although if I do reject a post, I will attempt to let you know the reason).

HOW DO I GET ONTO OR OFF THE MAILING LIST ?

Just email me and ask to be put on (or taken off) the list: zack@familyaffairsnewsletter.org

CAVEATS:

All newsletters are emailed BCC, and the email list is not given out to anyone. Still, keep in mind that while this newsletter is for the GLBTQI community, not everyone on the mailing list may be a "family" member. People ask to be put on the list and I put them on. There is no interview process or attempt to verify LGBTQI status. It's up to you to behave appropriately for whatever level of anonymity/security you feel you need. Also, listings are posted with information as is submitted to me, and I do not verify them so have no independent knowledge of the accuracy, truth, or falsity of any posts, events, advertisements, job listings, rental listings, etc. Respond at your own risk. Please note also that FAN issues may show up in your inbox as coming from thefan@maine.rr.com instead of from zack@familyaffairsnewsletter.org due to technicalities of the internet and the vagaries of your ISP and e-mail program. It's still the same FAN from the same sender.
