## SYMPOSIUM XV - PORTLAND/GORHAM

Maine's fifteenth annual statewide gathering, the Maine Lesbian and Gaymen's Symposium XV, attracted about 300 participants over the three-day event. A half-dozen Lambs were part of the large crowd, drawn not only from Maine but from New Brunswick, Nova Scotia, and Massachusetts. Because of the warm weather in Portland during the Memorial Day weekend conference, many of the workshops were held outdoors. The great weather contributed to the large turnout for Maine's Second Annual Lesbian-Gay Pride Parade, held Saturday of that weekend in downtown Portland. Around 330 men, women, and children marched in support of gaymen and lesbians, an increase over last year's 200 people. One of the Symposium highlights was the Boston Lesbian-Gay Swing Band, "Cheek to Cheek". And the Boston Lesbian-Gay Freedom Trail Marching Band led the marchers through the streets of Portland.

## SYMPOSIUM XVI - PRESQUE ISLE

Next year's statewide conference will be held, for the second time, in Presque Isle, at the campus of the University of Maine during Memorial Day weekend, 1989, hosted by Northern Lambda Nord. Planning meetings will be held beginning this month. Members, please check your calendar for dates and times. Help will be needed in many areas.
