BUSINESS DIRECTORY 12-15-12

HERE IS THE UPDATED DIRECTORY OF GLBTQIA BUSINESSES. PRINT IT OUT (or be environmentally friendly and save the file) AND HOLD ON TO IT.

There are several requirements for a business or individual to be listed:

- 1). They must be a FAN subscriber.
- 2). The listed business must be GLBTQIA-Owned, or the individual must be an "out" GLBTQIA person providing a service in association with a mostly-straight company (e.g. a gay lawyer in a mostly-straight law firm, a lesbian realtor in a mostly-straight realty office). You will receive one listing for each business. You may select your category. I may overrule your category choice.
- 3). Straight-owned businesses are eligible for listing if they are actively supportive of the GLBTQIA community. Their postings are placed in a separate GLBTQIA SUPPORTIVE ALLIES category. I will be the final arbiter of whether a business is "actively supportive" or not.
- 4). The GLBTQIA business owner, GLBTQIA individual, or supportive straight ally must contact me directly and ask to be listed. No third-party requests for listing will be allowed.

If you are a GLBTQIA business owner or individual who wants to be listed, then contact me. If you know someone who is a GLBTQIA business owner or individual and think they ought to be listed, tell them to contact me. If you are currently listed and need changes to your listing, contact me. I'm Zack at thefan@maine.rr.com

My name is Vicky Blanchette and I have created studio space in my home to design stained glass and other art mediums, inspired by nature, social justice, creative discovery, and by your ideas! From its humble beginnings in medieval times, glass has been created from sand transformed by fire to give us all beautiful colors and textures to use with light to illuminate gorgeous stained glass art. The studio is located in Bangor, Maine and is equipped with a large light table, two grinders, glass storage, a myriad of tools and supplies, and a lot of work space to handle just about any job. It all starts with an IDEA. From there, the magic begins to unfold through glass. Contact me to talk about your ideas at 207.944.2695 or through email at astartestainedglass@gmail.com

An opportunity presented itself to me when a local salon became available, and I was able to purchase it. I will be leaving AK Haircolor & Design on April 18, and opening at the new location on April 21. It is a current salon, and I look forward to going in there, and taking the best of my experiences over the last several years and creating a space that you all will enjoy. We offer additional services there, and I look forward to seeing you all at A Total Look Day Spa & Color Studio after April 21. Angie (from AK Haircolor & Design) and I will remain working together educating as we do now, and I look forward to having someone with her level of experience to call on for advice. I have 20 years of experience working in Maine nonprofits. Since 1994 I have worked as a consultant to public health, mental health, social service, community development, civil rights, public policy, and philanthropic organizations. Executive transitions are my primary niche. Again and again, I've seen the investment -- in stable interim leadership plus assessment of organizational & community needs, refocusing of vision, and thoughtful search processes -- yield outstanding results. In between, and sometimes simultaneously, I do other management projects. Things like program planning, development, evaluation, or reporting; coalition-building; problem-solving; etc. Pretty much anything that fits my skills, which are pretty broad.

MEDICAL CARE

Name: Lindsey Piper Nurse Practitioner
Company Name: Bangor OBGyn
Address: 68 Mount Hope Ave Bangor ME 04401
phone: [207-945-6588](tel:207-945-6588)
email: lpiper@bangorobgyn.com

I am a women's health nurse practitioner and practice at Bangor OBGyn on Mount Hope Ave. I welcome anyone who needs breast and/or cervical cancer screening. I could also include prostate exams if a woman needs one- but won't see male identified, bio-males as patients- (it's not my training). I have not been trained in managing hormones (well, except for menopausal stuff), but it is certainly something I am open to learning about and hearing from my patients as well as contacting other providers who manage hormones. I would encourage gender queer and trans folks to call and ask to speak with me first to id themselves so that I can help get them scheduled safely and respectfully. (ask to schedule with or speak with Lindsey Piper).
