THE (F)AMILY (A)FFAIRS (N)EWSLETTER

SOCIAL ACTIVITIES FOR THE GAY, LESBIAN, BISEXUAL, TRANSGENDER,
QUEER, AND INTERSEX COMMUNITY

FOLLOW YOUR HEART - DO YOUR PART - CHERISH OUR FAMILY

DECEMBER 15, 2016

NEWSLETTER NEWS, NOTES & REMINDERS:

THIS IS THE LAST EDITION OF THE FAMILY-AFFAIRS-NEWSLETTER. I have been putting out the FAN twice a month, with a couple of exceptions, since January of 2010. However, it is time to go. As of next month, the Health Equity Alliance will be taking over the FAN in a new format. This newsletter will not automatically continue, so if you want to continue receiving the FAN, you should follow the directions immediately below.

For a long time – since I have had the FAN, at least, the following ran at the bottom of the newsletter.

FAMILY AFFAIRS is a free, twice-a-month, social activities newsletter for the GLBTQI (gay/lesbian/bisexual/trans/queer/intersex) community, sent out around the 1st and 15th of each month. It covers the State of Maine only. The list was graciously begun and maintained for many years by Jean Vermette in Bangor. It is now operated by Zack Paakkonen of Portland. It's crept somewhat beyond a social activities newsletter into a business directory, classified ad service, and community bulletin board. Someday, it may also become a website.

The FAN did creep beyond a social activities newsletter, and became a job board, assisted with getting the word out for political causes, and even resulted in one marriage during my tenure. I'm glad to see it continuing with the Health Equity Alliance, but I also want to give my gratitude to Jean Vermette for starting it many years ago. We have a rural state, and the FAN, when we were less connected, helped me get where I needed to go. I suspect it is the same for many of you.

The Health Equity Alliance is excited to announce that we will be continuing the service of the Family Affairs Newsletter in a new format beginning January 2017. This format will include a monthly newsletter containing changing event information, and community news and updates, as well as a Website containing an up-to-date list of ongoing LGBTQ+ Resources in Maine organized by region, topic, and organization.

For those interested in accessing these resources, please sign up at the link below, and share widely among your colleagues.

WEB-BASED MAINE GLBTQI LISTSERVES AND E-MAIL LISTS:

Bisexual Group Online. Bisexuals in Maine and other points north (BINNE). This is a discussion group, NOT a dating group. Located in Yahoo! groups at <http://groups.yahoo.com/group/binne>.

Gay Ogunquit. A web resource for LGBTQI residents of or visitors to the Ogunquit area. <http://www.gayogunquit.com/index.php>

Laura's Playground. Transgender Suicide Prevention and Support Site. Jessica writes: I'm a moderator at a transgender suicide prevention and support site. It's a wonderful place with a live chat and lots of information. The chat runs 24 hours a day and I don't remember the last time there wasn't a moderator present. We screen the chatters to make sure we keep out 'admirers' and anyone who might harass. All moderators go thru suicide prevention training thru <http://training.sprc.org> as well as training from the administrators and supervisors. And it isn't only for suicidal individuals, a lot of TGs just go there to chat with people who understand their situation. I personally have found lots of support there and made some great friends. The people there are always willing to help answer any questions someone might have. Maine doesn't have much support to offer to TGs north of Bangor, or even much in Bangor. I just want to make sure that people know that Laura's Playground is around to offer support, answer questions, and help people find the resources they need. You can find it at: www.lauras-playground.com

Maine GayNet Listserv. A long-running listserv for the Maine GLBTQ community which allows members to post notices, opinions, etc. (in a broadcast manner) to everyone else on the listserv. To join the Maine GayNet listserv, go to <http://groups.queernet.org/sympa/subscribe/me-gaynet>

Maine Gay Outdoor Network Events (MEGONE) is a yahoo group site/email list for Maine's GLBT? folks (& friends) for posting announcements of outdoor related events. It's not a formal club or organization--just an informal way to let folks know about outdoor activities that they might like to participate in--whether it's a hike, a paddle, camping trip, nature walk, or even a downtown shopping

walk---it's up to you. This is not meant to compete with other groups such as the Chiltern Club--it's just an idea that some of us came up with on a recent trip to Baxter State Park :-). So, if you'd like some company the next time you take a hike, go on a bike ride, paddle, etc., just send an email to megone@yahoo.com to let members know the details. To join the group, go to <http://groups.yahoo.com/group/megone/> Please pass the word along to other gay-related lists/groups—the more people who join, the more opportunities there will be for connecting with like-minded folks for some great outdoor fun. Right now, the membership is "open" to anyone who would like to join....however, if we have any problems with folks who are not gay-friendly, I may change it to a process requiring membership approval. Also, people posting should use discretion regarding publicly posting time/place to meet—you may want to simply say "anyone interested in details, please email me at _____, or call me at _____" Any questions? let me know! (mikeondavispond@yahoo.com)

Maine Lesbians Listserve Anyone who identifies as a lesbian is welcome to join. The website address is: <http://groups.google.com/group/main-lesbians> Women can request to join from the website or email me: pputnam@mac.com

SAGE Maine creates a virtual drop-in center using a system of telephone connections at scheduled times twice a month. After signing up, participants will receive a call and be invited to chat with others about news, events, information, resources, and topics of local interest. An experienced moderator from SAGE Maine will be on each call to provide basic ground rules of respect and confidentiality as well as to connect individuals with helpful resources and to provide information relevant to older GLBT Mainers. Calls will be scheduled with groups and times forming as participants register. There is no cost for this service and, unless there is a charge for incoming calls, the phone call is toll-free. There are no code numbers to remember. Participants are asked to commit to two months (4 calls) in order to provide group solidarity. Membership in SAGE Maine is not required. To sign up, visit <http://sagemaine.org/virtual-drop-in-program.html>, or call (207) 809-7015.

THE WHO, WHAT, WHEN, WHERE, WHY, AND HOW OF THE FAMILY AFFAIRS NEWSLETTER:

All communications to FAMILY AFFAIRS should be sent to zack@familyaffairsnewsletter.org (Be sure to include the words "family affairs" or "The FAN" in the subject line). Note that FAN issues often show up in your inbox from thefan@maine.rr.com due to technicalities of the internet.

CAVEATS:

All newsletters are emailed BCC, and the email list is not given out to anyone. Still, keep in mind that while this newsletter is for the GLBTQI community, not everyone on the mailing list may be a "family" member. People ask to be put on the list and I put them on. There is no interview process or attempt to verify LGBTQI status. It's up to you to behave appropriately for whatever level of anonymity/security you feel you need. Also, listings are posted with information as is submitted to me, and I do not verify them so have no independent knowledge of the accuracy, truth, or falsity of any posts, events, advertisements, job listings, rental listings, etc. Respond at your own risk. Please note also that FAN issues may show up in your inbox as coming from thefan@maine.rr.com instead of from zack@familyaffairsnewsletter.org due to technicalities of the internet and the vagaries of your ISP and e-mail program. It's still the same FAN from the same sender.
