## **BUSINESS DIRECTORY 12-15-11**

HERE IS THE UPDATED DIRECTORY OF GLBTQIA BUSINESSES. PRINT IT OUT AND HOLD  
ON TO IT.

There are several requirements for a business or individual to be listed:

- 1). They must be a FAN subscriber.
- 2). The listed business must be GLBTQIA-Owned, or the individual must be an "out" GLBTQIA person providing a service in association with a mostly-straight company (e.g. a gay lawyer in a mostly-straight law firm, a lesbian realtor in a mostly-straight realty office). You will receive one listing for each business. You may select your category. I may overrule your category choice.
- 3). Straight-owned businesses are eligible for listing if they are actively supportive of the GLBTQIA community. Their postings are placed in a separate GLBTQIA SUPPORTIVE ALLIES category. I will be the final arbiter of whether a business is "actively supportive" or not.
- 4). The GLBTQIA business owner, GLBTQIA individual, or supportive straight ally must contact me directly and ask to be listed. No third-party requests for listing will be allowed.

If you are a GLBTQIA business owner or individual who wants to be listed, then contact me. If you know someone who is a GLBTQIA business owner or individual and think they ought to be listed, tell them to contact me. If you are currently listed and need changes to your listing, contact me. I'm Zack at [thefan@maine.rr.com](mailto:thefan@maine.rr.com)

My name is Vicky Blanchette and I have created studio space in my home to design stained glass and other art mediums, inspired by nature, social justice, creative discovery, and by your ideas! From its humble beginnings in medieval times, glass has been created from sand transformed by fire to give us all beautiful colors and textures to use with light to illuminate gorgeous stained glass art. The studio is located in Bangor, Maine and is equipped with a large light table, two grinders, glass storage, a myriad of tools and supplies, and a lot of work space to handle just about any job. It all starts with an IDEA. From there, the magic begins to unfold through glass. Contact me to talk about your ideas at 207.944.2695 or through email at [astartestainedglass@gmail.com](mailto:astartestainedglass@gmail.com)

I have 20 years of experience working in Maine nonprofits. Since 1994 I have worked as a consultant to public health, mental health, social service, community development, civil rights, public policy, and philanthropic organizations. Executive transitions are my primary niche. Again and again, I've seen the investment -- in stable interim leadership plus assessment of organizational & community needs, refocusing of vision, and thoughtful search processes -- yield outstanding results. In between, and sometimes simultaneously, I do other management projects. Things like program planning, development, evaluation, or reporting; coalition-building; problem-solving; etc. Pretty much anything that fits my skills, which are pretty broad.
